### 3. KEY FEATURES

- **Strong Magnetic Attachment:** Powerful magnets ensure a secure connection between the case and your tablet. This design allows for easy attachment and removal while maintaining a firm hold.
- **Supports Pencil Pro and Pencil (USB-C):** The case features a recessed side groove for magnetic charging of your Apple Pencil and a magnetic clasp to keep it securely in place.
- **Slim Trifold Stand:** The front cover can be folded into a stable trifold stand, offering multiple viewing angles for various activities such as watching videos, typing, or drawing.
- **Durable Construction:** Crafted with high-quality materials, the case is designed for prolonged use, maintaining its appearance and protective qualities over time.
- **Lightweight Design:** The case maintains a slim and lightweight profile, enhancing portability without adding unnecessary bulk to your iPad.
- **Auto Sleep/Wake Functionality:** The case automatically puts your iPad to sleep when closed and wakes it up when opened, conserving battery life.
- **Scratch Protection:** The scratch-resistant cover helps protect your iPad screen from daily wear and tear.

### 4. SETUP AND INSTALLATION

1. **Attaching the Case:** Align your iPad Pro 11-inch with the back panel of the case. The strong magnets will automatically snap the iPad into place, ensuring a secure fit.
2. **Securing the Apple Pencil:** Place your Apple Pencil into the designated side groove. The magnetic clasp on the case will fold over to secure the pencil, allowing for charging and preventing loss.

## 5. OPERATING INSTRUCTIONS

- **Using the Trifold Stand:** Fold the front cover into a triangular stand. This allows for two stable viewing angles: an upright position for media consumption and a lower angle ideal for typing or drawing.
- **Auto Sleep/Wake:** Simply close the front cover to put your iPad into sleep mode. Open the cover to instantly wake your iPad.
- **Pencil Storage and Charging:** The magnetic clasp keeps your Apple Pencil secure. Ensure the pencil is placed in the side groove for magnetic charging when not in use.

## 6. MAINTENANCE

To maintain the quality and longevity of your ESR Rebound Series Magnetic Case, follow these guidelines:

- **Cleaning:** Wipe the case regularly with a soft, damp cloth to remove dust and smudges. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the case in a cool, dry place away from direct sunlight and extreme temperatures when not in use.
- **Avoid Sharp Objects:** While the case offers scratch protection, avoid contact with sharp objects to prevent damage to the surface.

## 7. TROUBLESHOOTING

### 7.1. Incorrect Size or Fit Issues

If your case does not fit your iPad Pro 11-inch (M5/M4) or if you received the wrong size, please verify your iPad model number against the compatibility section (Section 2). If the issue persists, contact customer support for assistance.

Video 7.1: Instructions on how to address incorrect size or fit issues with your ESR product, including steps to contact the seller for a replacement without returning the item.

### 7.2. Magnetic Attachment Not Strong Enough

Ensure that your iPad is clean and free of debris on the back surface, as this can interfere with the magnetic connection. Verify that the case is correctly aligned with the iPad's magnetic points. If the issue continues, the magnetic strength may be compromised, and you should contact customer support.

### 7.3. Auto Sleep/Wake Not Functioning

Check that the case cover is fully closing and making proper contact with the iPad screen. Ensure there are no obstructions preventing the cover from lying flat. If the problem persists, contact customer support.
