JUMMICO T-LCRC20T15BN

JUMMICO Outdoor Dining Set

Model: **T-LCRC20T15BN** | Brand: **JUMMICO**

PRODUCT OVERVIEW

This 7-piece outdoor patio dining set is designed for use in various outdoor settings such as patios, lawns, or gardens. It features a sturdy structural frame and a weather-resistant tabletop for comfort and durability. The chairs are stackable for efficient storage, making it an ideal choice for gatherings with family and friends.

Figure 1: The JUMMICO 7-Piece Outdoor Dining Set, featuring a rectangular table and six stackable chairs, suitable for various outdoor environments.

IMPORTANT SAFETY INFORMATION

Please read and understand all safety warnings before assembly and use of the dining set.

- Be cautious of sharp edges when handling and stacking chairs to prevent injury.

- Do not overload the table beyond its specified weight capacity. Refer to the assembly instructions for specific load limits.
- Follow all assembly instructions carefully and ensure all components are securely fastened to maintain stability and prevent tipping.
- Keep small children and pets away from the assembly area to avoid accidents with small parts or tools.

KEY FEATURES

- **All-weather Use:** The tabletop is crafted with an advanced manufacturing technique, featuring a wood-like design that combines aesthetic appeal with the strength and durability of plastic, adapting well to diverse climatic conditions.
- **Sturdy Construction:** Both the outdoor patio dining table and chairs are constructed from high tensile steel, double-bolted for enhanced strength and load-bearing capacity. The exterior is powder-coated to resist rust and corrosion, ensuring suitability for outdoor leisure.
- **Teslin Fabrics:** The backrests and seats are made from carefully selected Teslin fabric. This tightly woven material is not only flexible but also highly breathable, contributing to the chair's strength, comfort, and softness.
- **Stackable Chairs:** The set includes six chairs that are designed to be stackable, significantly saving storage space and facilitating easy transport. This feature makes the set highly practical for various outdoor settings and events.

SETUP AND ASSEMBLY

The JUMMICO Outdoor Dining Set is shipped in two separate boxes and these may arrive on different days. Please ensure all packages have been received before commencing assembly.

Detailed assembly instructions, including a list of all parts and necessary tools, are provided within the product packaging. It is crucial to follow these instructions step-by-step to ensure proper and safe assembly. All bolts and connections should be tightened securely, but avoid over-tightening to prevent damage to components. Assembly typically requires basic hand tools, which are usually included or commonly available.

USAGE GUIDELINES

This dining set is designed for outdoor leisure use and is suitable for various activities such as dining, entertaining, and relaxing. It can be placed in your patio, garden, deck, or poolside area.

- **Placement:** Always place the dining set on a flat, stable, and level surface to prevent wobbling or tipping.
- **Capacity:** The oversized table is designed to accommodate a variety of food and drinks. The chairs are built for comfortable seating. Adhere to the weight limits specified in the assembly instructions for both the table and chairs.
- **Environmental Considerations:** While weather-resistant, consider moving the set to a sheltered area or using a protective cover during extreme weather conditions such as heavy storms, strong winds, or prolonged periods of direct sunlight to extend its lifespan.

CARE AND MAINTENANCE

Proper care and maintenance will help preserve the appearance and extend the lifespan of your JUMMICO Outdoor Dining Set.

- **Cleaning:** For routine cleaning, wipe surfaces with a dry cloth to remove dust and light debris. For more thorough cleaning, use a mild soap solution (e.g., dish soap and water) and a soft cloth. Rinse thoroughly with clean water and dry completely to prevent water spots. Avoid using harsh chemicals, abrasive cleaners, or stiff brushes, as these can damage the finish and fabric.
- **Weather Protection:** Although the set is weather-resistant, prolonged exposure to extreme weather conditions (such as heavy rain, snow, or intense UV radiation) can affect its durability. Consider using a breathable, waterproof furniture cover during off-seasons or severe weather events.
- **Storage:** When not in use for extended periods, especially during winter months, store the set in a dry, sheltered area. The stackable chairs facilitate convenient storage.

- **Inspection:** Periodically inspect all bolts, screws, and connections to ensure they remain tight. Re-tighten any loose fasteners as needed to maintain structural integrity.

TROUBLESHOOTING

This section addresses common issues you might encounter with your JUMMICO Outdoor Dining Set.

Wobbling Table or Chairs

If the table or chairs feel unstable or wobble, first ensure they are placed on a completely level surface. Uneven ground is a common cause of instability. If the surface is level, check all assembly bolts and connections. Re-tighten any loose fasteners. Avoid placing the set on soft or uneven ground that may shift over time.

Fabric Sagging

The Teslin fabric is designed to be taut and supportive. If you notice any sagging over time, inspect the double fixation points on the chair frame where the fabric is attached. Ensure these points are secure and the fabric is properly stretched. Avoid placing excessively heavy or sharp objects on the chairs that could strain the fabric.

Rust or Corrosion

The steel frame is treated with a powder coating for rust resistance. If small rust spots appear, particularly in areas where the coating might have been scratched or chipped, clean the area thoroughly. Lightly sand the affected spot if necessary to remove loose rust, then apply a rust-inhibiting paint suitable for outdoor metal furniture. Regular cleaning and covering the set during harsh weather can help prevent rust.

PRODUCT SPECIFICATIONS

Attribute	Detail
Model Number	T-LCRC20T15BN
Material	Textilene, Steel
Color	Brown
Table Dimensions (L x W x H)	59.06 x 35.43 x 27.95 inches
Chair Dimensions (L x W x H)	21.85 x 18.9 x 34.06 inches
