2. SAFETY INFORMATION

To ensure safe use and prevent accidents, please adhere to the following safety guidelines:

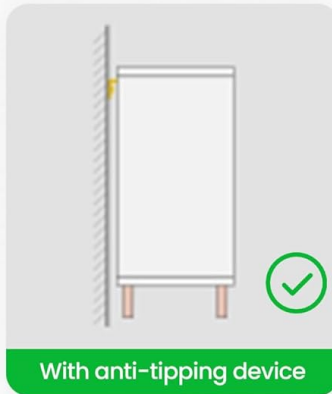

- **Anti-Tipping Device:** Always install the provided anti-tip straps to secure the dresser to the wall. This prevents accidental tip-overs, especially in households with children or pets.
- **Weight Distribution:** Distribute items evenly across drawers. Avoid placing excessively heavy items in upper drawers, which can affect stability.
- **Stable Placement:** Place the dresser on a flat, level surface. Uneven surfaces can compromise stability.
- **Drawer Safety:** RoyalCraft dressers feature silent ball-bearing slides and double anti-drop mechanisms for secure drawer movement. Ensure drawers are properly closed when not in use.

Anti-tipping Device

Enhances safety, prevents tipping accidents, secures stability, promotes household peace of mind.

Back Panel	1	Rear support panel.
Drawer Fronts	5	Fluted decorative panels for drawers.
Drawer Sides	10	Left and right sides for 5 drawers.
Drawer Backs	5	Rear panels for 5 drawers.
Drawer Bottoms	5	Base panels for 5 drawers.
Drawer Slides	10 pairs	Metal tracks for smooth drawer operation.
Drawer Knobs	5	Stylish metal handles.
Anti-Tip Kit	1 set	Straps and hardware for wall attachment.
Assembly Hardware	Various	Screws, dowels, cam locks, etc.

4. ASSEMBLY INSTRUCTIONS

Assembly is required for this product. Please follow these steps carefully. It is recommended to have a screwdriver or power drill available. Two people may be required for certain steps.

- 1. Unpack and Identify Parts:** Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches. Compare with the parts list to ensure everything is present.
- 2. Assemble the Frame:** Attach the side panels to the bottom panel using the provided hardware (e.g., dowels and cam locks). Ensure all connections are secure.
- 3. Install Drawer Slides (Frame):** Attach the frame-side drawer slides to the interior of the side panels according to the pre-drilled holes.
- 4. Attach Back Panel:** Secure the back panel to the assembled frame using small nails or screws.
- 5. Attach Top Panel:** Place the top panel onto the frame and secure it with the appropriate hardware.
- 6. Assemble Drawers:** For each of the five drawers:
 - Attach the drawer sides and back to the drawer front.
 - Slide the drawer bottom into the grooves.
 - Secure the drawer bottom.
 - Attach the drawer-side drawer slides to the assembled drawer box.
 - Install the stylish metal knob onto the center of the drawer front.
- 7. Insert Drawers:** Carefully slide each assembled drawer into its corresponding tracks on the dresser frame.
- 8. Install Anti-Tipping Device:** Securely attach the anti-tip straps to the back of the dresser and to a wall stud using the provided hardware. This is a critical safety step.

5. OPERATING INSTRUCTIONS

Using your RoyalCraft dresser is straightforward. Follow these tips for optimal performance:

- **Drawer Operation:** Gently pull and push the drawers using the installed knobs. The silent ball-bearing slides ensure smooth and quiet movement. Avoid forcing drawers open or closed.
- **Weight Capacity:** While the dresser is sturdy, avoid overloading drawers. Distribute weight evenly to prevent strain on the slides and maintain structural integrity. The top surface can support up to 200 lbs.
- **Versatile Storage:** Utilize the five spacious drawers for organizing clothing, accessories, linens, or other personal items. The design allows for efficient storage in various rooms.

6. MAINTENANCE

Proper care will extend the life and appearance of your dresser:

- **Cleaning:** Wipe the surface with a dry cloth. For spills, use a damp cloth immediately and dry thoroughly. The water-resistant painted material makes cleaning easy. Avoid harsh chemicals or abrasive cleaners.
- **Dusting:** Regularly dust the dresser with a soft, dry cloth to prevent buildup.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or discoloration of the finish.
- **Humidity Control:** Maintain a stable humidity level in the room to prevent wood warping or cracking.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they are tight. Retighten if necessary.

Perfect for Bathrooms

Waterproof, durable material perfect for bathrooms. Easy to clean, ensuring long-lasting protection and convenience.

7. TROUBLESHOOTING

If you encounter any issues, refer to the following common problems and solutions:

- **Wobbly Dresser:**

- Ensure all assembly hardware is tightened.
- Verify the dresser is on a level surface. Adjust foot pads if necessary.
- Confirm the back panel is securely attached, as it contributes to structural rigidity.

- **Drawers Not Sliding Smoothly:**

- Check that the drawer slides are correctly installed and aligned on both the drawer and the frame.
- Ensure no objects are obstructing the slides.
- Verify that the drawer is not overloaded.

- **Missing Parts or Damaged Components:**
 - Before assembly, carefully check the parts list.
 - If any parts are missing or damaged upon arrival, do not proceed with assembly. Contact RoyalCraft customer support immediately for assistance.
