

Nexdoo G6

Nexdoo G6 Portable 2-in-1 Garment Steamer and Travel Iron Instruction Manual

Model: G6 | Brand: Nexdoo

1. INTRODUCTION

Thank you for choosing the Nexdoo G6 Portable 2-in-1 Garment Steamer and Travel Iron. This device is designed for efficient wrinkle removal and fabric refreshing, offering both vertical steaming and flat ironing capabilities. Its compact and lightweight design makes it ideal for both home use and travel.

2. PRODUCT OVERVIEW

The Nexdoo G6 steamer combines the functionality of a garment steamer and a travel iron into one convenient unit. It is engineered for quick heat-up and continuous steam output.

Key Features:

- **Fast Heat-Up:** Reaches operating temperature in approximately 15 seconds.
- **Continuous Steam:** Provides up to 12 minutes of continuous steam.
- **Powerful Performance:** Features 900 watts of steam power for effective wrinkle removal.
- **2-in-1 Functionality:** Can be used for both vertical steaming and flat ironing.
- **Compact & Lightweight:** Weighs only 0.7 lbs (317.51 grams), making it highly portable.
- **Residue-Free Steaming:** Designed to steam clothes from any angle without leaving water residue.
- **Versatile Fabric Use:** Safe for use on various fabric types, including delicate garments.

3. SETUP

3.1 Filling the Water Tank

1. Ensure the steamer is unplugged from the power outlet.
2. Locate the water inlet cap, typically at the bottom or side of the unit.
3. Open the cap and carefully fill the water tank with clean, distilled water. Do not overfill.
4. Securely close the water inlet cap to prevent leaks.

3.2 Power Connection

1. Plug the steamer's 6-foot power cord into a standard 110V AC electrical outlet.
2. The indicator light will illuminate, signaling that the device is powered on and beginning to heat up.

4. OPERATING INSTRUCTIONS

The Nexdoo G6 steamer is ready for use in approximately 15 seconds after plugging in.

4.1 Vertical Steaming

1. Hang the garment on a hanger.
2. Hold the steamer upright, ensuring the steam plate is facing the garment.
3. Press the steam button to release steam.
4. Move the steamer slowly over the fabric, from top to bottom, allowing the steam to relax the fibers and remove wrinkles.

4.2 Flat Ironing

1. Place the garment on a flat, heat-resistant surface, such as an ironing board.
2. Press the steam button to release steam.
3. Gently press the steam plate against the fabric and glide it across the surface, similar to using a traditional iron.

Figure 3: The Nexdoo G6 Steamer offers versatile use for both flat ironing on a surface and vertical steaming of hanging clothes.

5. MAINTENANCE

5.1 After Each Use

1. Unplug the steamer from the power outlet and allow it to cool completely.
2. Empty any remaining water from the tank to prevent mineral buildup and ensure longevity.
3. Wipe the exterior of the steamer with a soft, damp cloth.

5.2 Storage

Store the steamer in a cool, dry place. The compact design allows for easy storage in small spaces or its included travel bag.

6. TROUBLESHOOTING

If you encounter any issues with your Nexdoo G6 Steamer, please refer to the following common solutions:

- **No Steam:** Ensure the water tank is filled and the steamer is properly plugged into a working outlet. Allow adequate time for heating (approx. 15 seconds).
- **Water Leaking:** Verify that the water tank cap is securely closed. Ensure the steamer is not overfilled.
- **Wrinkles Not Removing:** Move the steamer slower over the fabric. For stubborn wrinkles, use the flat ironing method.

For further assistance, please contact Nexdoo customer service.
