Soundcore A30i

Soundcore A30i by Anker Smart Noise Cancelling Earbuds User Manual

Model: A30i

1. INTRODUCTION

Welcome to the Soundcore A30i Smart Noise Cancelling Earbuds user manual. This guide provides detailed instructions on how to set up, operate, maintain, and troubleshoot your new earbuds. Please read this manual thoroughly to ensure optimal performance and longevity of your device.

The Soundcore A30i earbuds feature a compact, lipstick-shaped design, smart noise cancellation, clear sound with 3D surround effect, AI-enhanced calls, and a comfortable, lightweight fit for extended listening.

2. WHAT'S IN THE BOX

- Soundcore A30i Earbuds
- Charging Case
- Eartips (S/M/L sizes)
- USB-C Cable

Extended Listening

Enjoy 7 hours of listening from a single charge—conveniently extending to 24 hours with the charging case. When you're in a rush, a quick 10-minute charge offers 2 hours of playtime.

Normal Mode 7H¹ Single Charge 24H¹ with Charging Case **ANC Mode** 4H² Single Charge 15H¹ with Charging Case

3. SETUP

3.1 Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case. Connect the provided USB-C cable to the charging port on the case and a power source. The indicator lights on the case will show the charging status.

3.2 Powering On and Pairing

1. Open the charging case. The earbuds will automatically power on and enter pairing mode.
2. On your device (smartphone, tablet, laptop), enable Bluetooth.
3. Search for "Soundcore A30i" in the list of available Bluetooth devices and select it to connect.
4. Once connected, you will hear an audio prompt, and the indicator lights on the earbuds will turn off.

For subsequent use, the earbuds will automatically connect to the last paired device when removed from the case, provided Bluetooth is enabled on your device.

3.3 Soundcore App Installation

Download the Soundcore app from your device's app store (Google Play Store or Apple App Store) to unlock full features, including custom EQ settings, touch control customization, and ambient sound modes.

4. OPERATING YOUR EARBUDS

4.1 Touch Controls

The Soundcore A30i earbuds feature intuitive touch controls. Specific functions can be customized via the Soundcore app. Default controls typically include:

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap on the right earbud.
- **Previous Track:** Double tap on the left earbud.
- **Answer/End Call:** Single tap on either earbud.
- **Reject Call:** Press and hold either earbud for 2 seconds.
- **Activate Voice Assistant:** Triple tap on either earbud.

- **Switch ANC Modes:** Press and hold the left earbud for 2 seconds to cycle through Noise Cancellation, Normal, and Transparency modes.

4.2 Ambient Sound Modes

The earbuds offer three ambient sound modes:

- **Noise Cancellation:** Blocks out external noise up to 46dB, ideal for noisy environments.
- **Normal:** Standard audio experience without active noise management.
- **Transparency:** Allows you to hear your surroundings while listening to audio, useful for staying aware of your environment.

Switch between these modes using the touch controls or the Soundcore app.

4.3 Multipoint Connection

The Soundcore A30i supports multipoint connection, allowing you to connect to two Bluetooth devices simultaneously (e.g., a laptop and a smartphone). To activate this feature, use the Soundcore app. You can then seamlessly switch audio playback between the connected devices.

IP54 Splashproof and Dustproof

With an IP54 water-resistance rating and a dustproof design, you can rest assured knowing your earbuds are protected from water splashes and any lingering dust.

4.4 Single Earbud Use

You can use either the left or right earbud independently. Simply remove one earbud from the case, and it will automatically connect to your device. The other earbud can remain in the charging case.

Stylish Lipstick-Inspired Case

Make a bold statement while on the move. Pocket-sized and showing off a lipstick-inspired silhouette, A30i features a slide-to-open magnetic mechanism for your convenience.

5. ACHIEVING A PERFECT FIT AND COMFORT

The Soundcore A30i earbuds are ergonomically designed for an optimal and comfortable fit. To ensure the best audio experience and noise cancellation, it is crucial to select the correct eartip size and wear the earbuds properly.

