

PawHut D51-061LG

PawHut 61-inch 2-Story Rabbit Hutch Instruction Manual

Model: D51-061LG

This manual provides essential information for the safe assembly, operation, and maintenance of your PawHut 2-Story Rabbit Hutch.

1. IMPORTANT SAFETY INFORMATION

- Read all instructions carefully before assembly and use.
- Ensure all components are securely fastened before placing animals inside.
- Regularly inspect the hutch for any damage or loose parts that could harm your pet.
- This hutch is designed for small animals such as rabbits, tortoises, bunnies, guinea pigs, and ferrets. Ensure the size and number of pets are appropriate for the hutch dimensions.
- Place the hutch on a level, stable surface.
- While designed for outdoor use with weather-resistant features, consider additional protection during extreme weather conditions.

2. PACKAGE CONTENTS

Verify that all parts are present and undamaged before beginning assembly. Refer to the included parts list in your product packaging for a detailed inventory.

3. SETUP AND ASSEMBLY

Assembly of the PawHut Rabbit Hutch is designed to be straightforward. Follow the step-by-step instructions provided in your product packaging. Ensure all screws and fasteners are tightened appropriately to maintain structural integrity.

3.1 Placement

This hutch is suitable for both indoor and outdoor environments. When placing outdoors, select a location that offers some shelter from direct sun and strong winds. Ensure the ground is level to prevent instability.

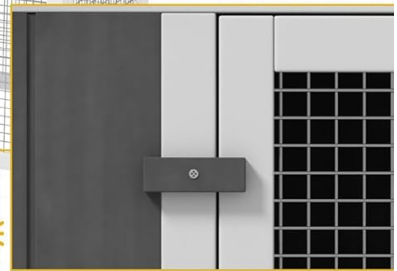

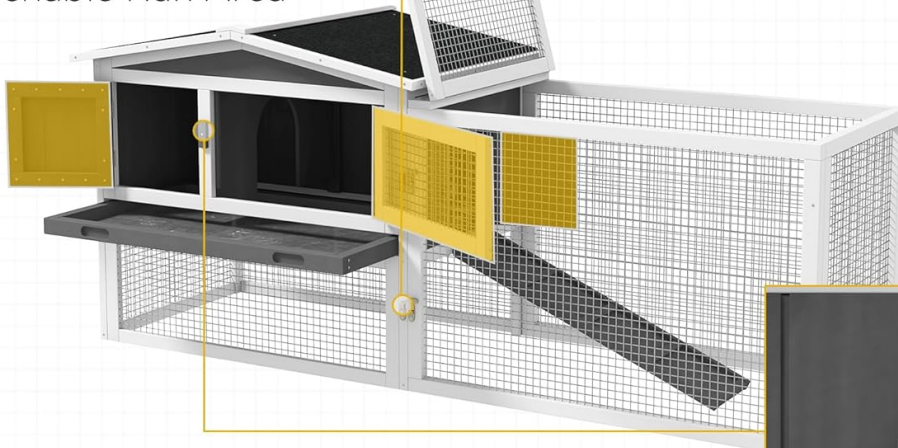

MULTIPLE ENTRANCES

Easily access to your lovely pets

Detachable Run Area

Openable Top

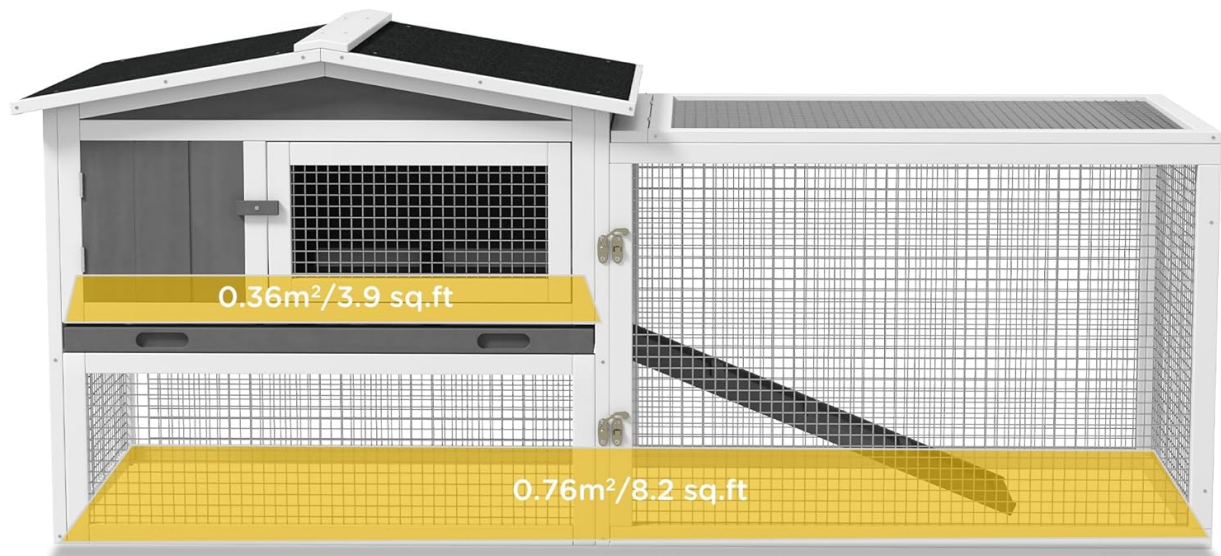

3 Lockable Doors

5. MAINTENANCE

5.1 Cleaning

The hutch is equipped with a removable pull-out tray, making routine cleaning simple and efficient. The openable roof also facilitates easy access for thorough cleaning of the interior.

5.2 Weather Resistance

Constructed from natural fir wood and coated with water-based paint, the hutch is designed to be sturdy and weather-resistant. The tilt roof provides protection against various weather elements. Regular inspection of the wood and paint finish is recommended to maintain its protective qualities.

SLIDE-OUT TRAY

Make cleaning work so much easier

Image 5: Detail of the removable slide-out tray, designed for convenient cleaning.

6. TROUBLESHOOTING

- **Loose Components:** If any parts feel loose after assembly or during use, re-tighten all screws and fasteners. Avoid over-tightening to prevent damage to the wood.
- **Cleaning Difficulties:** Ensure the pull-out tray is fully extended and clear of debris before attempting to remove it. If the roof is stiff, check for obstructions or accumulated dirt in the hinges.
- **Weather Exposure:** While weather-resistant, prolonged exposure to harsh conditions can affect the hutch's longevity. Consider repositioning or adding a protective cover during severe weather.
- **Pet Safety:** Always ensure all doors and latches are securely closed to prevent pets from escaping and to protect them from external threats.
