Package Contents

Before beginning assembly, ensure all parts are present and accounted for. The package for your UIXE Stripe Accent Chairs Set of 2 should contain the following:

- Chair Seat Base (2 units)
- Chair Backrest (2 units)
- Legs (8 units)
- Hardware Pack (bolts, washers, hex wrench)
- User Manual (this document)

Assembly Instructions

Assembly of the UIXE Stripe Accent Chairs is designed to be straightforward. Please follow these steps carefully:

1. **Unpack Components:** Carefully remove all parts from the packaging. Place them on a soft, clean surface to prevent scratches.
2. **Locate Legs:** The chair legs and hardware are typically stored in a zippered compartment located under the seat base. Open this compartment and retrieve all leg components and the hardware pack.
3. **Attach Backrest:** Align the brackets on the backrest with the corresponding slots on the inside back of the chair seat base. Slide the backrest down firmly until it clicks securely into place. No tools are required for this step.
4. **Attach Legs:** For each chair, attach the four legs to the underside of the seat base using the provided bolts and hex wrench. Ensure all bolts are tightened securely. While some holes may require slight adjustment, ensure the legs are firmly in place and stable.
5. **Final Check:** Once both chairs are assembled, gently rock each chair to ensure stability. If any wobbling occurs, re-tighten the leg bolts.

Operating Instructions

The UIXE Stripe Accent Chairs are designed for comfortable seating in various indoor environments. Simply place the chairs in your desired location and use them for reading, relaxing, or as additional seating for guests. Ensure the chairs are placed on a stable, level surface.

Maintenance

Proper care will extend the life and appearance of your accent chairs:

- **Cleaning:** For spills or stains, blot immediately with a clean, semi-dry cloth. Do not wash the fabric or use harsh chemical cleaners, as this may damage the material.
- **Dusting:** Regularly dust the chairs with a soft, dry cloth.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fabric fading. Position chairs away from direct sun exposure when possible.
- **Check Connections:** Periodically check and re-tighten all bolts and connections to ensure the chair remains stable and secure.

Troubleshooting

If you encounter any issues with your UIXE Stripe Accent Chairs, refer to the following common solutions:

- **Wobbling Chair:** If the chair wobbles, check that all leg bolts are securely tightened. Ensure the chair is on a flat, even surface.
- **Loose Backrest:** If the backrest feels loose, ensure it is fully engaged in the seat base brackets. Remove and re-insert if necessary, applying firm pressure.
- **Stains on Fabric:** Refer to the "Maintenance" section for cleaning instructions. Avoid scrubbing, which can spread the stain or damage the fabric.
