4.2 Storage

When not in use for extended periods, turn off both the keyboard and mouse using their respective ON/OFF switches. Store the USB Nano Receiver in its designated slot within the mouse to prevent loss.

5. TROUBLESHOOTING

If you encounter any issues with your TT-FOPETT Wireless Keyboard and Mouse Combo, please refer to the following common solutions:

- **No Connection:**
 - Ensure both the keyboard and mouse are powered on.
 - Check that the batteries are correctly installed and not depleted. Replace if necessary.
 - Verify that the USB Nano Receiver is securely plugged into a functional USB port on your computer. Try a different USB port if available.
 - Ensure the devices are within the 35-foot working range of the receiver.
- **Lag or Delayed Response:**
 - Move the keyboard and mouse closer to the USB Nano Receiver.
 - Avoid placing the receiver near other wireless devices or large metal objects that may cause interference.
- **Multimedia Hotkeys Not Working on Mac:**
 - Please note that the 12 multimedia shortcuts are not compatible with Mac systems. This is expected behavior.

If the problem persists after trying these steps, please contact customer support.
