LEDIARY Caged Ceiling Fan with Lights User Manual

Model: 19c51001-71a3-4cc6-8cf2-a4aaf73ff0c6

Introduction

Thank you for choosing the LEDIARY Caged Ceiling Fan with Lights. This low-profile, bladeless ceiling fan combines practicality with a modern farmhouse aesthetic, featuring a unique cage-shaped frame and a white-gold painted finish. Designed for comfort and efficiency, it provides powerful yet quiet airflow and versatile lighting options, perfect for bedrooms, kitchens, dining rooms, and more.

The LEDIARY Caged Ceiling Fan with Lights, showcasing its elegant design in a living space.

Key Features

- **Caged Design:** Features a unique cage-shaped frame with a white and golden painted finish and a lacelike pattern, blending farmhouse and modern styles.
- **Powerful & Quiet DC Motor:** Equipped with a pure copper DC motor that delivers strong, steady wind power with a low noise level of 35dB, ensuring a quiet environment. This motor is also energy-efficient, consuming 20-30% less electricity.
- **Versatile Functions:** Offers 6 adjustable wind speed levels, 1/2/4-hour timer settings, and a reversible motor for both forward (summer cooling) and reverse (winter warm air circulation) rotation. Fan and lighting functions can be operated independently.

- **Simple Remote Control:** All functions are easily controlled via the included remote. A wall plate is provided for convenient wall mounting, allowing the remote to function as a wall switch. Batteries for the remote are included.
- **Bulb Compatibility:** Requires 4 E26 bulbs (not included). Recommended bulb types include A19, ST19, T45 incandescent (Max 60W), or LED (Max 10W).

The fan's powerful yet quiet DC motor ensures a comfortable environment.

