› YHTAUTO 4-inch Nerf Bars Instruction Manual for Chevy/GMC Silverado/Sierra Regular Cab

YHTAUTO YHTSBAR0246

YHTAUTO 4-inch Nerf Bars Instruction Manual

For Chevrolet Silverado and GMC Sierra Regular Cab Models

1. PRODUCT OVERVIEW

The YHTAUTO 4-inch Nerf Bars are designed to provide a convenient and secure step for entering and exiting your truck. Constructed from high-quality steel with a semi-gloss black powder coating, these side steps offer durability and resistance to various environmental factors.

Compatibility

These nerf bars are specifically designed for **Regular Cab (2 Full-Size Doors)** models only. They are not compatible with Crew Cab, Extended Cab, or Classic models.

- **Compatible with Chevrolet Models:**

- Silverado 1500: 2007-2018
- Silverado 2500: 2007-2017
- Silverado 2500 HD: 2007-2018
- Silverado 3500: 2007-2010
- Silverado 3500 HD: 2007-2018

- **Compatible with GMC Models:**

- Sierra 1500: 2007-2018
- Sierra 2500 HD: 2007-2018
- Sierra 3500 HD: 2007-2018

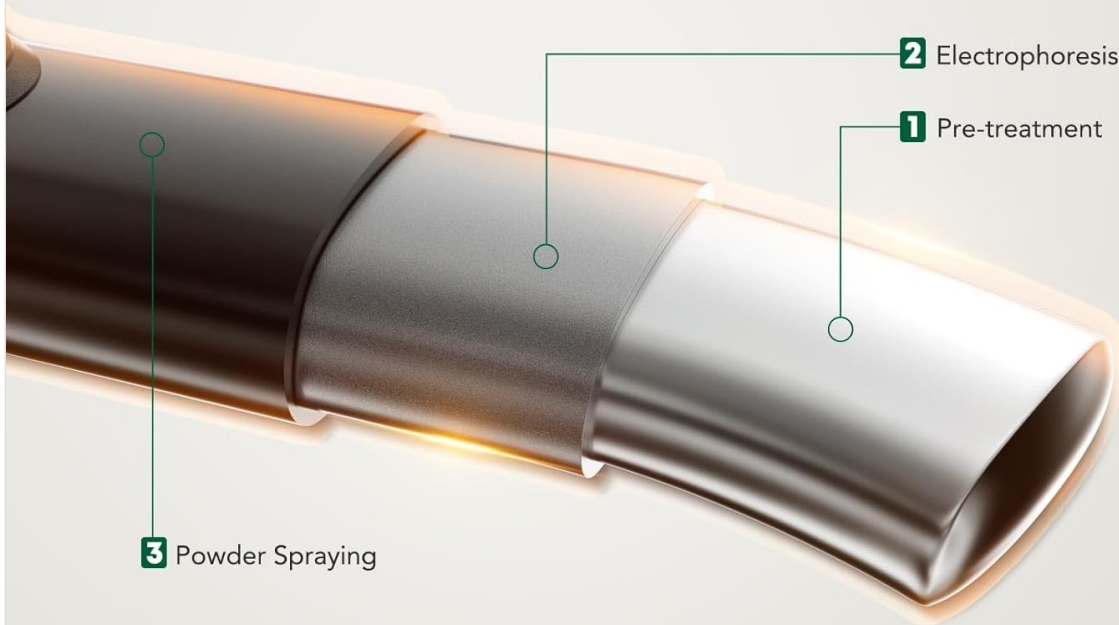

Key Features

- **Material:** High-quality alloy steel construction.
- **Finish:** Semi-gloss black powder coating for enhanced durability and corrosion resistance.
- **Step Width:** 4 inches, providing a secure footing.

- **Step Pads:** Injection-molded polymer pads with grooves and textures for superior slip resistance.
- **Durability:** Features E-coating technology, UV protection, rustproof coating, scratch resistance, stain-proof, and colorfast properties.
- **Weight Capacity:** Tested to withstand over 400 lbs (181 kg) in dynamic trials.

