

MANKIW D06

MANKIW D06 Bluetooth Headphones User Manual

Wireless Bluetooth 5.3 In-Ear Headphones with Digital LED Display

1. INTRODUCTION

Thank you for choosing the MANKIW D06 Bluetooth Headphones. These wireless in-ear headphones are designed to provide a high-quality audio experience with advanced features such as Bluetooth 5.3 connectivity, a digital LED display for battery status, and intuitive touch controls. This manual will guide you through the setup, operation, and maintenance of your new headphones.

2. PACKAGE CONTENTS

Please check the package for the following items:

- MANKIW D06 Wireless Earbuds (Left and Right)
- Charging Case with Digital LED Display
- Type-C Charging Cable
- User Manual
- 3 Pairs of Earplugs (S, M, L)

3. PRODUCT OVERVIEW

Image 3.1: MANKIW D06 Wireless Earbuds securely placed within their charging case. The earbuds feature a sleek black design, and the case is compact, indicating portability.

The MANKIW D06 headphones consist of two wireless earbuds and a portable charging case. The charging case features a dual LED display that shows the battery percentage of both the case and each individual earbud (Left and Right).

DISPLAY LED CON PERCENTUALE CARICA

Il doppio display digitale mostra il livello della batteria della custodia di ricarica e degli auricolari

Image 3.2: Close-up of the charging case's digital LED display, clearly showing the battery levels for the left earbud (L), right earbud (R), and the charging case itself (%). This display provides real-time battery status.

4. CHARGING YOUR HEADPHONES

For optimal performance, fully charge your headphones and charging case before first use.

4.1 Charging the Earbuds

1. Place the earbuds into the charging case, ensuring they are correctly seated in their respective slots (L for Left, R for Right).
2. The LED display on the charging case will show the charging status of each earbud.
3. A full charge provides up to 8 hours of continuous use for the earbuds.

4.2 Charging the Charging Case

1. Connect the provided Type-C charging cable to the charging port on the case.
2. Connect the other end of the cable to a USB power adapter (not included) or a computer's USB port.
3. The LED display will show the charging progress of the case. When fully charged, the display will indicate

100%.

4. The charging case provides multiple charges, extending the total playtime up to 32 hours.

5. SETUP AND BLUETOOTH PAIRING

The MANKIW D06 headphones utilize advanced Bluetooth 5.3 technology for a stable and fast connection.

1. **Power On:** Open the charging case. The earbuds will automatically power on and enter pairing mode.
2. **Activate Bluetooth:** On your smartphone or device, enable Bluetooth.
3. **Search for Device:** Look for "MANKIW-D06" in the list of available Bluetooth devices.
4. **Connect:** Select "MANKIW-D06" to pair. Once connected, you will hear an audible confirmation, and the device will show as connected on your phone.
5. **Automatic Reconnection:** After the initial pairing, the earbuds will automatically connect to the last paired device when removed from the charging case, provided Bluetooth is enabled on your device.

6. OPERATING INSTRUCTIONS: TOUCH CONTROLS

The MANKIW D06 earbuds feature intuitive touch controls for easy management of your audio and calls.

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Triple tap on the right earbud.
- **Previous Track:** Triple tap on the left earbud.
- **Volume Up:** Touch and hold the right earbud.
- **Volume Down:** Touch and hold the left earbud.
- **Answer/End Call:** Single tap on either earbud during an incoming call.
- **Reject Call:** Touch and hold either earbud during an incoming call.
- **Activate Voice Assistant:** Double tap on either earbud (e.g., Siri, Google Assistant).

7. COMFORT AND FIT

The MANKIW D06 earbuds are designed for a comfortable and secure fit, adapting to the natural curves of your ear. Three different sizes of earplugs (Small, Medium, Large) are included to ensure you find the best fit for optimal sound quality and comfort.

1. Choose the earplug size that provides a snug yet comfortable seal in your ear canal.
2. Gently insert the earbud into your ear and rotate slightly until it feels secure.

9. MAINTENANCE AND CARE

To ensure the longevity and optimal performance of your MANKIW D06 headphones, follow these care instructions:

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use abrasive cleaners or solvents.
- **Water Resistance:** The earbuds feature IP5 nano coating technology, providing protection against splashes and sweat. However, they are not designed for submersion in water. Avoid exposing them to heavy rain or swimming.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust and damage. Store in a cool, dry place.
- **Battery Care:** Avoid fully depleting the battery for extended periods. Charge the case and earbuds regularly, even if not in frequent use, to maintain battery health.

10. TROUBLESHOOTING

If you encounter any issues with your MANKIW D06 headphones, please refer to the following common solutions:

Problem	Solution
Earbuds not pairing with device.	◦ Ensure Bluetooth is enabled on your device. ◦ Make sure the earbuds are charged and out of the charging case. ◦ Forget "MANKIW-D06" from your device's Bluetooth list and try pairing again. ◦ Restart your device and the earbuds (by placing them back in the case and taking them out).
Only one earbud is working.	◦ Ensure both earbuds are charged. ◦ Place both earbuds back into the charging case, close the lid, wait a few seconds, then open the lid and take them out again. This often resets the connection between them. ◦ Try re-pairing the earbuds with your device.
Low volume or poor sound quality.	◦ Adjust the volume on both your device and the earbuds. ◦ Ensure the earbuds are properly seated in your ears and you are using the correct size ear tips for a good seal. ◦ Clean any debris from the earbud mesh. ◦ Ensure there are no obstructions between the earbuds and your device.
Charging case not charging.	◦ Check if the Type-C cable is securely connected to both the case and the power source. ◦ Try a different Type-C cable or power adapter. ◦ Ensure the power source is functional.

11. SPECIFICATIONS

Feature	Detail
Model Name	D06
