vidaXL Soft Washable Short Pile Rug - Instruction Manual

Model: 375061

INTRODUCTION

This manual provides essential information for the proper setup, use, care, and maintenance of your vidaXL Soft Washable Short Pile Rug. Please read these instructions carefully before using the product to ensure its longevity and your satisfaction.

This soft rug is designed to add warmth and texture to your indoor living space. It features a modern aesthetic with a comfortable, warm feel.

SAFETY INFORMATION

- The rug is made from 100% polyester and has been tested for harmful substances according to OEKO-TEX Standard 100, ensuring it is safe for your home environment.
- The rug features a non-slip backing to help prevent accidental slips and ensure it stays securely in place on various floor types.
- Ensure the rug is placed on a clean, dry surface to maximize the effectiveness of the non-slip backing.

SETUP AND INITIAL PLACEMENT

Your rug is folded in a box for convenient transport. Upon unpacking, it is normal for the rug to have creases or not lie perfectly flat. Follow these steps for initial setup:

1. **Unpack:** Carefully remove the rug from its packaging.
2. **Unroll and Flatten:** Unroll the rug and lay it flat in your desired location. Allow some time for the rug to naturally straighten and flatten. This may take a few days. You can expedite this process by gently rolling it in the opposite direction or placing heavy, flat objects on the corners for a short period.
3. **Positioning:** Place the rug in your chosen indoor space. The non-slip backing will help keep it in

position.

CARE AND MAINTENANCE

Proper care will help maintain the appearance and extend the life of your rug.

- **Regular Cleaning:** Vacuum the rug regularly to remove dust and loose debris.
- **Machine Washing:** This rug is machine washable at 30 degrees Celsius (86 degrees Fahrenheit). Use a gentle cycle with mild detergent. Do not bleach.
- **Drying:** Air dry the rug flat or hang it to dry. Avoid direct sunlight. Do not tumble dry.
- **Spot Cleaning:** For small spills, blot immediately with a clean, damp cloth. Avoid rubbing, which can spread the stain.

STORAGE

When not in use or for transport, the rug is foldable and can be rolled up for easy storage. Ensure the rug is clean and dry before folding or rolling to prevent mildew or damage.

TROUBLESHOOTING

- **Creases/Wrinkles:** If the rug retains creases after unpacking, allow it more time to settle. You can also gently roll it in the opposite direction or place heavy, flat objects on the affected areas overnight.
- **Slipping:** Ensure the floor surface beneath the rug is clean and dry. If slipping persists, consider using an additional rug gripper for extra security.
- **Shedding:** Minor shedding may occur initially, especially with new rugs. Regular vacuuming will help reduce this over time.
