Samsonite Virtuosa Hardside Train Case Instruction Manual

MODEL: VIRTUOSA TRAIN CASE (149177)

1. Product Overview

The Samsonite Virtuosa Train Case is designed for versatile use, adapting to various travel and storage needs. It functions as a traditional case for cosmetics or toiletries, a compact packing cube for accessories, or a hands-free crossbody bag when utilizing its adjustable strap. Its hardside construction provides durability and protection for your belongings.

2. Key Features

- **Multi-functional Design:** Can be used as a cosmetic case, toiletries bag, packing cube, or crossbody travel bag.
- **Organized Interior:** Features a lining pocket with a removable WetPak and cross straps for secure storage.
- **Removable Shoulder Strap:** Includes an adjustable strap for comfortable crossbody carrying.
- **StackIt Strap:** Designed to fit securely over most upright luggage handles for convenient combined travel.

3. Exterior Components

The Virtuosa Train Case features a durable hardside exterior with integrated handles for easy carrying. The design includes a convenient StackIt Strap for attaching to larger luggage.

5. Usage Instructions

The Virtuosa Train Case offers flexible packing options. Utilize the main compartment for larger items and the various pockets for smaller accessories. The removable WetPak is ideal for toiletries to prevent leaks.

For hands-free travel, attach the adjustable shoulder strap to the designated loops on the case. To combine with larger luggage, slide the integrated StackIt Strap over the telescopic handle of your upright suitcase.

6. Care and Maintenance

- **Exterior Cleaning:** Wipe the hardside exterior with a soft, damp cloth and mild soap. Avoid harsh chemicals or abrasive cleaners.
- **Interior Cleaning:** The interior lining can be spot cleaned with a damp cloth. The removable WetPak can be washed with soap and water.
- **Strap Care:** Periodically check the adjustable and StackIt straps for wear and tear. Clean with a damp cloth as needed.
- **Storage:** Store the case in a cool, dry place away from direct sunlight when not in use.

7. Troubleshooting

- **Stuck Zipper:** If a zipper becomes stiff, apply a small amount of lubricant (like wax or silicone spray) to the teeth and gently work the zipper back and forth.
- **Damaged Strap:** If the removable shoulder strap or StackIt Strap shows significant damage, discontinue use and contact customer support for replacement options.
- **Exterior Scratches:** Minor scratches on the hardside exterior are normal with use. For deeper scratches, consider using a plastic polish designed for hardshell luggage.
