UIXE Stripe Accent Chairs Set of 2 Instruction Manual

Model: B0CRRV238F

INTRODUCTION

Thank you for choosing the UIXE Stripe Accent Chairs. This manual provides essential information for the safe assembly, operation, and maintenance of your new chairs. Please read these instructions carefully before beginning assembly and retain them for future reference.

SAFETY INFORMATION

To ensure safe use of your accent chairs, please observe the following guidelines:

- Do not exceed the maximum weight capacity of 400 lbs (approximately 181 kg) per chair.
- Ensure the product is assembled and used on a hard, flat, and stable surface.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Regularly check all bolts and connections to ensure they remain tight.

PACKAGE CONTENTS

Before assembly, verify that all components are present and undamaged. The package should contain:

- Chair Body (upholstered seat and arms)

- Chair Backrest
- 4 Wooden Legs (stored in a zippered compartment under the seat)
- Assembly Hardware (bolts, washers)
- Hex Wrench (Allen key)
- Instruction Manual

SETUP AND ASSEMBLY INSTRUCTIONS

Assembly of the UIXE Stripe Accent Chairs is designed to be straightforward. Follow these steps:

1. **Unpack Components:** Carefully remove all parts from the packaging. Place them on a soft, clean surface to prevent scratches.
2. **Locate Legs and Hardware:** The four wooden legs and assembly hardware are typically stored in a zippered compartment located on the underside of the chair's seat. Open this compartment and retrieve all items.
3. **Attach Backrest:** Align the backrest with the seat body. The backrest slides into brackets mounted on the inside back of the arms. Gently push down until the backrest is securely seated. No tools are required for this step.
4. **Attach Legs:** Carefully turn the chair body upside down. Attach each wooden leg to the designated corner using the provided bolts and hex wrench. Ensure all bolts are tightened securely, but do not overtighten.
5. **Final Check:** Once all legs are attached, carefully turn the chair upright. Ensure it is stable and does not wobble. Re-tighten any loose connections if necessary.

OPERATING INSTRUCTIONS

The UIXE Stripe Accent Chair is designed for comfortable seating in various indoor environments such as living rooms, bedrooms, offices, or reading nooks. Simply place the chair in your desired location, ensuring it is on a stable surface. The ergonomic design and high-resilience sponge padding provide a comfortable experience for extended periods.

MAINTENANCE

Proper care will extend the life and appearance of your UIXE Accent Chairs:

- **Cleaning:** For spills or stains, spot clean immediately with a damp cloth. Do not machine wash or immerse the fabric in water. Use a mild fabric cleaner if necessary, testing on an inconspicuous area first.
- **Dusting:** Regularly wipe clean with a soft, dry cloth to remove dust.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fabric fading. Position your chairs away from direct sun exposure.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners or harsh chemicals, as these can damage the fabric and wood finish.

TROUBLESHOOTING

If you encounter any issues with your UIXE Stripe Accent Chairs, consider the following:

- **Wobbling Chair:** Ensure all legs are securely tightened. Check that the chair is placed on an even surface.
- **Missing Parts:** If any parts are missing from your package, please contact customer support immediately for

assistance.

- **Difficulty Assembling:** Review the assembly instructions carefully. Ensure all components are oriented correctly. If issues persist, contact customer support.
