ACCOHOHO 72-inch Farmhouse Pantry Cabinet User Manual

Model: B0CS343ZP9

Introduction

Thank you for choosing the ACCOHOHO 72-inch Farmhouse Pantry Cabinet. This manual provides essential information for the safe assembly, operation, and maintenance of your new storage cabinet. Please read these instructions carefully before beginning assembly and retain them for future reference.

Safety Information

Your safety is paramount. Please adhere to the following guidelines:

- **Anti-Tip Kit:** It is crucial to install and properly use the included anti-tip kit to secure the cabinet to the wall. This prevents accidental tipping, especially in households with children or pets.
- **Weight Distribution:** Distribute items evenly across shelves. Avoid placing excessively heavy objects on upper shelves to maintain stability.
- **Assembly:** Follow all assembly instructions carefully. Ensure all fasteners are tightened securely.

Setup and Assembly

The ACCOHOHO Pantry Cabinet requires assembly. Comprehensive installation instructions are included with your product. Each part and accessory is labeled with numbered stickers for easy identification.

Before You Begin:

- Review all instructions and diagrams before starting.
- Ensure you have all necessary tools (typically a screwdriver and hammer, not included).
- Clear a spacious, clean area for assembly.
- Identify all parts using the numbered stickers. A pack of spare parts is provided.

Assembly Steps:

1. Follow the step-by-step instructions provided in the separate assembly manual.
2. Assemble the main frame of the cabinet.
3. Install the fixed and adjustable shelves according to your desired configuration.
4. Attach the barn doors and ensure they operate smoothly.
5. Install the lower drawer.
6. **Crucially, install the anti-tip kit to secure the cabinet to a wall stud.**

Operation and Storage

This farmhouse pantry cabinet is designed for versatile storage in various rooms, including kitchens, dining rooms,

bathrooms, and laundry areas.

Adjustable Shelves:

- The cabinet features 5 internal shelves, 2 of which are adjustable. Each adjustable shelf has three height options and a maximum weight capacity of 35 lbs.
- To adjust a shelf, carefully remove all items, lift the shelf, and reposition the shelf pins into the desired slots. Ensure the shelf is level and securely seated before placing items back.

Door Shelves:

- The cabinet doors are equipped with 12 door shelves (6 per door), with 2 adjustable shelves on each door. These are designed with three different heights to accommodate small items like spices, bottles, and cans.
- The door shelves maximize space and provide easy access to frequently used items.

Drawer Usage:

- The smooth-gliding lower drawer provides hidden storage for various items, such as silverware, linens, or smaller kitchen appliances.
- Avoid overloading the drawer to ensure smooth operation and prevent damage.

Maintenance

To keep your ACCOHOHO pantry cabinet in optimal condition:

- **Cleaning:** Wipe the surfaces with a damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Inspection:** Periodically check all fasteners and connections to ensure they remain tight. Re-tighten if necessary.
- **Anti-Tip Kit:** Regularly verify that the anti-tip kit is securely attached to both the cabinet and the wall.

Troubleshooting

This section addresses common issues you might encounter:

Problem	Possible Cause	Solution
Cabinet feels wobbly or unstable.	Loose fasteners; uneven floor; anti-tip kit not installed or improperly secured.	Ensure all assembly fasteners are tightened. Adjust leveling feet if present, or place shims under the base on uneven floors. Verify the anti-tip kit is correctly installed and secured to a wall stud.
Drawer does not slide smoothly.	Drawer slides misaligned; obstruction; overloaded drawer.	Check that the drawer slides are correctly installed and aligned. Remove any obstructions. Reduce the weight or volume of items in the drawer.
Doors do not close properly.	Hinges misaligned; cabinet not level; obstruction.	Adjust hinges as needed. Ensure the cabinet is level. Check for any items obstructing the door's path.

Specifications

Feature	Detail