2. SAFETY INFORMATION

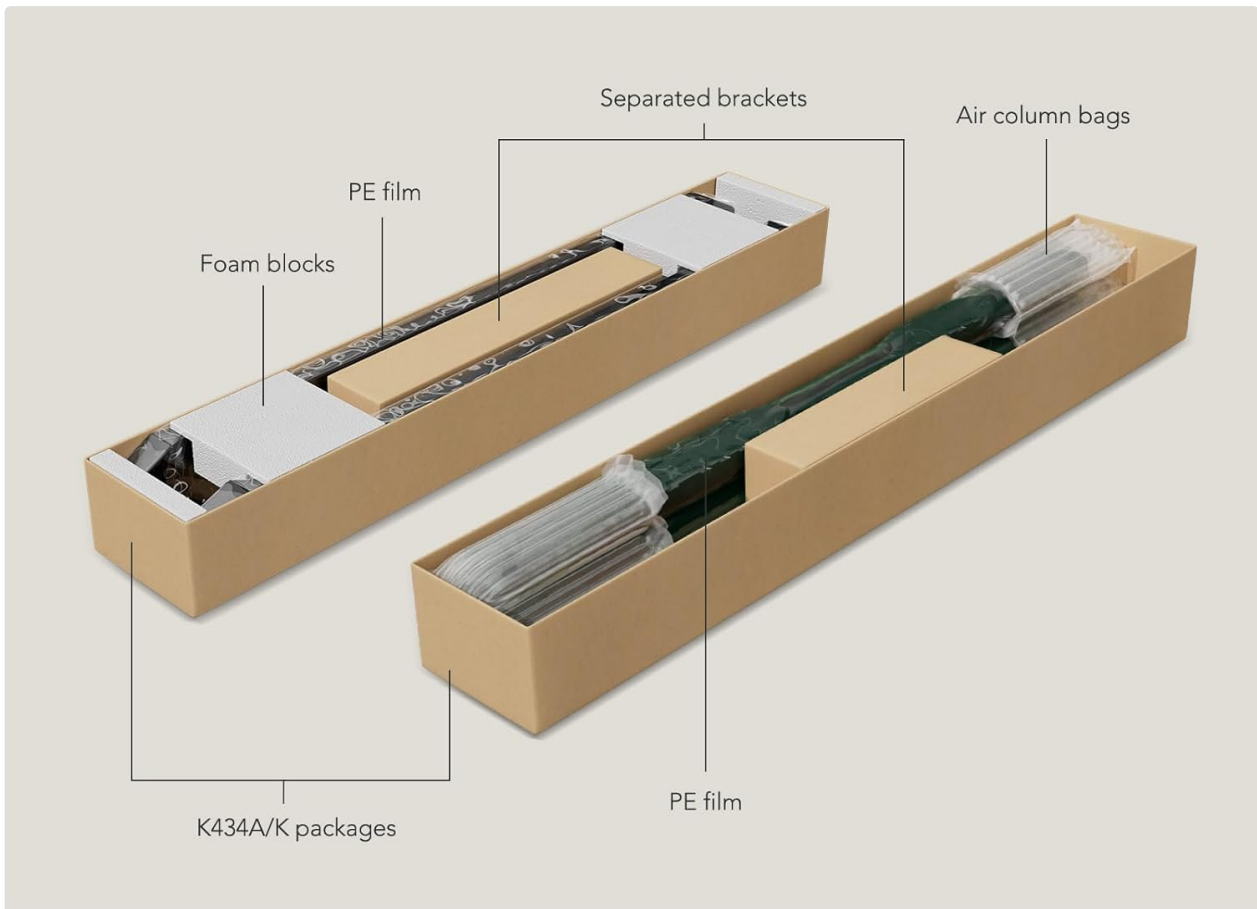

Please read and understand all safety instructions before installation and use. Failure to follow these instructions may result in injury or damage to the product or vehicle.

- Always ensure the nerf bars are securely installed before use.
- Do not exceed the maximum weight capacity of 400 lbs (181 kg) per step.
- Regularly inspect the nerf bars and mounting hardware for any signs of wear, damage, or looseness.
- Keep hands and feet clear of moving parts during installation.
- Use appropriate personal protective equipment (PPE) during installation, such as gloves and eye protection.

