3. SETUP

3.1 Mounting the TV

Your ITEL G3265 TV can be set up using the included stand or mounted on a wall using the provided wall bracket. Choose the method that best suits your viewing environment.

3.1.1 Stand Installation

1. Place the TV screen-down on a soft, flat surface to prevent scratches.
2. Align the TV stand with the mounting holes on the bottom of the TV.
3. Secure the stand using the screws provided. Ensure the stand is firmly attached.

3.1.2 Wall Mount Installation

If you choose to wall mount your TV, use the provided wall bracket. Follow the instructions included with the wall bracket for proper and secure installation. Professional installation is recommended for wall mounting.

3.2 Connecting Power

After mounting, connect the power cable to the TV's power input and then to a suitable electrical outlet. Ensure the power supply matches the TV's requirements (100 Volts, 60 Watts).

3.3 Initial Setup

Upon first power-on, the TV will guide you through the initial setup process. This typically includes:

- Language selection.
- Network connection (Wi-Fi or Ethernet).
- Google account sign-in (for Android TV features).
- Channel scanning (if connecting to an antenna/cable).

4. OPERATION

4.1 Remote Control

The included remote control provides access to all TV functions. It features dedicated buttons for popular streaming services and Google Assistant for voice control.

7. TROUBLESHOOTING

If you encounter issues with your TV, refer to the following common problems and solutions:

Problem	Possible Solution
No Power	Ensure the power cable is securely connected to both the TV and the electrical outlet. Check if the outlet is working by plugging in another device.
No Picture/Sound	Verify the correct input source is selected. Check all cable connections (HDMI, AV). Ensure volume is not muted or too low.
Remote Not Working	Replace the batteries. Ensure there are no obstructions between the remote and the TV's IR sensor.
Wi-Fi Connection Issues	Restart your router and the TV. Ensure the TV is within range of your Wi-Fi network. Re-enter the Wi-Fi password.
Apps Not Loading/Crashing	Clear the cache for the problematic app in the TV settings. Ensure the TV's software is up to date. Restart the TV.

8. MAINTENANCE

Proper care and maintenance will extend the life of your TV:

- **Cleaning the Screen:** Use a soft, lint-free cloth specifically designed for electronics. Do not use harsh chemicals or abrasive cleaners. Lightly dampen the cloth with water if necessary, but never spray liquid directly onto the screen.
- **Cleaning the Body:** Wipe the TV's frame and stand with a soft, dry cloth.
- **Ventilation:** Ensure the TV's ventilation openings are not blocked to prevent overheating.
- **Power Off When Not in Use:** For extended periods of inactivity, unplug the TV from the power outlet.

9. WARRANTY AND SUPPORT

Your Itel G3265 TV comes with a **1-year manufacturer's warranty** from the date of purchase. This warranty covers manufacturing defects and issues arising from normal use.

For warranty claims, technical support, or service inquiries, please refer to the contact information provided on your Warranty Card or visit the official Itel support website.

Keep your purchase receipt and warranty card in a safe place as proof of purchase is required for warranty services.
