AODK L-Shaped Gaming Desk User Manual

Model: USBzjscgDDD

1. PRODUCT OVERVIEW

The AODK L-Shaped Gaming Desk is a versatile and ergonomic solution designed for both gaming and home office environments. It features an integrated LED strip with multiple color and brightness modes, a convenient power strip with AC outlets and USB ports, and ample storage options including fabric drawers, open shelves, and dedicated stands for monitors, PCs, and printers. Its reversible design allows for four different installation configurations to adapt to various room layouts and user preferences.

2. SAFETY INFORMATION

Please read and understand all safety instructions before assembling and using this product. Failure to follow these instructions may result in injury or damage to the product.

- Always assemble the desk according to the instructions provided in this manual.
- Keep the desk away from direct heat sources, open flames, and excessive moisture.
- Never leave the power strip unattended while in use, especially when charging devices.
- Be cautious of the LED strip; while designed for safety, prolonged direct contact during operation may cause discomfort due to minor heat emission.
- Ensure all electrical connections are secure and follow proper safety precautions when handling electrical components.
- Do not overload the desk or its shelves beyond their stated weight capacities.

3. PACKAGE CONTENTS

6. MAINTENANCE

To ensure the longevity and appearance of your AODK L-Shaped Gaming Desk, follow these simple maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the desk material.
- **Hardware:** Periodically check and tighten all screws and bolts to ensure the desk remains stable and secure.
- **Fabric Drawers:** The fabric drawers can be spot cleaned with a mild detergent and water. Allow them to air dry completely before reinserting.
- **Electrical Components:** Keep the power strip and LED strip free from dust and debris. Do not attempt to disassemble or repair electrical components yourself.

7. TROUBLESHOOTING

If you encounter any issues with your AODK L-Shaped Gaming Desk, please refer to the common problems and solutions below. If the issue persists, contact customer support.

Problem	Possible Cause	Solution
Desk feels wobbly or unstable.	Loose screws or uneven floor.	Ensure all assembly screws are tightened. Adjust the leveling feet on the desk legs if your floor is uneven.
LED strip is not lighting up.	Power connection issue or faulty strip.	Check if the LED strip is securely plugged into the power source. Ensure the power strip is receiving power. If still not working, contact support.
Power outlets/USB ports not working.	Power strip not connected or tripped circuit.	Verify the desk's main power cord is fully plugged into a working wall outlet. Check your home's circuit breaker. Avoid overloading the power strip.
Holes do not align during assembly.	Incorrect orientation of parts or minor manufacturing variance.	Double-check the orientation of the parts against the instruction diagrams. Sometimes, slightly loosening other screws allows for minor adjustments before tightening everything down. Do not force parts.
Missing or damaged parts upon delivery.	Shipping damage or packaging error.	Do not proceed with assembly. Contact AODK customer support immediately with your order details and a description of the issue.
