Assembly Instructions

Your vanity desk comes with a comprehensive accessory kit and detailed instructions for assembly. Please ensure all parts are present before beginning. Follow the step-by-step guide provided in the packaging for correct and safe assembly. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

Operating the LED Mirror

The mirror features dimmable LED lights with three adjustable color temperatures to suit your preference. To operate:

- **Change Color Hue:** Short tap the touch button on the mirror to cycle through the three light colors (Cool Light, Natural Light, Warm Light).
- **Adjust Brightness:** Long press the touch button to dim or brighten the selected light color. Release when the desired brightness is achieved.
