PRODUCT DESCRIPTION

The Atvio 32-inch HD Smart LED TV ATV-32SMR offers a high-quality viewing experience with its HD technology. This Smart TV features a sleek design that seamlessly integrates into any home environment. Equipped with two HDMI ports, it allows for easy connection of various external devices such as video game consoles, Blu-Ray players, or computers, enhancing your entertainment options.

SETUP GUIDE

1. Unpacking and Inspection

Carefully remove the TV from its packaging. Inspect the TV and all included accessories for any signs of damage. Ensure all components listed in the user manual are present.

2. Attaching the Stand or Wall Mounting

For Stand Installation:

1. Place the TV screen-down on a soft, flat surface to prevent scratches.
2. Align the TV stand(s) with the mounting holes on the bottom of the TV.
3. Secure the stand(s) using the provided screws. Do not overtighten.

For Wall Mounting:

This TV supports VESA mounting standard 40 x 40 mm. A wall mount bracket is not included and must be purchased separately. Follow the instructions provided with your wall mount bracket. Ensure the wall can support the weight of the TV and the mount.

Image: Rear view of the TV, highlighting the VESA mounting points and connectivity ports.

3. Connecting Power

Plug the power cord into the TV's power input, then plug the other end into a standard electrical outlet.

4. Initial Setup

Upon first power-on, the TV will guide you through the initial setup process. This typically includes:

- Language selection.
- Network connection (Wi-Fi).
- Channel scanning (if connecting to an antenna/cable).
- Roku OS account setup (for Smart TV features).

OPERATING INSTRUCTIONS

1. Power On/Off

Press the **Power** button on the remote control or on the TV itself to turn the TV on or off.

2. Using the Remote Control

The included remote control allows you to navigate menus, adjust volume, change channels, and access Smart TV applications. Familiarize yourself with the button layout for optimal use.

3. Navigating Smart TV (Roku OS)

This TV runs on Roku OS. Use the directional pad and OK button on your remote to navigate the home screen, access streaming channels, and manage settings. Ensure your TV is connected to Wi-Fi for full Smart TV functionality.

4. Connecting External Devices via HDMI

The TV has two HDMI ports. To connect an external device:

1. Connect an HDMI cable from your device (e.g., game console, Blu-Ray player) to an HDMI port on the TV.
2. Press the **Input** or **Source** button on your remote control.
3. Select the corresponding HDMI input (e.g., HDMI 1, HDMI 2) from the on-screen menu.

5. Wi-Fi Connectivity

To connect to Wi-Fi, go to the TV's settings menu, select 'Network', and follow the prompts to connect to your home wireless network.

MAINTENANCE

1. Cleaning the Screen

Gently wipe the screen with a soft, dry, lint-free cloth. For stubborn marks, slightly dampen the cloth with water or a specialized screen cleaner. Never spray liquid directly onto the screen.

2. General Care

- Avoid placing the TV in direct sunlight or near heat sources.
- Ensure adequate ventilation around the TV.
- Do not block ventilation openings.
- Unplug the TV during lightning storms or when unused for extended periods.

TROUBLESHOOTING

No Power

- Check if the power cord is securely plugged into both the TV and the electrical outlet.
- Verify that the outlet is working by plugging in another device.
- Try pressing the power button on the TV itself, not just the remote.

No Picture or Sound

- Ensure the correct input source is selected (e.g., HDMI 1, TV).
- Check all cable connections between the TV and external devices.
- Adjust the volume and ensure the TV is not muted.

Network Connection Issues

- Restart your router and modem.
- Go to the TV's network settings and try reconnecting to Wi-Fi.
- Ensure the Wi-Fi password is entered correctly.

Remote Control Not Working

- Replace the batteries in the remote control.
- Ensure there are no obstructions between the remote and the TV's IR sensor.
- Point the remote directly at the TV.

Answered questions about this manual

How do I connect an Aiwa soundbar to an Atvio ATV-32SMR TV via Bluetooth?

Based on the specifications for the Atvio ATV-32SMR, the TV features Wi-Fi and HDMI connectivity but does not explicitly list built-in Bluetooth support for audio output. To connect your Aiwa soundbar, please follow these...