Setup and Installation

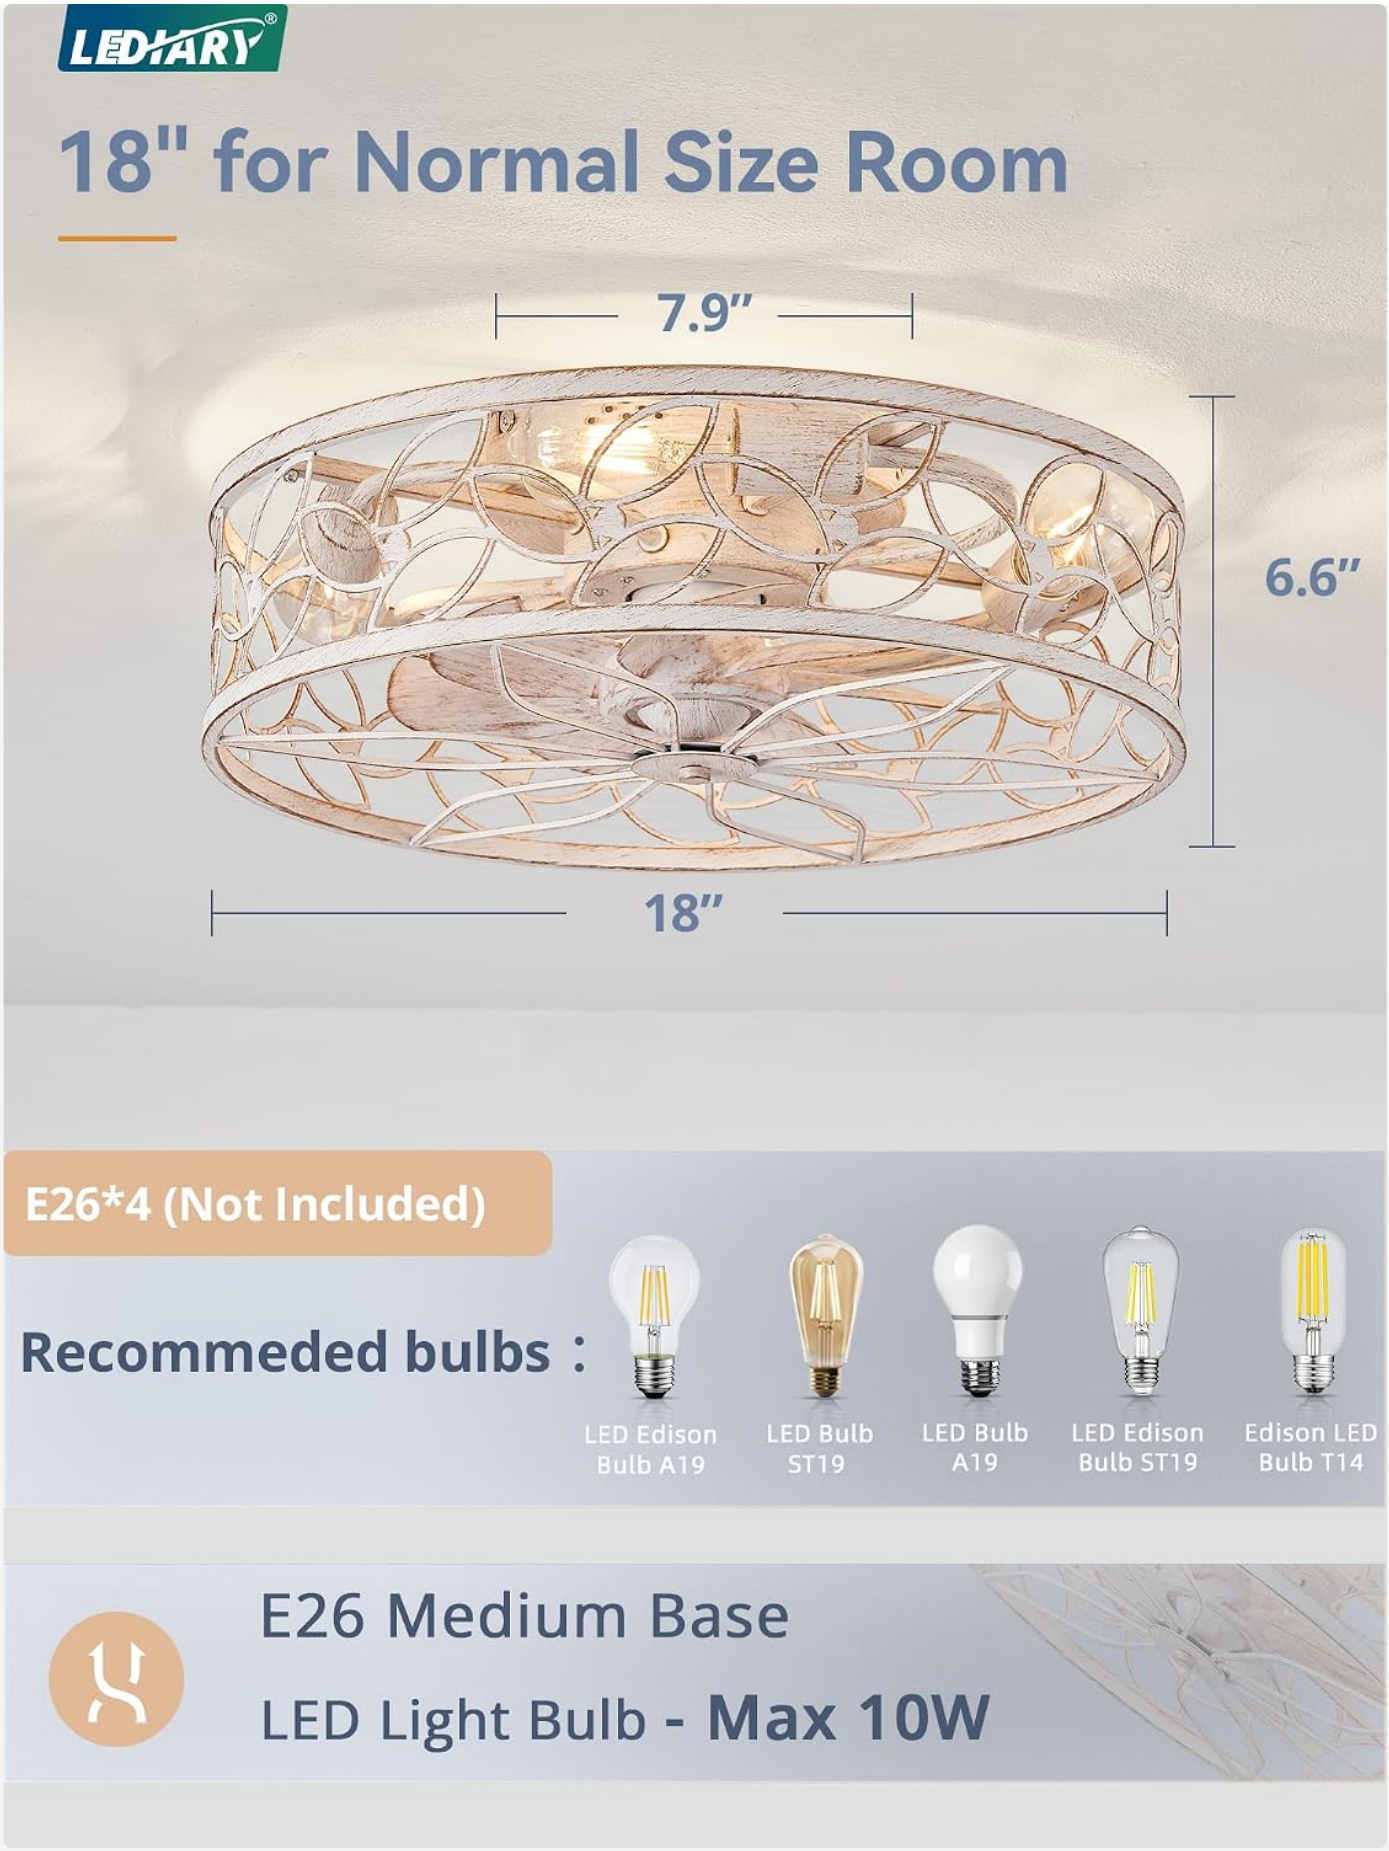

Installation of the LEDIARY Caged Ceiling Fan is designed to be straightforward for flush mount applications. It is recommended to consult a qualified electrician for installation if you are not familiar with electrical wiring.

