## MGA's Miniverse 531081

# MGA's Miniverse Make It Mini from Scratch Series 1 Instruction Manual

Model: 531081

### INTRODUCTION

This manual provides instructions for creating miniature replica foods using the MGA's Miniverse Make It Mini from Scratch Series 1 kit. Follow these steps to assemble, set, and display your unique mini creations.

### IMPORTANT SAFETY INFORMATION

**WARNING: ALL ingredients are NOT edible. This product is not food and should not be consumed. Not suitable for children under 8 years of age due to small parts and non-edible components. Adult supervision is recommended.**

Avoid contact with eyes and mouth. Wash hands thoroughly after handling materials.

### WHAT'S INCLUDED

Each MGA's Miniverse Make It Mini from Scratch Series 1 blind pack contains:

- Mini "ingredients" (e.g., mixes, liquids, toppings)
- Mini accessories (e.g., mixing bowls, spatulas, molds)
- Collector's guide
- Recipe card with instructions and setting times
- Display capsule with lid

Image: Contents of a typical Make It Mini from Scratch kit, showing various mini ingredients, tools, and a finished mini cake.

## SETUP

1. **Unbox the Capsule:** Carefully open the blind pack capsule to reveal your surprise mini ingredients and accessories.
2. **Identify Your Mini:** Consult the included collector's guide to identify which mini replica food you have received.
3. **Review the Recipe Card:** Locate the recipe card for your specific mini. This card provides detailed instructions and the required air-drying time.
4. **Prepare Your Workspace:** Ensure you have a clean, flat surface for assembly. It is advisable to protect your work area from potential spills.

## OPERATING INSTRUCTIONS: CREATING YOUR MINI REPLICA

### Step 1: Mix It

Follow the recipe card to combine your mini "ingredients." This typically involves mixing dry components with liquid components in the provided mini mixing bowls.

Image: Pouring mini brownie mix into a mixing bowl.

## Step 2: Layer and Build

Once mixed, use the mini tools to layer and build your mini treat according to the recipe. This might involve pouring mixtures into molds or shaping components.

Image: Pouring a liquid mixture into a mini mold.

Add any decorative elements or toppings as instructed. For example, sprinkles can be applied to the wet mixture.

Image: Applying sprinkles to mini molded brownies.

### Step 3: Set It

Allow your mini replica to air dry for the duration specified on your recipe card. This process hardens the materials, making your creation ready for display. Do not attempt to move or handle the mini before it is fully set.

Image: Visual guide for mixing, pouring, and decorating your mini creation.

#### Step 4: Display It

Once your mini creation is completely set, you can place it in the provided capsule with the lid to protect it and keep it "fresh" for display.

#### MAINTENANCE

To preserve your finished mini replica:

- Always store your mini creation in its display capsule with the lid securely closed to protect it from dust and damage.
- Avoid exposing the mini to extreme temperatures or direct sunlight, which may affect its integrity over time.
- Clean the display capsule with a soft, dry cloth if needed. Do not use harsh chemicals.

## TROUBLESHOOTING

**Issue: Mini creation is not hardening or setting properly.**

**Solution:** Ensure you have allowed the full air-drying time specified on your recipe card. Environmental factors like humidity can affect drying time. If using a UV light (not included in all kits), ensure it is compatible and functioning correctly, as some resin formulas may require specific UV wavelengths for curing.

**Issue: Frosting or liquid ingredients are difficult to dispense from the tube.**

**Solution:** If the material is too thick, try gently warming the tube in your hands for a few minutes. If still difficult, you may carefully cut the end of the tube wider or transfer the contents to a small plastic bag, snip a corner, and use it as a piping bag.

**Issue: Ingredients are messy or difficult to clean from hands.**

**Solution:** The materials are designed to be handled, but some may be sticky. Wash hands immediately with soap and warm water after use. For stubborn residue, a gentle scrub or additional washing may be required. Always protect your workspace to prevent stains.

## PRODUCT SPECIFICATIONS

<b>Product Dimensions</b>	3.75 x 3.75 x 3.75 inches
<b>Item Weight</b>	3.2 ounces
<b>Model Number</b>	531081
<b>Recommended Age</b>	8 - 16 years
<b>Manufacturer</b>	MGA Entertainment
<b>Release Date</b>	November 8, 2024

## WARRANTY AND SUPPORT
