Bestier H103

Bestier 51" L-Shaped Gaming Desk Instruction Manual

Model: H103

Introduction

Thank you for choosing the Bestier 51" L-Shaped Gaming Desk. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure you get the most out of your new desk. Please read this manual thoroughly before beginning assembly or use.

Safety Information

Important Safety Precautions:

- Ensure stability during assembly. Do not overtighten screws.
- Adhere to all weight limits specified for each section of the desk to prevent damage or injury.
- Use proper anchoring techniques if required, especially if placing heavy equipment on the hutch or shelves.
- Keep all small parts and packaging materials away from children and pets to prevent choking hazards.
- Do not stand or sit on the desk.

Package Contents

Before assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact Bestier customer support.

- Desk Panels (L-shaped desktop, hutch, shelves)
- Metal Frame Components
- Power Outlet & USB Hub
- LED Light Strip
- Headphone Hook
- Foldable Cup Holder
- Adjustable Foot Pads
- Assembly Hardware (screws, bolts, tools)
- Instruction Manual

Setup and Assembly

The Bestier L-shaped gaming desk is designed for straightforward assembly, though it may take approximately 1 to 1.5 hours. All accessories are marked with numeric symbols to correspond with the detailed instructions provided in the included manual. Follow the step-by-step guide carefully.

Configurable Design

This desk offers four different configurations (A, B, C, D) to best fit your room layout and personal preference. Review the assembly instruction diagrams to choose the optimal setup for your space.

Key Features Integration

- **Power Outlets & USB Ports:** The desk includes a built-in power strip with 2 AC outlets and 2 USB charging ports. This unit is integrated into the desktop for convenient access. Ensure the main power cord is plugged into a wall outlet after assembly.
- **LED Lights:** The integrated dynamic LED lighting strip is designed to enhance your gaming atmosphere. It connects via USB to the built-in power hub.
- **Headphone Hook & Cup Holder:** Both the headphone hook and foldable cup holder are designed for flexible placement. They can be attached to various pre-drilled holes on the desk frame, allowing you to customize their position based on your needs.
- **Adjustable Foot Pads:** The desk is equipped with adjustable foot pads to ensure rock-solid stability, even on uneven floors. Adjust them by twisting until the desk is level and stable.

- **4-Tier Shelves:** The desk features versatile 4-tiered storage. The wire shelf can be adjusted up or down to accommodate different items, or angled for easier access.

Operating Instructions

Using Power Outlets and USB Ports

Once the desk is fully assembled and the main power cord is plugged into a wall outlet, the 2 AC outlets and 2 USB ports on the desktop are ready for use. Simply plug in your devices such as phones, speakers, headphones, or gaming accessories for convenient charging and power.

Operating LED Lights

The LED light strip offers 7 color options and 22 dynamic modes. The control panel for the LED lights is typically located on the light strip itself or via a remote control (if included). Refer to the specific LED light instructions for detailed operation of color changes, brightness adjustments, and mode selections.

Maintenance

To maintain the appearance and longevity of your Bestier Gaming Desk, follow these simple care instructions:

- **Cleaning:** Wipe the desk surfaces with a dry cloth. Avoid using harsh chemicals or abrasive cleaners, as they may damage the finish.
- **Spills:** Immediately wipe up any spills to prevent water damage or staining.
- **Hardware:** Periodically check all screws and bolts to ensure they remain tight. Retighten if necessary to maintain stability.

Troubleshooting

Problem	Possible Cause	Solution
Desk is wobbly/unstable	Uneven floor; loose screws; incorrect assembly	Adjust foot pads; tighten all screws; re-check assembly steps.
LED lights not working	Not plugged in; faulty connection; power outage	Ensure USB is securely plugged into the hub and the main power cord is connected to a live outlet. Check LED light strip for damage.
Power outlets/USB ports not working	Main power cord not plugged in; circuit breaker tripped	Verify main power cord is plugged into a live wall outlet. Check your home's circuit breaker.
Difficulty during assembly	Misinterpretation of instructions; missing parts	Carefully re-read instructions and diagrams. Ensure all parts are correctly identified by their numeric symbols. Contact customer support if parts are missing.

Specifications