Before Installation:

- Ensure power is turned off at the circuit breaker before beginning any electrical work.
- Verify all components are present as listed in the packaging.
- Prepare the necessary tools (screwdriver, wire strippers, etc.).

General Installation Steps:

1. Secure the mounting bracket to the ceiling junction box.
2. Connect the electrical wires (live, neutral, ground) from the ceiling to the fan's wiring according to local electrical codes.
3. Carefully lift and attach the fan body to the mounting bracket, ensuring it is securely fastened.
4. Install the required E26 bulbs into their sockets.
5. Restore power and test the fan and light functions using the remote control.

Product dimensions and E26 bulb specifications for proper setup.

Operating Instructions

The LEDIARY Caged Ceiling Fan is operated entirely by its multifunctional remote control, offering convenience and ease

of use.

Remote Control Functions:

- **Power On/Off:** Turns the entire unit (fan and light) on or off.
- **Light On/Off:** Controls the light independently.
- **Fan Speed Control:** Select from 6 different wind speeds (Levels 1-2: Soft Wind, Levels 3-4: Natural Wind, Levels 5-6: Cool Wind).
- **Timer Settings:** Set the fan to automatically turn off after 1, 2, or 4 hours.
- **Forward/Reverse Rotation:** Change the direction of the fan blades to optimize airflow for different seasons (Forward for summer cooling, Reverse for winter warm air circulation).

The remote control provides full command over the fan's features.

Utilize the reversible motor for optimal comfort in both summer and winter.

Maintenance

Regular maintenance ensures the longevity and optimal performance of your LEDIARY Caged Ceiling Fan.

- **Cleaning:** Dust the fan and light fixture regularly with a soft, dry cloth. For more stubborn dirt, a slightly damp cloth can be used, followed by a dry cloth. Avoid abrasive cleaners or solvents that may damage the finish.

- **Bulb Replacement:** Ensure power is off before replacing bulbs. Allow old bulbs to cool completely. Replace with E26 base bulbs, adhering to the recommended wattage (Max 60W Incandescent, Max 10W LED).
- **Motor Care:** The pure copper DC motor is designed for long-lasting performance and typically requires no lubrication.
- **Tightening Fasteners:** Periodically check and tighten all screws and fasteners on the fan body and mounting bracket to ensure stability and prevent wobbling.

Troubleshooting

If you encounter issues with your LEDIARY Caged Ceiling Fan, refer to the following common troubleshooting steps:

Problem	Possible Cause	Solution
Fan does not operate.	No power; loose wiring; remote control issue.	Check circuit breaker. Ensure all wiring connections are secure. Replace remote batteries or re-pair remote.
Light does not turn on.	Bulbs are faulty or not installed correctly; loose wiring.	Check and replace bulbs. Verify light wiring connections.
Fan wobbles.	Loose mounting screws; unbalanced blades.	Tighten all mounting screws. Ensure blades are securely attached.
Remote control not working.	Dead batteries; remote not paired.	Replace remote batteries. Refer to pairing instructions in the full manual (if applicable).

If the problem persists after trying these solutions, please contact LEDIARY customer support.

Specifications

Attribute	Detail
Brand	LEDIARY
Model Number	19c51001-71a3-4cc6-8cf2-a4aaf73ff0c6
Color	White Gold
Material	Iron, Acrylonitrile Butadiene Styrene
Style	Farmhouse
Product Dimensions	18 x 18 x 8 inches
Item Weight	9.64 pounds
Power Source	DC Motor
Voltage	120 Volts (AC)
Light Source Type	LED, Incandescent
Bulb Base	E26 (4 bulbs needed, not included)
Max Bulb Wattage	60W (Incandescent), 10W (LED)

Attribute	Detail
Brightness	3200 lumen
Control Method	Remote Control
Special Feature	Timer, Reversible Motor
Installation Type	Flush Mount
Assembly Required	Yes
Water Resistance Level	Not Water Resistant

Warranty and Support

LEDIARY stands behind the quality of its products. The Caged Ceiling Fan with Lights comes with:

- **5-Year Motor Support**
- **2-Year Limited Support on Other Parts**

For any questions, technical assistance, or warranty claims, please contact LEDIARY customer service. If the remote control is lost, a new one can be requested.
