MGA's Miniverse 531067

MGA's Miniverse Make It Mini Cafe Series 4 Instruction Manual

Model: 531067

INTRODUCTION

Welcome to the MGA's Miniverse Make It Mini Cafe Series 4 experience. This product allows you to create miniature replica food and drink items using provided ingredients and accessories. Each package contains a surprise mini collectible. This manual provides detailed instructions for assembly, setting, and care of your mini creations.

SAFETY INFORMATION

WARNING: ALL ingredients are NOT edible and contain resin. Not suitable for children under 8 years of age. Adult supervision is recommended for younger users (8-16 years).

- Keep all components, especially resin, away from mouth and eyes.
- Wash hands thoroughly after handling resin.
- Use in a well-ventilated area.
- Dispose of waste materials responsibly.

WHAT'S INCLUDED

Each MGA's Miniverse Make It Mini Cafe Series 4 blind pack contains:

- Miniature "ingredients" (e.g., resin, glitter, plastic pieces)
- Miniature accessories (e.g., cups, plates, utensils)
- Collector's guide
- Recipe card
- Display capsule

SETUP AND ASSEMBLY: CREATING YOUR MINI

1. **Unbox Your Mini:** Carefully open the blind pack to reveal your surprise mini ingredients and accessories. Consult the included collector's guide to identify your specific mini creation.
2. **Prepare Ingredients:** Lay out all components on a clean, flat surface. If your recipe includes resin, consider placing the resin container in a warm water bath for a few minutes to make it flow more easily.
3. **Follow the Recipe:** Refer to the recipe card provided with your mini. This card will guide you through the steps to assemble your miniature food or drink item.

4. **Assemble Carefully:** Use any provided tools (e.g., tweezers) to handle small pieces. Apply resin slowly to avoid air bubbles.

OPERATING: CURING THE RESIN

Once your mini replica is assembled, the resin needs to harden to create a permanent collectible.

1. **UV Light Method:** Place your assembled mini directly under a 365nm UV light. The resin will typically harden within a few minutes, depending on the light's intensity and resin thickness.
2. **Sunlight Method:** As an alternative, you can place your mini in direct sunlight. This method may take longer (several minutes to hours) depending on sunlight intensity and weather conditions.

DISPLAYING YOUR COLLECTIBLE

After the resin has fully hardened, your mini collectible is ready for display.

- The capsule your mini came in can be used as a display case.
- Place your finished mini in a safe location where it can be admired.

MAINTENANCE

To keep your MGA's Miniverse collectibles in optimal condition:

- Dust regularly with a soft, dry cloth.
- Avoid prolonged exposure to direct sunlight or extreme temperatures, which may cause discoloration or damage over time.
- Do not immerse in water or use harsh cleaning agents.

TROUBLESHOOTING

Resin not hardening:

Ensure the mini is exposed to sufficient UV light (either a 365nm UV lamp or direct sunlight). Thicker layers of resin may require longer curing times. Ensure the resin bottle was warmed before use to improve flow and curing consistency.

Bubbles in resin:

Apply resin slowly and carefully to minimize air bubbles. A toothpick can be used to gently pop any visible bubbles before curing.

Missing components:

If any essential components are missing from your blind pack, please contact MGA's Miniverse customer support for assistance.

PRODUCT SPECIFICATIONS

Feature	Detail
Brand	MGA's Miniverse

Model Number	531067
Product Dimensions	3.25 x 3.25 x 3.25 inches (packaging)
Item Weight	2.4 ounces
Recommended Age	8 - 16 years
Manufacturer	MGA Entertainment

SUPPORT AND WARRANTY

For product support, missing parts, or warranty inquiries, please visit the official MGA's Miniverse website or contact MGA Entertainment customer service. Keep your purchase receipt as proof of purchase. Visit the [MGA's Miniverse Store](#) for more information.
