Fenge G04K210

Fenge 2-Tier Monitor Stand with Drawers

Model: G04K210
Brand: Fenge

1. Product Overview

The Fenge 2-Tier Monitor Stand is designed to elevate your monitor to an ergonomic height while providing extensive storage solutions to declutter your workspace. Featuring a robust wooden construction with acrylic drawers, this stand offers both durability and a sleek aesthetic. Its versatile design allows for various configurations, making it suitable for different uses beyond just a monitor stand.

Key Features:

- **Convenient Large Capacity Storage:** The monitor stand features a 2-tier drawer design for categorized storage. The left (or right) side offers an open-style compartment for easy access to items like smartphones, tablets, keyboards, and mice. The right (or left) side includes two drawers for discreet storage of items you prefer to keep out of sight. This design maximizes desk space efficiently.
- **High Load Capacity (45KG) & Excellent Stability:** Constructed from MDF for the main board and acrylic for the drawers, the stand is built for stability. It boasts a maximum load capacity of 45kg, capable of supporting two 27-inch monitors or a 50-inch TV securely.
- **Left/Right Convertible & Multi-functional:** The shelves and drawers can be interchanged between the left and right sides to suit your preference and desk layout. This versatile stand can function as a PC stand, phone stand, printer stand, or TV stand, blending seamlessly with various interior styles due to its simple yet premium design.
- **Posture Improvement & PC Work Efficiency:** Elevating your display by approximately 14cm, this stand helps align your eye level with the screen, promoting a natural and upright posture. This ergonomic improvement contributes to a healthier work style and increased productivity, especially for remote work setups.

2. Setup Instructions

The Fenge Monitor Stand requires assembly. Please follow these general steps carefully to ensure proper and stable construction.

Assembly Steps:

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify that all components and hardware listed in the included assembly guide are present.
2. **Identify Parts:** Familiarize yourself with each part, referring to the diagrams in the assembly guide.
3. **Assemble Frame:** Connect the side panels to the main shelf using the provided screws and tools. Ensure all connections are secure but do not overtighten initially.
4. **Install Drawers:** Insert the acrylic drawers into their designated slots. Ensure they slide smoothly.

5. **Final Tightening:** Once all parts are in place, gently tighten all screws to secure the structure. Avoid excessive force to prevent damage to the material.
6. **Positioning:** Place the assembled monitor stand on a flat, stable surface.

3. Operating Instructions

Using your Fenge Monitor Stand is straightforward. Follow these guidelines for optimal use and organization.

Placement and Usage:

- **Monitor Placement:** Carefully place your monitor(s) on the top surface of the stand. Ensure the weight is evenly distributed, especially if using dual monitors. The stand is designed to support up to 45kg.
- **Utilizing Storage:**
  - **Open Compartment:** Use the open shelf for items you need frequent access to, such as your smartphone, tablet, external hard drives, or a notebook.
  - **Drawers:** Store smaller office supplies, cables, or personal items in the acrylic drawers to keep your desk tidy and clutter-free.
- **Keyboard and Mouse Storage:** The space beneath the main shelf is ideal for sliding your keyboard and mouse when not in use, freeing up valuable desk space.
- **Ergonomic Benefits:** Position yourself comfortably in front of your monitor. The elevated height of the stand helps maintain a healthy posture, reducing strain on your neck and back during long work sessions.

4. Maintenance

Proper care and maintenance will extend the life and appearance of your Fenge Monitor Stand.

Cleaning and Care:

- **General Cleaning:** Wipe the surfaces with a soft, slightly damp cloth. For stubborn marks, a mild soap solution can be used, followed by wiping with a clean, dry cloth.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, strong solvents, or ammonia-based products, as these can damage the wood finish and acrylic drawers.
- **Dusting:** Regularly dust the stand with a dry, soft cloth to prevent dust buildup.
- **Liquid Spills:** Immediately wipe up any liquid spills to prevent staining or damage to the wood.
- **Stability Check:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary, but avoid overtightening.

5. Troubleshooting

If you encounter any issues with your Fenge Monitor Stand, refer to the following common problems and solutions.

Common Issues:

- **Wobbly or Unstable Stand:**
  - Ensure all screws are fully tightened.
  - Verify that the stand is placed on a flat, even surface.
  - Check if any parts were assembled incorrectly. Disassemble and reassemble if needed.
- **Drawers Not Sliding Smoothly:**
  - Ensure the drawers are inserted correctly into their tracks.
  - Check for any obstructions or debris in the drawer tracks.
- **Paint Cracking During Assembly:**
  - This can occur from overtightening screws. When assembling, tighten screws firmly but avoid excessive force.
  - If minor cracking occurs, it typically does not affect the structural integrity.
- **Stand Slides on Desk Surface:**
  - Check if anti-slip pads were included in the packaging and apply them to the bottom of the stand's feet.
  - If no pads were included or they are insufficient, consider purchasing adhesive felt pads or rubber feet to improve grip.
- **Top Board Appears Warped:**
  - Ensure the total weight placed on the stand does not exceed the maximum load capacity of 45kg.
  - Distribute weight evenly across the surface.
- **Missing or Damaged Parts:**
  - If any parts are missing or damaged upon arrival, please contact Fenge customer support immediately for assistance.

6. Specifications

Detailed specifications for the Fenge 2-Tier Monitor Stand.

