## A1A9 NF-22415

# A1A9 3-Light Bathroom Vanity Light Instruction Manual

Model: NF-22415

## 1. SAFETY INFORMATION

Please read these instructions carefully before installation and use. Keep this manual for future reference.

- **Electrical Safety:** Always turn off the main power supply at the circuit breaker before installing, cleaning, or servicing the fixture.
- **Qualified Electrician:** If you are unsure about electrical wiring, consult a qualified electrician.
- **Grounding:** Ensure the fixture is properly grounded to avoid potential electrical shock.
- **Bulb Type:** Use only E26 base bulbs with a maximum wattage of 40W per bulb. Do not exceed the recommended wattage.
- **Glass Handling:** Handle glass shades with care to prevent breakage.
- **Indoor Use Only:** This fixture is designed for indoor use in dry or damp locations (e.g., bathrooms, laundry rooms).

## 2. PACKAGE CONTENTS

Verify that all components are present and undamaged before beginning installation.

- Wall Sconce Lighting Fixture
- Glass Shades (3 pieces)
- Mounting Hardware Kit
- Instruction Manual

*Note: Bulbs are not included and must be purchased separately.*

## 4. INSTALLATION INSTRUCTIONS (SETUP)

---

This fixture can be installed with the lights facing upwards or downwards.

### 1. Prepare for Installation:

- Turn off the power at the circuit breaker to prevent electrical shock.
- Ensure you have all necessary tools (screwdriver, wire strippers, etc.) and the included mounting hardware.

### 2. Mount the Back Plate:

- Attach the mounting bracket to the junction box in your wall using the provided screws.
- Secure the fixture's back plate to the mounting bracket.

### 3. Wire the Fixture:

- Connect the fixture's black wire to the house's black (live) wire.
- Connect the fixture's white wire to the house's white (neutral) wire.
- Connect the fixture's ground wire to the house's ground wire (usually bare copper or green).
- Secure all connections with wire nuts and ensure no bare wires are exposed.

### 4. Attach the Fixture Body:

- Carefully push the wired fixture body onto the mounting bracket and secure it with the provided screws or nuts.

### 5. Install Glass Shades:

- Carefully place each glass shade over the bulb socket and secure it with the retaining ring.

### 6. Install Bulbs:

- Screw E26 base bulbs (not included) into each socket. Do not overtighten.

### 7. Restore Power:

- Turn the power back on at the circuit breaker.
- Test the light fixture.

## 5. OPERATING INSTRUCTIONS

---

The A1A9 3-Light Bathroom Vanity Light operates like a standard wall-mounted light fixture.

- **Power On/Off:** Control the light using a standard wall switch (not included).
- **Bulb Compatibility:** This fixture is compatible with E26 base bulbs, including incandescent, CFL, LED, and halogen types (max 40W per bulb).
- **Dimmable Functionality:** If you use dimmable E26 bulbs and a compatible dimmer switch (both not included), you can adjust the brightness of the light.

Image: Examples of compatible E26 bulb types (incandescent, CFL, LED, halogen) that can be used with the fixture. Bulbs are not included.

## 6. MAINTENANCE

---

Regular maintenance ensures the longevity and optimal performance of your light fixture.

- **Cleaning:**
  - Before cleaning, ensure the power is turned off at the circuit breaker.
  - Wipe the metal parts with a soft, dry cloth. Do not use abrasive cleaners or polishes, as they may damage the finish.
  - Clean glass shades with a soft cloth dampened with water or a mild glass cleaner. Dry thoroughly.

- **Bulb Replacement:**

- Turn off power before replacing bulbs.
- Allow bulbs to cool completely before touching them.
- Unscrew old bulbs and replace with new E26 base bulbs (max 40W).

## 7. TROUBLESHOOTING

---

Problem	Possible Cause	Solution
Light does not turn on.	<ul style="list-style-type: none"><li>◦ Power is off at the circuit breaker.</li><li>◦ Loose wire connections.</li><li>◦ Faulty bulb.</li><li>◦ Faulty wall switch.</li></ul>	<ul style="list-style-type: none"><li>◦ Check the circuit breaker and ensure power is on.</li><li>◦ Turn off power, check all wire connections, and re-secure if loose.</li><li>◦ Replace the bulb with a new, working E26 bulb.</li><li>◦ Test the wall switch or consult an electrician.</li></ul>
Light flickers.	<ul style="list-style-type: none"><li>◦ Loose bulb.</li><li>◦ Incompatible dimmer switch/bulb.</li><li>◦ Loose wire connection.</li></ul>	<ul style="list-style-type: none"><li>◦ Tighten the bulb.</li><li>◦ Ensure dimmable bulbs are used with a compatible dimmer switch.</li><li>◦ Turn off power, check and re-secure wire connections.</li></ul>
Glass shade is broken.	Accidental damage during shipping or installation.	Contact customer service for a replacement.

## 8. WARRANTY AND CUSTOMER SUPPORT

---

This product comes with a limited warranty. For specific details regarding the warranty period and coverage, please refer to the documentation provided at the time of purchase or contact customer service.

If you have any questions, require special accessories (e.g., rods or screws), or if any part of the product, such as a glass lampshade, is damaged during transportation, please contact us directly. We aim to respond within 24 hours to assist you with replacements or support.

**Return Policy:** This product has a 30-day return/replacement policy.

**Contact Information:** Please refer to your purchase receipt or the seller's information on the platform where you bought the product for direct contact details.
