Safety Information

Please read all safety instructions carefully before assembly and use. Keep this manual for future reference.

- **Assembly:** This product requires assembly. It is recommended that two people assemble the vanity to ensure stability and safety, especially when handling the mirror component.
- **Weight Capacity:** Do not exceed the maximum load bearing capacity of 300 lbs for the vanity. Avoid placing excessively heavy items on the desk surface or in drawers.
- **Electrical Safety:** Ensure all electrical connections for the mirror lights and power outlet are secure and follow local electrical codes. Do not overload the power outlets.
- **Stability:** Place the vanity on a flat, stable surface. If necessary, use wall anchors (not included) to prevent tipping, especially in households with children or pets.

- **Care:** Wipe with a dry cloth for cleaning. Avoid using harsh chemicals or abrasive cleaners that may damage the finish.

Package Contents

Before beginning assembly, verify that all parts listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Vanity Desk Components (Engineered Wood Panels)
- Hollywood Bulb Mirror Assembly with Integrated Lighting
- Stool Components (Frame and Upholstered Seat)
- Hardware Kit (Screws, dowels, drawer slides, etc.)
- Power Cord and Charging Station Module
- Instruction Manual (This document and a detailed PDF guide)

Setup and Assembly

Assembly of the DWVO Makeup Vanity Desk requires attention to detail. It is highly recommended to have two people for assembly, especially for the mirror installation. A power drill can significantly reduce assembly time.

1. **Unpack and Organize:** Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches. Identify each part using the provided labels and hardware list.
2. **Assemble the Main Desk Frame:** Follow the detailed instructions in the separate PDF manual to construct the primary desk frame using the designated screws and connectors.
3. **Install Drawer Slides and Drawers:** Attach the drawer slides to the desk frame and assemble the five drawers. Ensure the slides are correctly aligned for smooth operation.
4. **Attach the Mirror Assembly:** With assistance, carefully attach the Hollywood bulb mirror assembly to the main desk structure. Ensure all securing screws are tightened.
5. **Connect Electrical Components:** Integrate the power cord and charging station module. Connect the mirror lights to the designated power source within the vanity.
6. **Assemble the Stool:** Construct the stool frame and attach the upholstered seat.
7. **Final Checks:** Once assembled, gently move the vanity to its desired location. Ensure all connections are secure and the vanity is stable.

For detailed, step-by-step assembly instructions with diagrams, please refer to the official Installation Manual (PDF) available via the product listing or by contacting customer support.

Operating Instructions

Mirror Lighting Control

The Hollywood bulb mirror features a high-sensitivity smart sensor switch for controlling the LED lights.

- **Power On/Off:** Lightly touch the sensor switch on the mirror to turn the lights on or off.
- **Change Color Mode:** With the lights on, short press the sensor switch to cycle through the three available color modes:
 - **7000K - Cool White Light:** Bright, clear illumination.
 - **5000K - Warm White Light:** Natural, balanced illumination.
 - **3000K - Warm Yellow Light:** Soft, ambient illumination.
- **Adjust Brightness:** With the lights on, long press the sensor switch to continuously adjust the brightness level. Release when the desired brightness is achieved.

Built-in Charging Station

The vanity desk is equipped with a convenient charging station to power your electronic devices.

- **Power Outlets:** Two standard 125V/12A AC sockets are provided for connecting hair dryers, curling irons, or other small appliances.
- **USB Ports:** Two 5V/2A USB ports are available for charging smartphones, tablets, and other USB-powered devices.
- **Power Cord:** The integrated power cord is approximately 5.0 feet long. Ensure it is plugged into a grounded wall outlet.

Storage Features

The vanity offers various storage solutions to keep your cosmetics, jewelry, and accessories organized.

- **Drawers:** Five spacious drawers provide concealed storage for a variety of items. The left side features a 5-drawer chest that can also function as a nightstand.
- **Open Storage Cubbies:** Four open shelves offer easy access and display space for frequently used items or decorative pieces.
- **Hidden Sliding Jewelry Storage:** The large high-definition mirror is designed with a hidden sliding door, revealing ample storage space for jewelry and other small valuables.

Maintenance

Proper care will extend the life and appearance of your DWVO Makeup Vanity Desk.

- **Cleaning:** Wipe the surfaces with a soft, dry cloth. For stubborn marks, a slightly damp cloth can be used, followed immediately by a dry cloth. Avoid abrasive cleaners, solvents, or polishes that may damage the engineered wood finish.
- **Mirror Care:** Clean the mirror surface with a glass cleaner and a lint-free cloth. Do not spray cleaner directly onto the mirror; apply it to the cloth first.
- **Electrical Components:** Ensure the power outlets and USB ports are free from dust and debris. Do not attempt to repair electrical components yourself.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Retighten as necessary to maintain

stability.

Troubleshooting

If you encounter issues with your vanity desk, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Mirror lights not turning on.	Power cord not plugged in; loose connection; faulty bulb.	Ensure power cord is securely plugged into a working outlet. Check all electrical connections. If a bulb is suspected, contact customer support for replacement options.
Power outlets/USB ports not working.	No power to the vanity; device not properly plugged in; overloaded circuit.	Verify the vanity's main power cord is connected. Ensure devices are fully inserted. Unplug other devices to check for overload.
Drawers are sticking or difficult to open/close.	Improperly installed drawer slides; obstruction; loose hardware.	Review assembly instructions for drawer slide installation. Check for any items obstructing the drawer path. Tighten all screws on drawer slides and drawer boxes.
Vanity feels unstable or wobbly.	Loose fasteners; uneven floor.	Check and tighten all assembly screws. Ensure the vanity is on a level surface; use shims if necessary. Consider securing to a wall for added stability.
