Delta Children Upholstered Twin Bed with Headboard

Model: BB81573GN-1603

INTRODUCTION

This instruction manual provides important information for the assembly, safe use, and maintenance of your Delta Children Upholstered Twin Bed with Headboard, Model BB81573GN-1603. Please read all instructions carefully before assembly and retain this manual for future reference.

This twin bed features a modern design with a padded, upholstered headboard and a low-profile frame. It is designed with wood slat support, eliminating the need for a box spring.

SAFETY INFORMATION

WARNING: Failure to follow these warnings and instructions could result in serious injury or death.

- Do not exceed the maximum weight capacity of **250 pounds**.
- Assemble the bed carefully and ensure all connections are secure to prevent instability.
- Be aware of the bed's low profile to avoid tripping or injury, especially for young children.
- Regularly check all bolts and fasteners to ensure they are tight. Retighten as necessary.
- Keep small parts away from children during assembly.

SETUP AND ASSEMBLY

This bed is designed for easy assembly. All necessary hardware and tools (typically an Allen key) are usually included. A screwdriver or drill may also be required for securing slats.

Included Components:

- Headboard
- Bed Frame Rails
- Wood Slats
- Hardware Pack (bolts, washers, nuts, Allen key)

Assembly Steps (General Guide):

1. Unpack all components and verify against the parts list provided in your packaging.
2. Assemble the bed frame rails according to the specific instructions included in your product packaging. Ensure all bolts are finger-tightened initially.
3. Attach the headboard to the assembled frame.
4. Once the main frame is assembled, fully tighten all bolts using the provided Allen key.
5. Place the wood slats across the bed frame and secure them. This typically involves screwing them into the side rails.

Refer to the detailed assembly instructions provided in your product packaging for step-by-step guidance specific to your bed model.

OPERATING INSTRUCTIONS

This bed is designed to accommodate a standard twin-size mattress. A box spring is not required due to the integrated wood slat support system.

- Place your twin mattress directly onto the secured wood slats.
- The low-profile design allows for easy access for children.
- Ensure the total weight on the bed, including mattress and occupant(s), does not exceed 250 pounds.

MAINTENANCE

Proper care will extend the life and appearance of your upholstered bed.

- **Cleaning:** The upholstered headboard cover is removable for cleaning. Spot clean the fabric as needed using a mild detergent and a damp cloth. Avoid harsh chemicals.
- **Frame Care:** Wipe the bed frame with a soft, dry cloth.
- **Hardware:** Periodically check all bolts and fasteners to ensure they remain tight. Re-tighten if any looseness is detected.

TROUBLESHOOTING

If you encounter any issues with your Delta Children Upholstered Twin Bed, consider the following common solutions:

- **Squeaking Noises:** Ensure all assembly bolts are securely tightened. Loose connections are a common cause of

squeaking.

- **Instability:** Re-check all connections and ensure the bed is assembled on a flat, level surface.
- **Missing Parts:** If any parts were missing upon delivery, contact Delta Children customer support immediately.

For issues not resolved by these steps, please contact customer support.
