IMPORTANT SAFETY INFORMATION

- **WARNING:** To reduce the risk of electric shock, ensure electricity is turned off at the circuit breaker or fuse box before beginning installation.
- All wiring must be in accordance with national and local electrical codes. If you are unfamiliar with wiring, consult a qualified electrician.
- Mounting bracket must be securely fastened to the building structure.
- Do not bend fan blade holders during installation or cleaning.
- Ensure all connections are tight and secure.
- This product is for indoor use only.

PACKAGE CONTENTS

Verify that all components are present before beginning installation:

- Ceiling Fan with Integrated Light (Pre-assembled crystal lampshade)
- Mounting Hardware
- Remote Control
- Downrod (5" and 10" included)
- Canopy
- E12 Light Bulbs (Not included, compatible with dimmable LED bulbs up to 8W)

SPECIFICATIONS

Brand	Siljoy
Model Name	Crystal Ceiling Fan with Light (CFL-1152-01)
Product Dimensions	19.7"L x 19.7"W x 5.3"H
Item Weight	14.8 Pounds
Material	Crystal, Metal
Color	Downrod Mount (Gold finish)
Light Source Type	LED (E12 Bulb Base)
Wattage	40 watts
Brightness	2700 Lumens (Maximum)
Voltage	110 Volts (AC)
Control Method	Remote, App (Smart Control)
Special Features	Adjustable Height, Color Changing, Dimmable, Timer, 6 Fan Speeds, Reversible Motor

SETUP AND INSTALLATION

Follow these steps for proper installation. It is recommended to have a second person assist during installation.

Installation Video Guide

Your browser does not support the video tag.

Video: This official seller video demonstrates the installation process for the Siljoy Ceiling Fan with Light, including unboxing, assembly of components, and wiring connections. Titled "Super Easy To Install | Modern Ceiling Fan with Light".

Step-by-Step Installation

1. **Prepare for Installation:** Turn off power at the circuit breaker. Clear the work area.
2. **Unpack Components:** Carefully remove all parts from the packaging.
3. **Attach Downrod Hub:** Connect the downrod hub to the fan body using the provided screws.
4. **Install E12 Light Bulbs:** Insert the E12 light bulbs (not included) into the sockets. Ensure they are dimmable LED bulbs up to 8W.
5. **Assemble Downrod and Canopy:** Secure the chosen downrod (5" or 10") to the canopy.

6. **Attach Mounting Bracket:** Securely fasten the mounting bracket to the ceiling junction box.
7. **Hang the Fan:** Carefully lift the fan assembly and hang it onto the mounting bracket slot.
8. **Wire Connections:**
 - Connect the ground wire (green/bare copper) from the fan to the ground wire from the outlet box.
 - Connect the neutral wire (white) from the fan to the neutral wire from the outlet box.
 - Connect the live wire (black) from the fan to the live wire from the outlet box.
9. **Attach the Canopy:** Slide the canopy up to the ceiling and secure it to the mounting bracket with screws.
10. **Restore Power:** Once installation is complete, restore power at the circuit breaker.

ULTRA SILENT PERFORMANCE

Better For Improving Your Sleep Quality

Noise < 35dB

Energy-saving

Better Airflow

Image: A visual guide illustrating the quick self-assembly process, highlighting steps like lamp body assembly, wire connection, and E12 bulb installation, suggesting a total assembly time of approximately 10 minutes.

Your Siljoy ceiling fan can be operated using the included remote control or a compatible smartphone application.

Remote Control Functions

SET YOUR IDEAL LIGHT COLOR FOR YOUR SPACE

Cool Light(6000K)

Neutral Light(4500K)

Warm Light(2700K)

Press  To Change The Light Color

Press   To Change The Brightness

Need 3-Color E12 LED Bulbs (Not Included)

Image: The remote control and a smartphone screen displaying the fan's app interface, highlighting features like 6 wind speeds, 2/4H timer, reverse function, 3-color changing, brightness adjustment, and natural wind mode.

- **Power Button (On/Off):** Turns the fan and light on or off.
- **Fan Speed (1-6):** Select desired fan speed from 1 (lowest) to 6 (highest).
- **Fan Stop:** Stops the fan rotation.
- **Light On/Off:** Toggles the light on or off.
- **Light Brightness (+/-):** Adjusts the light brightness (stepless dimming).
- **Light Color Change:** Press the light on/off button repeatedly to cycle through warm, neutral, and cool light colors (2700K, 4500K, 6000K).
- **Timer (2H/4H):** Sets the fan to turn off automatically after 2 or 4 hours.
- **F/R (Forward/Reverse) Mode:** Changes the fan's rotation direction for summer (downward airflow) or winter (upward airflow for heat circulation).

- **Natural Wind Mode:** Simulates a natural breeze by varying fan speeds.

REVERSIBLE CRYSTAL CHANDELIER FAN

Suitable For All Seasons

Forward Mode

Powerful Wind
Cool Breeze

Light ON

WINTER

Reverse Mode

Better Airflow
Warm Space

Note: The Fan and Light Can Be Controlled Individually

Image: A visual representation of the ceiling fan's light settings, showing Cool Light (6000K), Neutral Light (4500K), and Warm Light (2700K), controlled by the remote. An E12 LED bulb is also shown, indicating the required bulb type.

Reverse Mode Operation

CHANDELIER DIMENSION

Package Includes 5" & 10" Short Rods

Remote & APP Control Available

6 Wind Speeds

Natural Wind

Dimmable

Reverse Function

2/4H Timer

3-Color Changing

Image: A diagram illustrating the reversible function of the fan. In Summer (Forward Mode), air flows downwards for a cooling effect. In Winter (Reverse Mode), air flows upwards to circulate warm air. The fan and light can be controlled independently.

Smartphone App Control

For advanced control, download the compatible smartphone application. The app allows for full control over fan speeds, light settings, timer functions, and reverse mode, mirroring the remote control's capabilities.

MAINTENANCE

- **Cleaning:** To clean the fan, wipe with a soft, damp cloth. Do not use abrasive cleaners or solvents. Ensure power is off before cleaning.
- **Bulb Replacement:** Always turn off power before replacing light bulbs. Use only E12 base, dimmable LED bulbs up to 8W.
- **Crystal Care:** The pre-assembled crystal lampshade can be gently wiped with a soft, lint-free cloth.

TROUBLESHOOTING

Problem	Possible Cause & Solution
Fan does not start.	<ul style="list-style-type: none"> ◦ Check circuit breakers and wall switch. ◦ Ensure all wire connections are secure. ◦ Verify remote control batteries are functional.
Light does not turn on.	<ul style="list-style-type: none"> ◦ Check light bulb installation and ensure bulbs are not faulty. ◦ Confirm power supply to the fixture. ◦ Ensure the light function on the remote is activated.
Fan makes noise.	<ul style="list-style-type: none"> ◦ Check if all screws on the motor housing are tight. ◦ Ensure the mounting bracket is securely installed. ◦ Verify no wires are rubbing against the canopy or downrod.
Light flickers when dimmed.	<ul style="list-style-type: none"> ◦ Ensure you are using compatible dimmable LED bulbs. ◦ If using a wall dimmer, ensure it is compatible with LED lighting. Consider replacing with a standard ON/OFF switch if flickering persists with the remote's dimming function.

WARRANTY AND SUPPORT

Siljoy offers a 12-month warranty on this ceiling fan. For any defects in workmanship or broken components, please contact customer support for replacements.

For further assistance or inquiries, please refer to the contact information provided with your purchase or visit the official Siljoy website.