3. PACKAGE CONTENTS

Verify that all components are present and undamaged before beginning installation. If any parts are missing or damaged, contact customer support immediately.

- 2 x 4-inch Oval Nerf Bars (Driver and Passenger Side)
- Mounting Brackets (Vehicle-specific)
- Complete Mounting Hardware Kit

4. SETUP / INSTALLATION

Installation of the YHTAUTO Nerf Bars is designed to be straightforward. Refer to the detailed installation instructions included in your package for specific steps and diagrams. The general process involves mounting to the rocker panel.

General Installation Steps:

1. **Preparation:** Park the vehicle on a level surface and engage the parking brake. Gather all tools required (not included).
2. **Identify Components:** Separate the driver and passenger side nerf bars, brackets, and hardware.
3. **Attach Brackets:** Secure the mounting brackets to the vehicle's rocker panel using the provided

hardware. Do not fully tighten at this stage.

4. **Position Nerf Bars:** Carefully lift and attach the nerf bars to the installed brackets. Ensure proper alignment.
5. **Adjust and Tighten:** Adjust the position of the nerf bars for optimal fit and appearance. Once satisfied, fully tighten all hardware according to the torque specifications in the included instructions.
6. **Final Check:** Verify that all bolts are securely tightened and the nerf bars are stable.

For detailed, step-by-step instructions and diagrams, please consult the installation guide provided in your product package. Professional installation is recommended if you are unsure about any steps.

5. OPERATING INSTRUCTIONS

The YHTAUTO Nerf Bars are designed to facilitate safe and easy entry and exit from your truck. Simply use the 4-inch wide step surface to assist yourself.

- Step onto the injection-molded polymer pads, which provide excellent traction even in wet or slippery conditions.
- Ensure your footing is secure before applying full weight.
- The steps are designed to support individuals up to 400 lbs (181 kg).

6. MAINTENANCE

Proper maintenance will ensure the longevity and appearance of your YHTAUTO Nerf Bars.

- **Cleaning:** Clean the nerf bars regularly with mild soap and water. Avoid abrasive cleaners, harsh chemicals, or solvents that could damage the powder coating or polymer pads. Rinse thoroughly with clean water.
- **Inspection:** Periodically inspect all mounting hardware for tightness. Re-tighten any loose bolts to prevent rattling or instability. Check the nerf bars for any signs of damage, corrosion, or excessive wear on the step pads.
- **Protection:** The semi-gloss black powder coating is designed to resist chips, abrasions, oil, and chemicals, making them suitable for various climates and terrains.

7. TROUBLESHOOTING

If you encounter any issues with your YHTAUTO Nerf Bars, refer to the following common troubleshooting tips:

- **Loose Fit or Rattling:** This is typically caused by loose mounting hardware. Re-inspect and re-tighten all bolts and nuts securing the brackets to the vehicle and the nerf bars to the brackets.
- **Difficulty Installing:** Ensure you have the correct nerf bars for your vehicle's specific make, model, and cab type (Regular Cab only). Double-check that all components are oriented correctly as per the installation instructions. If issues persist, consider professional installation.
- **Unusual Noise:** Check for any contact points between the nerf bars and other vehicle components. Ensure all hardware is tight and there are no loose parts.
- **Damaged or Missing Parts:** If you received damaged or missing components, contact YHTAUTO customer support immediately for assistance.

8. SPECIFICATIONS

Specification	Detail
Brand	YHTAUTO
Model Number	YHTSBAR0246 (4" Side step bars)
Material	Alloy Steel, ABS Plastic (for step pads)
Color	Black (Semi-Gloss Black)
Step Width	4 inches
Shape	Oval Straight
Mounting Method	Rocker Panel Mount
Product Weight	13.2 kg (29.1 lbs)
Package Dimensions	144.5 x 46 x 10.49 cm (56.9 x 18.1 x 4.1 inches)
Automotive Service Type	Truck
