UPGOGO B0CRYMDDN1

UPGOGO Folding Bed Rail Instruction Manual

Model: B0CRYMDDN1 (Grey, 59"L x 23.6" H)

1. Important Safety Information

WARNING: Failure to follow these instructions could result in serious injury or death. Keep these instructions for future reference.

- Always ensure the bed rail is securely installed according to the instructions.
- Do not use on bunk beds, waterbeds, or beds with inflatable mattresses.
- Ensure there is no gap between the bed rail and the mattress that could entrap a child.
- Regularly check all components for wear and tear. Discontinue use if any part is damaged.
- This product is intended for children who can get in and out of an adult bed unassisted.
- Do not use this product as a substitute for a crib.

2. Product Overview

The UPGOGO Folding Bed Rail is designed to provide a secure barrier for toddlers transitioning from a crib to a larger bed. It features a reinforced anchor safety system and a U-shaped base for stability. The foldable design allows for easy access to the bed.

4. Setup and Installation

The UPGOGO bed rail is designed for simple, tool-free assembly. Installation can be completed in approximately 10 minutes. Refer to the following steps and diagrams.

4.1 Assembly Steps

1. **Connect Frame Components:** Join the upper and lower support bars using the connecting joints. Ensure they click securely into place.
2. **Attach U-shaped Base:** Connect the assembled side frames to the U-shaped base frame.
3. **Install Fabric Cover:** Slide the fabric cover over the assembled frame, ensuring the mesh panel is correctly oriented.
4. **Position on Bed:** Lift your mattress and place the U-shaped base frame directly on the bed slats or box spring, underneath the mattress.
5. **Secure with Anchor Straps:** Thread the anchor straps through the designated loops on the bed rail and secure them to the opposite side of the bed frame or slats. Tighten for a snug fit.
6. **Optional: Use Perforated Screws:** For additional security on wooden bed frames, use the provided perforated screws to directly attach the U-shaped base to the bed frame.
7. **Optional: Use Velcro Straps:** For certain bed types, use the Velcro straps to further secure the bed rail to the bed frame.

5. Operating Instructions

5.1 Folding Mechanism

The bed rail features a convenient folding design for easy access to the bed. To fold down the rail:

1. Locate the safety lock buttons on both sides of the bed rail.
2. Press the buttons simultaneously to release the lock.
3. Gently push the top bar downwards until it rests in the folded position.

To raise the rail, simply pull the top bar upwards until it clicks securely into place. Ensure both safety locks engage.

5.2 Safety Lock System

The bed rail is equipped with a double safety lock system to prevent accidental folding by children. Always ensure both locks are engaged when the rail is in the upright position to maintain safety.

6. Maintenance

6.1 Cleaning Instructions

The fabric cover is made of 300D Oxford fabric and can be disassembled for cleaning. Wipe the frame with a damp cloth as needed. For the fabric cover:

1. Remove the fabric cover from the frame.

2. Hand wash with mild soap and cold water, or machine wash on a gentle cycle.
3. Do not bleach.
4. Air dry completely before reassembling.

7. Troubleshooting

If you encounter any issues with your UPGOGO Folding Bed Rail, please refer to the following common problems and solutions:

- **Rail feels unstable:**
  - Ensure the U-shaped base is fully underneath the mattress and resting flat on the bed support.
  - Verify that the anchor straps are tightly secured to the bed frame.
  - Check that all connecting joints are fully engaged and locked.
- **Folding mechanism is stiff:**
  - Ensure both safety lock buttons are pressed simultaneously and fully.
  - Check for any obstructions in the folding mechanism.
- **Gap between rail and mattress:**
  - Re-tighten the anchor straps.
  - Ensure the bed rail is positioned as close as possible to the mattress.
