## amseatec LY-5067-BLACK

# amseatec Office Chair Instruction Manual

Model: LY-5067-BLACK
Brand: amseatec

## 1. Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your new amseatec Big and Tall Office Chair. Designed for extended sitting, this ergonomic chair features lumbar support, a headrest, and an adjustable footrest to enhance comfort and productivity in various settings, including home offices, corporate environments, and gaming setups. Please read this manual thoroughly before assembly and use to ensure proper function and safety.

## 2. Safety Information

To prevent injury and ensure the longevity of your chair, please adhere to the following safety guidelines:

- Do not exceed the maximum weight recommendation of 400 pounds. Exceeding this limit can compromise the chair's stability and structural integrity.
- Ensure all components are properly adjusted and tightened before use. Instability can result from improperly adjusted parts.
- Exercise caution when assembling or adjusting the chair, as moving parts may cause injury. Keep hands and fingers clear of pinch points.
- Avoid standing on the chair or using it as a step stool.
- Do not use the chair on uneven surfaces.
- Keep children and pets away from the chair during assembly.

## 3. Product Overview and Features

The amseatec Office Chair is engineered for superior comfort and durability, incorporating several key features:

- **Superior Comfort:** Features lumbar support and a headrest designed to align with your waist and neck. The upgraded sponge cushion includes 20 independent spring packs for balanced support and comfort during long hours.
- **Modern and Stylish Design:** Constructed from high-quality PU leather, offering a waterproof, wear-resistant, and easy-to-clean surface. Its sleek appearance is suitable for various environments.
- **Reclining and Adjustable:** The backrest can be adjusted from 90° (work mode) to 135° (rest/sleep mode). The seat height is adjustable, and a retractable footrest allows for full body extension and relaxation.

- **Durable Construction:** Equipped with five durable castors that rotate 360° for smooth, silent movement across different floor types. The chair features a safety-upgraded thickened mechanism (2.5mm thick steel) and a height adjustment range of 4 inches.
- **Advanced Cushioning:** Utilizes a 4-layer thickened soft and sturdy cushion structure, including premium PU leather, high-quality sponge, quiet spring packs, and sturdy planks, ensuring zero deformation after long-term use.

## 4. Setup and Assembly

Assembly of the amseatec Office Chair is designed to be straightforward. All necessary tools and detailed instructions are included in the packaging. Typical assembly time is approximately 30 minutes.

### 4.1 Assembly Steps

1. Unpack all components and verify against the parts list provided in the instruction manual.
2. Attach the casters to the chair base.
3. Insert the gas lift cylinder into the center of the base.
4. Assemble the seat and backrest components according to the diagrams.
5. Attach the armrests and footrest mechanism.
6. Connect the assembled seat and backrest to the gas lift and base.

7. Ensure all screws and bolts are securely tightened.

For visual guidance, an installation video is available on the product page where you purchased the chair. Refer to this video for a step-by-step assembly demonstration.

## 5. Operating Instructions

Your amseatec Office Chair offers multiple adjustment options for personalized comfort:

- **Seat Height Adjustment:** Locate the lever on the right side beneath the seat. Lift the lever to raise the seat; remain seated and lift the lever to lower the seat. Release the lever at the desired height. The chair offers 10 height positions with a 4-inch adjustment range.
- **Backrest Recline Adjustment:** Use the lever on the left side beneath the seat. Pull the lever up to unlock the backrest, allowing it to recline. Push the lever down to lock the backrest at any desired angle between 90° and 135°.
- **Footrest Operation:** The retractable footrest is located beneath the seat. Pull it out when desired for leg support and push it back in when not in use. Ensure the footrest is fully extended and stable before placing weight on it.
- **Swivel Function:** The chair features a 360° swivel function for easy movement and access to your workspace.

Figure 5.2: Comfy Chair with Footrest, illustrating its design for various comfortable postures during home use.

## 6. Maintenance

Proper maintenance will extend the life and appearance of your amseatec Office Chair:

- **Cleaning:** Wipe clean the PU leather surfaces with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or solvents, as these can damage the material.
- **Regular Inspection:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten if necessary to maintain stability and safety.
- **Caster Care:** Keep the casters free of hair, dust, and debris to ensure smooth movement.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause the PU leather to fade or crack.

## 7. Troubleshooting

If you encounter any issues with your amseatec Office Chair, consider the following common solutions:

- **Chair Wobbles:** Ensure all assembly screws are fully tightened. Check that the chair is on a flat, even surface.
- **Gas Lift Not Functioning:** Verify that the gas lift lever is correctly engaged. If the issue persists, the gas lift cylinder may need replacement.
- **Casters Not Rolling Smoothly:** Inspect casters for trapped debris (hair, lint, etc.) and clean them thoroughly. Ensure the floor surface is clear.
- **Backrest Not Reclining/Locking:** Check the recline lock lever. Ensure it is in the correct position for reclining or locking.

If these steps do not resolve the issue, please contact amseatec customer support for further assistance.

## 8. Specifications

| Feature | Specification |
|---|---|
| Brand | amseatec |
| Model Name | 5067 |
| Item Model Number | LY-5067-BLACK |
| Color | Black |