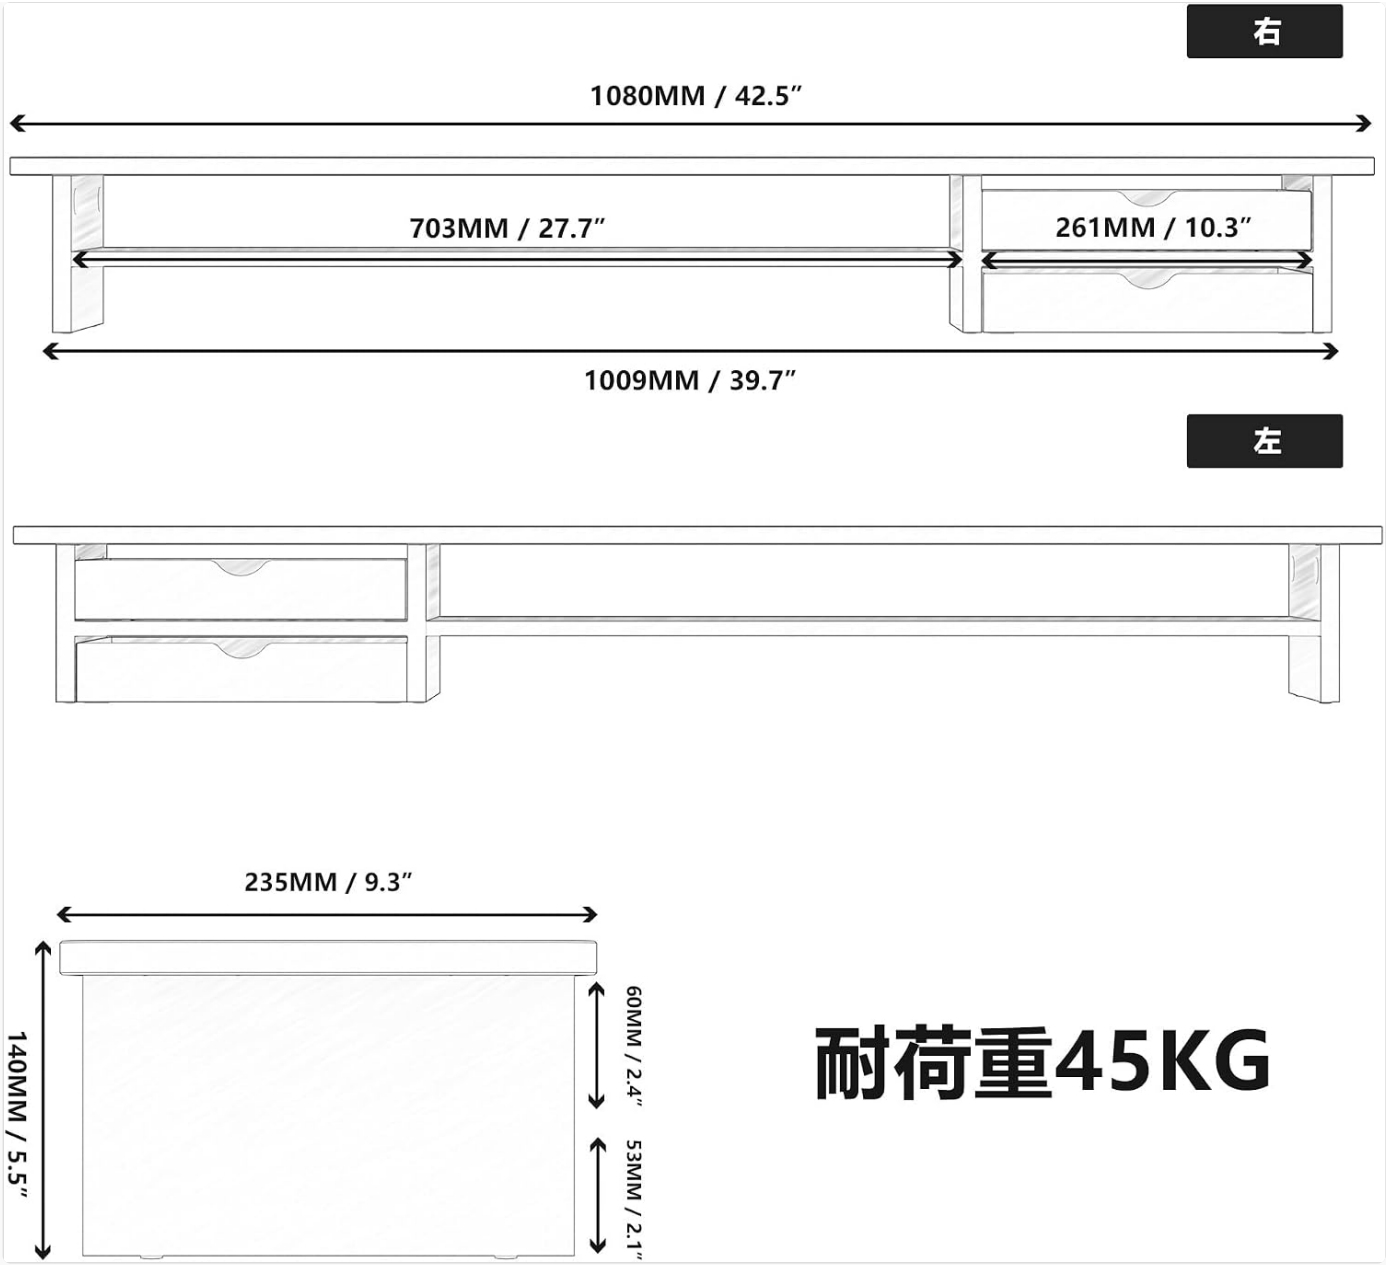

Image: A technical diagram illustrating the precise dimensions of the monitor stand.

Feature	Detail
Product Dimensions (LxWxH)	108 x 23.5 x 14 cm
