KALAHOL 9005-D

KALAHOL 50CM LED Ceiling Fan with Lights User Manual

Model: 9005-D

Important Safety Instructions

Read all instructions carefully before installation and use. Keep this manual for future reference.

- Ensure power is disconnected before installation or maintenance.
- Installation must be performed by a qualified electrician.
- Do not install in damp locations.
- Ensure the mounting structure can support the weight of the fan.
- Keep hands and objects clear of fan blades during operation.

Product Overview

The KALAHOL 50CM LED Ceiling Fan with Lights is a modern lighting and air circulation solution designed for various indoor spaces. It features a 3600 rotating fan blade, reversible airflow, adjustable color temperature, and multiple wind speeds, controllable via remote and a mobile application.

Image: The KALAHOL 50CM LED Ceiling Fan with Lights, showcasing its sleek design and integrated lighting. A remote control and smartphone app interface are also visible, indicating control options.

Key Features:

- **3600 Rotating Fan Blade:** Provides wide, three-dimensional air supply.
- **Reversible Airflow:** Supports downward airflow for summer cooling and upward airflow for winter heat circulation.
- **Adjustable Lighting:** 3 color temperatures (warm, neutral, cold) and dimmable brightness (10%-100%).

- **6 Wind Speeds:** Customizable airflow from gentle breeze to strong circulation.
- **Quiet Operation:** DC motor ensures low noise levels (below 35dB).
- **Smart Control:** Operable via included remote control and Bluetooth APP.
- **Energy-Saving LED:** High CRI (>95) and long lifespan (50,000 hours).

Package Contents

Verify that all components are present before beginning installation.

- 1 × LED Ceiling Fan Lamp
- 1 × Remote Control
- 1 × Installation Accessories Kit
- 1 × Instruction Manual (this document)

Setup and Installation

Professional installation is recommended. Ensure power is turned off at the circuit breaker before proceeding.

Installation Steps:

1. **Prepare the Mounting Location:** Ensure the ceiling junction box is securely mounted and capable of supporting the fan's weight (3.6 kg).
2. **Attach Mounting Bracket:** Secure the mounting bracket to the ceiling junction box using the provided screws.
3. **Wire Connections:** Connect the fan's electrical wires to the household wiring according to local electrical codes. Typically, this involves connecting live, neutral, and ground wires. Ensure all connections are secure.
4. **Mount the Fan Body:** Carefully lift the fan body and attach it to the mounting bracket. Secure it with the designated screws.
5. **Install Fan Blades (if separate):** For this model, the fan blades are integrated.
6. **Install Lampshade:** Secure the lampshade to the fan body.
7. **Restore Power:** Once installation is complete, restore power at the circuit breaker.

Operating Instructions

Remote Control Operation:

The included remote control allows full functionality of the fan and light.

Image: The remote control for the KALAHOL ceiling fan, showing buttons for power, fan speed, light color temperature, brightness, timer, and fan rotation direction.

- **Power On/Off:** Press the power button to turn the fan and light on or off.
- **Fan Speed Adjustment:** Use the speed buttons (1-6) to select desired wind speed.
- **Light Color Temperature:** Cycle through warm, neutral, and cold light settings.
- **Brightness Adjustment:** Increase or decrease light brightness (10%-100%).
- **Fan Rotation (Reversible):** Switch between summer (downward airflow) and winter (upward airflow) modes.
- **Timer Function:** Set the fan to turn off after 1 or 2 hours.

- **Pairing Remote:** If the remote does not work initially, press and hold the pairing button (often the power button or a dedicated pairing button) within 5 seconds after turning on the fan light until the light flashes, indicating successful pairing.

APP Control Operation:

The fan can also be controlled via a Bluetooth mobile application.

Image: A smartphone screen displaying the control interface for the KALAHOL ceiling fan, showing options for fan speed, light settings, and other smart functions.

1. **Download APP:** Scan the QR code provided in the product packaging or search for the "Ceiling fan with light" app in your mobile app store.
2. **Add Device:** Open the app and follow the instructions to add a new device.
3. **Choose Your Light Fan:** Select your specific fan model from the list.
4. **Click to Pair:** Initiate the pairing process. Ensure Bluetooth is enabled on your device.
5. **Advanced Functions:** The app provides additional features such as night light mode, comfort wind, and sleep wind settings.

Image: The ceiling fan demonstrating its 360-degree rotating fan blade feature, indicating a wider air distribution compared to fixed-point fans.

Image: An illustration showing the reversible airflow function of the ceiling fan, with blue arrows indicating downward airflow for summer cooling and orange arrows indicating upward airflow for winter heat circulation.

Maintenance

Regular maintenance ensures optimal performance and longevity of your ceiling fan.

- **Cleaning:** Dust the fan blades and light fixture regularly with a soft, damp cloth. Do not use abrasive cleaners or solvents. Ensure power is off before cleaning.
- **Blade Balance:** If the fan wobbles, check that all blade screws are tight.
- **Light Source:** The LED light source is designed for long life (50,000 hours) and is generally not user-replaceable.

Contact customer support if the light fails.

- **Motor:** The pure copper motor is designed for quiet and stable operation and requires no lubrication.

Troubleshooting

Problem	Possible Cause	Solution
Fan does not operate.	No power supply; Loose wiring; Remote control not paired.	Check circuit breaker; Verify wiring connections; Pair remote control (see Operating Instructions).
Light does not turn on.	No power supply; Loose wiring; LED failure.	Check circuit breaker; Verify wiring connections; Contact customer support for LED issues.
Fan wobbles.	Loose mounting screws; Unbalanced blades.	Ensure all mounting and blade screws are tight.
Remote control not responding.	Batteries low/dead; Remote not paired.	Replace remote control batteries; Re-pair remote control.
Fan is noisy.	Loose components; Obstruction.	Check for loose screws or parts; Ensure nothing is obstructing the fan blades.

Specifications

Feature	Detail
Brand	KALAHOL
Model Number	9005-D
Product Dimensions	50 x 27 x 50 cm
Item Weight	3.6 kg
Material	Acrylonitrile Butadiene Styrene (ABS)
Colour	White
Voltage	220 Volts
Wattage	30 watts
Luminous Flux	3800 Lumen
Bulb Type	LED
EU Energy Efficiency Label	A+++
Control Method	Remote Control, App Control
Special Features	Energy Efficient, Timer, Quiet, 3600 Rotating Fan Blade, Adjustable Colour Temperature

Warranty and Support

For warranty information and customer support, please refer to the contact details provided with your purchase or visit the official KALAHOL website. Keep your purchase receipt as proof of purchase.
For information on light bulb recycling and clean-up, please refer to relevant local guidelines or visit Light Bulb Recycling and Light Bulb Breakage and Clean Up Information.
