1. IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before assembly and use. Retain this manual for future reference.

- **Weight Capacity:** The bed frame supports a maximum static weight of 1000 lbs. When lifting the mattress platform, ensure the mattress weight does not exceed 160 lbs.
- **Assembly:** Two adults are recommended for assembly. Follow the detailed installation manual provided with the product.
- **Lift-Up Mechanism:** Exercise caution when operating the hydraulic lift-up mechanism to prevent injury. Keep hands and fingers clear of moving parts.
- **Stability:** Ensure all bolts and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- **Electrical Components:** Do not overload the charging station. Use only with compatible devices and cables. Disconnect power during cleaning or if any electrical issues occur.

2. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, contact customer support.

- Headboard (Linen Upholstered with LED lights and Charging Station)
- Bed Frame Components (Side rails, footboard, support beams)
- Wooden Slats
- Hydraulic Lift Mechanism
- Hardware Pack (bolts, screws, washers, Allen wrench)
- Installation Manual
- LED Light Remote Control

3. SETUP AND ASSEMBLY

This bed frame requires multi-step self-assembly. Please refer to the dedicated Installation Manual included in your package for detailed, step-by-step instructions and diagrams. Ensure you have adequate space and a second person to assist with heavier components.

Key Assembly Points:

- **Unpacking:** Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches.
- **Hardware Identification:** Match all hardware to the labels in the instruction manual.
- **Frame Construction:** Assemble the main bed frame structure first, ensuring all connections are firm.
- **Hydraulic Mechanism:** Install the hydraulic lift mechanism according to the manual. Note that the hydraulic arms may be stiff initially, especially without the mattress weight.
- **Slat Installation:** Securely attach the wooden slats to the frame. The design ensures a noise-free experience and eliminates the need for a box spring.

