Bestier H500660F

Bestier H500660F Floating Shelves User Manual

Model: H500660F

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Bestier H500660F 24-inch 3-tier floating shelves. Please read this manual thoroughly before installation and use to ensure proper function and safety.

IMPORTANT SAFETY INFORMATION

- **Warning:** This floating shelf is not suitable for wall studs. Ensure you are mounting on appropriate wall material.
- Do not exceed the maximum weight capacity of 25 lbs per shelf.
- Ensure all screws and fasteners are securely tightened before use.
- Keep small parts away from children during assembly.

PACKAGE CONTENTS

Please verify that all components are present before beginning assembly:

- Particle Boards (Shelves)
- Foldable Shelf Brackets
- Accessory Bag (Screws, Wall Anchors, etc.)
- Assembly Instructions

SETUP AND ASSEMBLY

Follow these steps to assemble and mount your Bestier floating shelves. It is recommended to have a second person assist with mounting.

Step 1: Prepare the Wall and Components

Unpack all components and verify against the package contents list. Identify the wall where the shelves will be mounted. Remember, these shelves are not suitable for wall studs. Use appropriate wall anchors for your wall type.

Image: All components of the Bestier floating shelves laid out before assembly.

Step 2: Assemble the Brackets and Shelves

Attach the foldable brackets to the particle boards as indicated in the included assembly instructions. Ensure all screws are tightened securely. The middle shelf features a foldable design for flexible storage.

Wall-Mounted Folding Shelf Design

Super flexible! Just press the latch mechanism

Image: Illustration of the middle shelf's folding mechanism.

Step 3: Mount the Shelves to the Wall

Mark the desired positions for the mounting holes on the wall. Drill pilot holes and insert wall anchors if necessary. Securely mount the shelf unit to the wall using the provided hardware. Verify that the shelves are level and stable before placing items on them.

OPERATING INSTRUCTIONS

Adjusting the Foldable Middle Shelf

The Bestier H500660F features a unique foldable middle shelf, allowing you to customize your storage space. To adjust the shelf:

1. **To Fold Down:** Gently lift the front edge of the middle shelf. Locate the latch mechanism on the underside of the shelf brackets. Press the latch to release the shelf, then carefully lower it until it rests against the main frame.
2. **To Extend Up:** Lift the middle shelf upwards until it clicks securely into place. Ensure both sides are locked to prevent accidental folding.

MAINTENANCE

Cleaning Instructions

To maintain the appearance and longevity of your Bestier floating shelves, follow these simple cleaning guidelines:

- Wipe the shelves with a soft, dry cloth to remove dust and grime.
- Avoid using harsh chemicals, abrasive cleaners, or excessive moisture, as these can damage the finish.
- Regularly check all screws and connections to ensure they remain tight.

TROUBLESHOOTING

Common Issues and Solutions

Problem	Possible Cause	Solution
Shelves are wobbly or unstable.	Loose screws or improper wall mounting.	Ensure all assembly screws are tightened. Re-check wall anchors and mounting points for secure installation. Confirm the wall material is suitable and not a wall stud.
Middle shelf does not fold or extend smoothly.	Latching mechanism obstruction or misalignment.	Inspect the latch mechanism for any obstructions. Ensure the shelf is aligned correctly with the brackets. Apply a small amount of silicone lubricant if movement is stiff.
Shelf appears uneven after installation.	Improper leveling during mounting.	Remove items from the shelf. Loosen mounting screws slightly, adjust the shelf to be level using a spirit level, then re-tighten screws.

SPECIFICATIONS

Feature	Detail
Model Name	H500660F
Brand	Bestier
Product Dimensions (L x W x H)	23.62" x 7.28" x 26.18"
Number of Shelves	3 (with 1 foldable middle shelf)
