Feelfunn ZX-BR-110H

Feelfunn 3.2 Cu.Ft Beverage Refrigerator User Manual

Model: ZX-BR-110H

1. Important Safety Information

Read all instructions before using this appliance to reduce the risk of fire, electric shock, or injury. Keep this manual for future reference.

- Ensure the appliance is properly grounded.
- Do not operate the appliance with a damaged cord or plug.
- Do not store explosive substances such as aerosol cans with a flammable propellant in this appliance.
- Unplug the appliance before cleaning or performing maintenance.
- **Important:** For peak performance, maintain the fridge upright for 24 hours before initial use. This allows the refrigerant to settle.

2. What's in the Box

Your Feelfunn 3.2 Cu.Ft Beverage Refrigerator package includes:

- Beverage Fridge Unit
- 4 Removable Shelves
- User Manual

3. Product Overview

The Feelfunn 3.2 Cu.Ft Beverage Refrigerator is designed for efficient and stylish beverage storage. It features a glass door, adjustable shelves, and precise temperature control.

Key Features

- **Optimal Storage Capacity:** 3.2 Cu.Ft capacity, accommodating up to 126 cans or various wine

bottles. Includes 4 adjustable shelves for flexible storage.

- **Intelligent Temperature Management:** Wide temperature range (34°F to 64°F) with an intuitive digital display for precise control.
- **3D Circulating Air Cooling:** Robust compressor system provides consistent temperatures and frost-free operation.
- **Premium Design & Aesthetics:** Double-layer glass door with LOW-E coating, reversible door, adjustable feet, and soft blue LED lighting.
- **Low Noise & Energy Saving:** Operates at a low noise level (≤36dB) with an estimated energy cost of approximately $0.1 per day.

Image: Optimal Storage Capacity - The refrigerator can hold up to 126 cans and features 4 adjustable shelves.

Image: Intelligent Temperature Control - Digital display and controls for setting temperatures between 34°F and 64°F.

Image: 3D Circulating Air Cooling - Illustrates the internal airflow for consistent and frost-free cooling.

Image: Premium Design & Aesthetics - Features a double-layer glass door with LOW-E coating for insulation and UV protection.

Image: Low Noise & Energy Saving - The unit operates quietly at ≤36dB and is energy efficient.

Image: Product Details - Highlights the reversible door, recessed handle, and adjustable feet for versatile placement.

4. Setup and Installation

Unpacking

Carefully remove all packaging materials. Inspect the appliance for any shipping damage. If damage is found, do not operate the unit and contact customer support.

Placement

- This beverage refrigerator is designed for under-counter or freestanding installation.
- Place the unit on a flat, stable surface away from direct sunlight and heat sources.
- Allow at least 2-4 inches of space around the back and sides for proper ventilation.

Leveling

The unit features adjustable feet. Use a level to ensure the refrigerator is perfectly level to optimize cooling performance and door alignment.

Initial Use

After placement, allow the refrigerator to stand upright for at least 24 hours before plugging it in. This allows the compressor oils and refrigerant to settle, preventing potential damage.

Reversible Door

The door is reversible, allowing it to open from either the left or right side. Refer to the detailed instructions in the included user manual for steps on how to reverse the door swing.

5. Operation

Powering On/Off

Press the power button on the control panel to turn the unit on or off.

Temperature Control

- Use the up and down arrows on the digital control panel to set your desired temperature.
- The temperature range is 34°F to 64°F (1°C to 18°C).
- The digital display will show the current internal temperature.

Internal LED Lighting

Press the light bulb icon on the control panel to turn the soft blue LED interior light on or off.

Video: How to Use a Beverage Fridge, Capacity, Operation, Scenarios. This video demonstrates the basic operation, capacity, and various usage scenarios for the Feelfunn beverage refrigerator.

6. Maintenance and Care

Cleaning

- Always unplug the unit before cleaning.
- Clean the interior with a soft cloth and a mild detergent solution. Avoid abrasive cleaners.
- Wipe down the exterior with a soft, damp cloth.
- Clean the condenser coils at the back of the unit periodically to maintain efficiency.

Defrosting

This unit features a manual defrost system. If ice buildup occurs, unplug the unit and allow the ice to melt naturally. Do not use sharp objects to remove ice.

Storage

If storing the unit for an extended period, unplug it, clean thoroughly, and leave the door slightly ajar to prevent odors and mold growth.

7. Troubleshooting

Before contacting customer support, please refer to the following common issues and solutions:

Problem	Possible Cause	Solution
Unit does not operate	No power; power cord unplugged; circuit breaker tripped.	Check power connection; reset circuit breaker.
Temperature is not cold enough	Temperature setting too high; door not closed properly; excessive door openings; unit placed near heat source.	Adjust temperature setting; ensure door is sealed; reduce door openings; relocate unit.
Excessive noise	Unit not level; objects vibrating against the unit; normal compressor operation.	Adjust leveling feet; ensure nothing is touching the unit; some noise is normal.
Door not closing properly	Unit not level; gasket dirty or damaged; shelves improperly placed.	Level the unit; clean or replace gasket; reposition shelves.

8. Specifications

Feature	Detail
Brand	Feelfunn
Model Name	beverage cooler
Model Number	ZX-BR-110H
Product Dimensions (D x W x H)	18.9"D x 17.5"W x 30.79"H
Capacity	3.2 cubic feet (126 Cans)
Temperature Range	34°F to 64°F
Number of Shelves	4 (Removable, Adjustable)
Installation Type	Under-Counter/Freestanding
Defrost System	Manual
Cooling Method	Compressor
Noise Level	≤36dB
Voltage	115 volts
Annual Energy Consumption	288 kilowatt hours per year
Item Weight	50 pounds
Special Features	Adjustable Shelves, Interior LED Lighting, Reversible Glass Door, Air Cooling System, Low Noise

9. Warranty and Support

Warranty Information

This Feelfunn beverage refrigerator comes with a 1-year accessory maintenance service. Please retain your proof of purchase for warranty claims.
