2. FILTER OVERVIEW

The VEWIOR ClearAir-A5 replacement filter features a 3-stage filtration system designed to capture various airborne particles and odors:

- **Pre-filter:** Captures larger particles such as dust, pet hair, and lint.
- **H13 True HEPA Filter:** Traps 99.97% of airborne particles as small as 0.3 microns, including pollen, pet dander, and fine dust.
- **Activated Carbon Filter:** Absorbs various odors, smoke, cooking smells, and volatile organic compounds (VOCs).

3. INSTALLATION (FILTER REPLACEMENT)

Follow these steps to replace the filter in your VEWIOR ClearAir-A5 Air Purifier:

- 1. Open the Front Cover:** Gently open the front cover of the air purifier.
- 2. Remove the Old Filter:** Carefully take out the used filter from the air purifier.
- 3. Prepare the New Filter:** Remove the new replacement filter from its protective plastic packaging. **Important:** The filter will not function correctly if the plastic packaging is not removed.

4. **Insert the New Filter:** Place the new filter into the air purifier, ensuring it is seated correctly.
5. **Close the Front Cover:** Securely close the front cover of the air purifier. Ensure it is properly fastened.

How to Replace The Filter

01

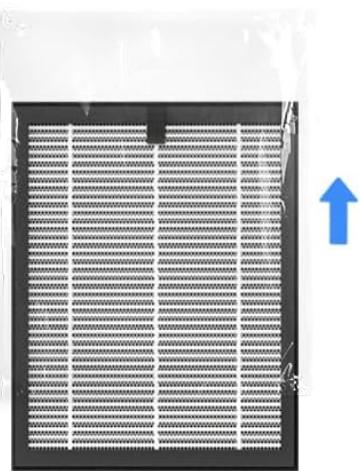

Open the front cover of the air purifier

02

Take out the inside filter.

03

Remove the protective plastic film from the new filter before installing it.

04

Place the new filter back into the main body of the air purifier before fastening it properly.

Ensure that the front cover installation is securely fastened to the main body.

4. MAINTENANCE

To maintain optimal air purification performance, it is recommended to replace the filter every 3-6 months. The exact replacement interval may vary depending on the air quality in your environment and the frequency of air purifier operation.

- Regularly check the filter indicator on your air purifier (if available) for replacement reminders.
- Do not wash or reuse the filter. The filter media is designed for single-use and its effectiveness will be compromised if cleaned.
