## Urban Deco 40 Gallon

# Urban Deco 40 Gallon Fish Tank Stand Instruction Manual

Brand: Urban Deco | Model: 40 Gallon

## INTRODUCTION

---

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your Urban Deco 40 Gallon Fish Tank Stand. Designed for 40-gallon aquariums, this metal stand features a dual-layer design and a robust construction capable of supporting up to 660 lbs. Its minimalist aesthetic integrates well into various home and office environments.

## SAFETY INFORMATION

---

- **Weight Capacity:** Do not exceed the maximum load capacity of 660 lbs (approximately 40 gallons of water plus tank weight). Overloading can lead to structural failure and injury.
- **Level Surface:** Always place the stand on a flat, level, and stable surface to prevent wobbling or tipping. Uneven surfaces can compromise stability.
- **Assembly:** Ensure all screws and fasteners are securely tightened during assembly. Periodically check for loose connections.
- **Water Spills:** Protect the stand from excessive water exposure to prevent rust and damage to the finish. Clean up spills immediately.
- **Children and Pets:** Keep children and pets away from the aquarium stand during assembly and when the aquarium is in place to prevent accidents.

## PACKAGE CONTENTS

---

Before beginning assembly, verify that all components are present and undamaged. Refer to the included parts list in your packaging for specific quantities.

- Metal Frame Components (various sizes)
- Wooden Shelf Panels (2)
- Adjustable Foot Pads (4)
- Assembly Hardware (screws, Allen wrench)
- Instruction Manual

## SETUP AND ASSEMBLY

---

Assembly is straightforward and requires minimal tools, which are included. Follow these steps carefully:

1. **Step 1: Assemble Side Frames.** Connect the vertical metal frame pieces to the horizontal base pieces using the provided screws. Ensure the screw holes align correctly.
2. **Step 2: Attach Crossbars.** Secure the crossbars between the two assembled side frames. These provide structural integrity.
3. **Step 3: Install Lower Shelf.** Place the first wooden shelf panel onto the designated supports on the lower section of the frame. Secure it with screws.
4. **Step 4: Install Upper Frame.** Attach the upper horizontal frame pieces to complete the top structure of the stand.
5. **Step 5: Install Top Shelf.** Place the second wooden shelf panel onto the top frame and secure it.
6. **Step 6: Attach Adjustable Feet.** Screw the adjustable foot pads into the bottom of the stand legs. Adjust them to ensure the stand is perfectly level on your chosen surface.
7. **Step 7: Final Tightening.** Double-check all screws and connections to ensure they are fully tightened for maximum stability.

# Reinforced Steel & Rust Resistant

Durable materials and a protective coating ensure a long-lasting stand for your fish tank stand.

## OPERATING INSTRUCTIONS

- **Placement:** Position the stand in its final location before placing the aquarium. Ensure it is away from direct sunlight, heat sources, and high-traffic areas.
- **Aquarium Placement:** Carefully place your 40-gallon aquarium on the top surface of the stand. Ensure it is centered and fully supported by the metal frame.
- **Lower Shelf Use:** The lower shelf can be used for additional smaller tanks, terrariums, or storage of aquarium supplies. Do not exceed the combined weight capacity of the stand.
- **Weight Distribution:** Distribute the weight evenly across the top and bottom shelves to maintain stability.

# Dual-Layer Versatility Maximized Space Efficiency

Supports multiple tanks or storage – versatile for all your aquarium setups.

## MAINTENANCE

- **Cleaning:** Wipe the metal frame and wooden shelves with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Rust Prevention:** The stand features a powder-coated finish for rust resistance. However, promptly clean any water spills to prevent long-term moisture exposure.
- **Stability Check:** Periodically inspect all connections and screws to ensure they remain tight. Retighten if necessary. Check the adjustable feet for proper leveling.

## TROUBLESHOOTING

- **Wobbling:** If the stand appears wobbly, ensure it is placed on a completely flat surface. Adjust the foot pads at the bottom of each leg until the stand is stable. Verify all assembly screws are fully tightened.
- **Uneven Tank:** If your aquarium appears uneven, re-check the stand's leveling using the adjustable feet. Ensure the tank itself is properly seated on the stand's top frame.
- **Missing Parts:** If any parts are missing or damaged upon arrival, contact Urban Deco customer support for assistance.

## SPECIFICATIONS

<b>Brand</b>	Urban Deco
<b>Model</b>	40 Gallon

<b>Product Dimensions (L x W x H)</b>	38.2 x 18.5 x 29.5 inches