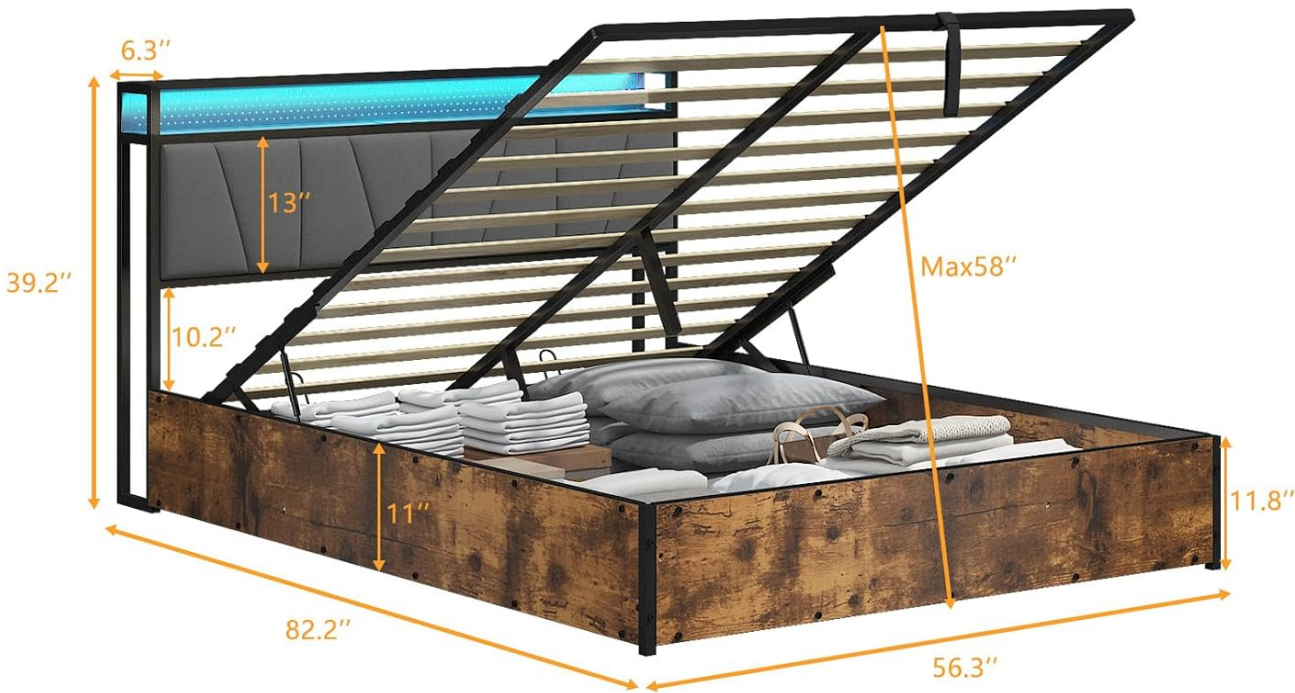

- **Headboard Attachment:** Connect the headboard, which includes the LED lighting and charging station, to the main frame.

4. OPERATING INSTRUCTIONS

4.1. LED Lights

The integrated RGB LED light strip offers extensive customization for your bedroom ambiance.

- **Control Options:** The LED lights can be controlled via the included remote, a wired control, or a dedicated smartphone application (iOS/Android).
- **Color Selection:** Choose from over 60,000 static color options.
- **Dynamic Modes:** Explore various dynamic lighting modes, including music sync and mic mode, to create a personalized atmosphere.
- **Timing Function:** Set schedules for the lights to turn on or off automatically.

4.2. Charging Station

The headboard features a built-in charging station for convenience.

- **Ports:** Includes 2 AC outlets (125V/12A), 1 USB port (5V/2A), and 1 Type-C port.
- **Usage:** Connect your mobile phones, tablets, laptops, and other electronic devices for charging.
- **Power Cord:** The charging station is powered by a 6.5-foot power cord.

4.3. Lift-Up Storage Mechanism

The hydraulic lift-up bed board provides easy access to ample under-bed storage.

- **Operation:** To access storage, gently lift the mattress platform from the foot end. The hydraulic mechanism will assist in raising and holding the platform securely.
- **Closing:** To close, gently push the mattress platform down until it fully lowers.
- **Non-Slip Holder:** An integrated non-slip mattress holder prevents the mattress from sliding when the platform is lifted.
- **Storage Capacity:** Ideal for storing suitcases, storage bags, seasonal bedding, and clothes.

5. MAINTENANCE

5.1. Cleaning

- **Upholstered Headboard:** Gently vacuum the linen upholstered headboard to remove dust. For spills, dab with a clean, damp cloth and mild soap, then blot dry. Avoid harsh chemicals.
- **Frame:** Wipe the wooden and metal frame components with a soft, dry or slightly damp cloth.
- **LED Lights:** Ensure the LED strip and remote are kept dry and free from dust.

5.2. Inspection

- **Fasteners:** Periodically check all bolts and screws to ensure they remain tight. Re-tighten as needed to maintain

stability and prevent noise.

- **Hydraulic Mechanism:** Inspect the hydraulic arms for any signs of wear or damage. Ensure they operate smoothly.
- **Electrical Connections:** Verify that the power cord for the charging station and LED lights is securely plugged in and free from damage.

6. TROUBLESHOOTING

Problem	Possible Cause	Solution
LED lights not working	Power disconnected; Remote battery low; App not connected.	Check power cord connection. Replace remote battery. Re-pair app with lights.
Charging station not providing power	Power cord disconnected; Device/cable incompatibility; Overload.	Ensure power cord is fully plugged in. Try a different device or charging cable. Avoid connecting too many high-power devices simultaneously.
Lift-up mechanism difficult to operate or not staying up	Mattress too heavy; Obstruction; Hydraulic arms require breaking in.	Ensure mattress weight is within the 160 lbs lifting capacity. Check for any items obstructing the mechanism. Hydraulic arms may be stiff initially; repeated use will ease operation.
Bed frame is noisy or wobbly	Loose fasteners.	Inspect and re-tighten all bolts and screws on the frame.

7. SPECIFICATIONS

- **Model:** BMB013
- **Size:** Full
- **Product Dimensions (L x W x H):** 82.2" x 56.3" x 39.2"
