## YEABRICKS LLK624

# YEABRICKS LED Light Kit for Disney Mini Ariel's Castle (Model LLK624)

Instruction Manual

## INTRODUCTION

---

This manual provides comprehensive instructions for the installation, operation, and maintenance of your YEABRICKS LED Light Kit, model LLK624. This light kit is specifically designed to illuminate the 40708 Disney Mini Ariel's Castle building set. Please note that the building set itself is **not included** with this light kit.

The purpose of this light kit is to enhance the visual appeal of your completed building model, bringing it to life with dynamic lighting. Please read all instructions carefully before beginning the installation process.

## PACKAGE CONTENTS

---

Before you begin, please verify that all components listed below are present in your package:

- LED Light Kit components (various wires, LED lights, connection boards)
- Battery Box (batteries not included)
- User Guide (this document)

## SETUP AND INSTALLATION

---

Detailed, step-by-step instructions are crucial for proper installation. You can access these instructions via two methods:

1. **PDF Instruction Manual:** Scan the QR code provided in the box or on the product listing to download a detailed PDF guide.
2. **Video Instructions:** Video tutorials are also available by scanning the QR code, offering visual guidance for each step.

It is recommended to follow the instructions carefully to avoid damaging the delicate wires and LED components. Ensure your building set is fully assembled before installing the light kit.

For the most up-to-date instructions, please visit the official YEABRICKS instruction page: [yeabricks.com/pages/instruction-pdf](https://yeabricks.com/pages/instruction-pdf)

★ NOT INCLUDE THE LEGO MODEL

## OPERATING THE LIGHT KIT

Once the LED light kit is fully installed according to the instructions, connect the battery box (or other power source, if applicable) to the main connection point of the light kit. Insert the required batteries (typically AA or AAA, check the battery box for specifics) into the battery box, ensuring correct polarity. Turn on the power switch on the battery box to activate the lights.

The lights are designed to illuminate various sections of your Disney Mini Ariel's Castle, creating a vibrant and detailed display.

## MAINTENANCE

---

To ensure the longevity and optimal performance of your LED light kit, follow these maintenance guidelines:

- **Cleaning:** Gently dust the LED components and wires with a soft, dry cloth. Avoid using liquid cleaners directly on the lights or electrical connections.
- **Battery Replacement:** When the lights dim or stop working, replace the batteries in the battery box with new ones of the correct type and size. Always dispose of old batteries responsibly.
- **Handling:** Avoid excessive bending or pulling of the wires, as this can cause damage to the internal connections.

## TROUBLESHOOTING

---

If you encounter any issues with your YEABRICKS LED Light Kit, please refer to the following common

problems and solutions:

- **Lights Not Working:**

- Check if the battery box is properly connected to the light kit.
- Ensure batteries are inserted correctly and are not depleted. Replace if necessary.
- Verify that the power switch on the battery box is in the 'ON' position.
- Inspect all wire connections to ensure they are secure.

- **Some Lights Not Illuminating:**

- Check the specific connections for the non-working lights.
- Ensure no wires are pinched or cut within the building set.

- **Flickering Lights:**

- This may indicate low battery power; try replacing the batteries.
- Check for loose connections.

If these steps do not resolve the issue, please contact our customer support for further assistance.

## SPECIFICATIONS

---

Feature	Detail
Product Dimensions	6.3 x 4.3 x 1.18 inches
Item Weight	4.2 ounces
Item Model Number	LLK624
Manufacturer	YEABRICKS
Recommended Age	6 - 15 years

## WARRANTY AND SUPPORT

---

YEABRICKS is committed to providing high-quality products and excellent customer service.