- 1. Choose the Right Eartips:** Experiment with the included S, M, and L size eartips to find the pair that provides the most secure and comfortable seal in your ear canal. The medium size is typically pre-installed.
- 2. Insert and Rotate:** Gently insert the earbuds into your ears. Rotate them slightly until they lock into a comfortable and secure position. A good fit will feel snug and block out most ambient noise even before activating noise cancellation.

How to Get a Perfect Fit

Step 1

Pick a pair of ear tips that fit your ear canal.

Step 2

Identify the left and right earbuds and insert them into your ears.

Step 3

Rotate until they lock into a position you find comfortable and secure.

Stay Connected

Go about your day, never needing to take your buds out. Switch to transparency mode when ordering a coffee, having a quick chat, or listening to announcements.

6. KEY FEATURES

6.1 Smart Noise Cancelling

The Soundcore A30i earbuds utilize adaptive algorithms to detect external sound and automatically adjust noise cancellation levels, blocking out up to 46dB of noise. This ensures an optimal listening experience in various environments.

6.2 Clear Sound with 3D Surround Effect

Equipped with 6mm composite diaphragms, the earbuds deliver clear and well-balanced sound with rich mids, mighty bass, and crisp highs. Activate the 3D surround sound effect via the Soundcore app for a more immersive audio experience.

Balanced and Clear Sound

soundcore A30i features 6mm composite diaphragms so you can enjoy well-balanced sound with rich mids, mighty bass, and crisp highs.

6.3 AI-Enhanced Clear Calls

With 4 built-in microphones and an AI algorithm, the Soundcore A30i earbuds are designed to pick up your voice with precision, ensuring clear calls even in noisy surroundings.

6.4 Extended Battery Life

Enjoy up to 7 hours of listening from a single charge in normal mode, extending to 24 hours with the charging case. In ANC mode, you get 4 hours on a single charge and 15 hours with the charging case. A quick 10-minute charge provides 2 hours of playtime.

3D Sound

Surround yourself with music when on the move. Access the soundcore app to activate the surround sound effect for a more immersive audio experience.

6.5 IP54 Splashproof and Dustproof

The earbuds are rated IP54 for water and dust resistance, protecting them from water splashes and dust. This makes them suitable for workouts and outdoor activities.

Multipoint Connection

Enjoy a stable connection with Bluetooth 5.4. Multipoint connection lets you easily switch between your laptop and your phone. Activate multipoint connection through the soundcore app.

7. MAINTENANCE

To maintain the performance and hygiene of your Soundcore A30i earbuds:

- **Cleaning Earbuds:** Gently wipe the earbuds with a soft, dry, lint-free cloth after each use. Avoid using harsh chemicals or abrasive materials.
- **Cleaning Eartips:** Remove the silicone eartips and wash them with mild soap and water. Rinse thoroughly and allow them to dry completely before reattaching.
- **Cleaning Charging Case:** Use a soft, dry cloth to clean the charging case. Keep the charging contacts inside the case free from dust and debris.
- **Storage:** When not in use, always store the earbuds in their charging case to protect them and keep them

charged. Store in a cool, dry place away from extreme temperatures.

8. TROUBLESHOOTING

8.1 Earbuds Not Pairing

- Ensure both earbuds are fully charged.
- Make sure Bluetooth is enabled on your device and the earbuds are within range (10 meters).
- Try resetting the earbuds. Refer to the Soundcore app or online support for specific reset instructions.
- Forget "Soundcore A30i" from your device's Bluetooth list and attempt to pair again.

8.2 Poor Sound Quality

- Ensure the eartips provide a secure seal in your ear canal. Try different sizes.
- Clean the earbud nozzles and eartips to remove any wax or debris.
- Check the audio source and ensure the volume is appropriately adjusted.
- Move closer to your connected device to avoid interference.

8.3 Charging Issues

- Verify the USB-C cable is securely connected to both the case and the power source.
- Try a different USB-C cable and power adapter.
- Ensure the charging contacts on the earbuds and inside the case are clean and free from obstruction.

9. SPECIFICATIONS
