SETUP

Battery Installation

The VTech Cutie Paws Puppy Carrier requires 2 AAA batteries for operation. Batteries included are for demo purposes only; new batteries are recommended for regular use.

1. Locate the battery compartment on the back of the carrier.
2. Using a screwdriver, loosen the screw on the battery compartment cover.
3. Remove the cover.
4. Insert 2 new AAA batteries, ensuring correct polarity (+/-) as indicated inside the compartment.
5. Replace the battery compartment cover and tighten the screw securely.

Important Battery Information:

- Non-rechargeable batteries are not to be recharged.
- Rechargeable batteries are only to be charged under adult supervision.

- Rechargeable batteries are to be removed from the toy before being charged.
- Do not mix old and new batteries.
- Do not mix different types of batteries (e.g., alkaline, standard, rechargeable).
- Only batteries of the same or equivalent type as recommended are to be used.
- Batteries are to be inserted with the correct polarity.
- Exhausted batteries are to be removed from the toy.
- The supply terminals are not to be short-circuited.

OPERATING INSTRUCTIONS

Power On/Off and Volume Control

Locate the power switch on the side of the carrier. Slide the switch to turn the unit On or Off. The switch also allows you to select between two volume levels for comfortable play.

Interactive Play

Press the colorful buttons on the front of the carrier to activate different learning modes and phrases. Each button is associated with numbers, colors, or shapes, providing educational content.

Engage in role-play by using the included accessories:

- Use the **comb** to groom your plush puppy.
- Pretend to feed your puppy with the **bone** and **treat bag**.
- Give your puppy water using the **water bottle** and **water dish**.
- Play fetch with the **flying disk**.
- Use the **cell phone** for pretend calls related to pet care.

The plush puppy can be easily removed from the carrier for independent play and cuddling. When playtime is over, store all accessories in their designated slots on the carrier to keep them organized.

CARE AND MAINTENANCE

- Keep the unit clean by wiping it with a slightly damp cloth. Do not use harsh chemicals or abrasive cleaners.
- Keep the unit out of direct sunlight and away from any direct heat sources.
- Remove the batteries if the unit will not be used for an extended period.
- Do not drop the unit on a hard surface and do not expose the unit to moisture or water.
- The plush puppy can be surface-cleaned with a damp cloth and mild soap. Do not machine wash or submerge in water.

TROUBLESHOOTING

Problem	Solution
Unit does not turn on or respond.	- Ensure the power switch is in the "On" position. - Check battery polarity (+/-). - Replace with new AAA batteries. - If the unit is still unresponsive, try turning it off and on again.
Sound is distorted or too low.	- Adjust the volume switch to a higher setting. - Replace batteries if they are low.
Accessories do not stay in storage slots.	- Ensure accessories are placed correctly in their designated slots. - Note that some accessories may not lock firmly in place and are designed for easy removal by small hands.
