## VEVOR RF-RY-029

# VEVOR Garden Tool Organizer Instruction Manual

Model: RF-RY-029

## INTRODUCTION

---

Thank you for choosing the VEVOR Garden Tool Organizer. This manual provides important information regarding the safe assembly, operation, and maintenance of your new tool organizer. Please read it thoroughly before use and retain it for future reference.

## SAFETY INSTRUCTIONS

---

- Read all instructions carefully before assembly and use.
- Keep children and pets away from the assembly area.
- Ensure all parts are securely fastened before placing tools on the organizer.
- Do not overload the organizer. Distribute weight evenly to maintain stability.
- Use on a level surface. If using wheels, ensure they are locked when stationary.
- Avoid placing sharp or heavy objects in a way that could cause instability or injury.
- Regularly inspect the organizer for any signs of wear or damage. Do not use if damaged.

## PACKAGE CONTENTS

---

Verify that all components are present before beginning assembly.

- 1 x Garden Tool Organizer (main frame, shelves, hooks, wheels, adjustable feet)
- Assembly Hardware (screws, nuts, wrench if applicable)
- Instruction Manual

*Note: The organizer includes 16 slots, 5 movable hooks, 13 fixed hooks, and 3 shelves.*

Fixed Hook Quantity	13
Number of Shelves	3
Material	Carbon Steel
Color	Black
Product Dimensions (L x W x H)	25.66 x 15.86 x 38.5 inches (652 x 403 x 990 mm)
Product Weight	23.81 lbs (10.8 kg)
Mounting Type	Floor Mount
Indoor/Outdoor Usage	Outdoor

## ASSEMBLY INSTRUCTIONS

---

Follow these steps for easy assembly. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

# EASY ASSEMBLY BY ONE PERSON

Completed in just a few simple steps

Follow the instructions, and it only takes one person and the time for a cup of coffee to assemble

Image: Visual guide showing the five main steps for assembling the garden tool organizer.

- Step 1: Prepare the Base.** Lay out the main base frame of the organizer on a flat surface. Ensure the bottom panel is correctly oriented.
- Step 2: Attach Side Panels.** Securely attach the side panels to the base frame using the provided hardware. Ensure all connections are tight.
- Step 3: Install Shelves.** Insert the wire mesh shelves into their designated slots on the frame. The shelves should slide in smoothly and rest securely.
- Step 4: Add Top Frame.** Attach the top frame section to the upper part of the side panels. This forms the structure for the long-handled tool slots.
- Step 5: Attach Wheels/Feet and Hooks.** Install the swivel casters (wheels) or adjustable feet to the bottom of the organizer. Attach the fixed and movable hooks to the side rails as desired. Ensure wheels are locked if the unit is to remain stationary.

*Note: The assembly process is designed to be completed by one person.*

## OPERATION AND USAGE

The VEVOR Garden Tool Organizer is designed for efficient storage of various garden and yard tools. Its features allow for versatile organization.

**VEVOR**  
TOUGH TOOLS, HALF PRICE

**16**  
Rack Slots

**5**  
Movable Hooks

**13**  
Fixed Hooks

**3**  
Shelves

**ONE-STOP STORAGE SOLUTION**  
Accommodates 16 long-handled tools

Image: The VEVOR Garden Tool Organizer fully loaded with long-handled tools, smaller items on shelves, and hooks in use.

### Storing Long-Handled Tools

The top section of the organizer features 16 dedicated slots for long-handled tools such as shovels, rakes, brooms, and string trimmers. Insert the handles into the slots for secure upright storage.

## 2 TYPES OF HOOKS AVAILABLE

Meet various requirements

**13 Fixed Hooks**  
Hanging tools with  
holes

**5 Movable Hooks**  
Hanging objects

Image: Detailed view of the two types of hooks: 13 fixed hooks for tools with hanging holes and 5 movable hooks for various hanging objects.

### Utilizing Hooks

The organizer includes 13 fixed hooks and 5 movable hooks. The fixed hooks are ideal for tools with hanging holes, while the movable hooks offer flexibility for hanging various items like wire cutters, gloves, or small bags.

### Shelf Storage

The three wire mesh shelves provide space for smaller items such as gardening boots, watering cans, fertilizer bags, seeds, or other accessories. The mesh design allows for air circulation and prevents water accumulation.

# CONVENIENT & EASY TO USE

Swivel casters & adjustable feet

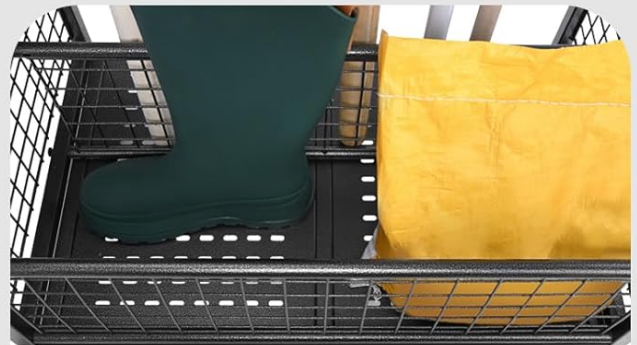

## Swivel Casters

2 wheels with brakes for easy mobility and locking

**Height -Adjustable Feet**  
Suitable for uneven ground

**Wire Mesh**  
Ideal for storing soil, fertilizer, seeds, and other tools

Image: Close-up showing the lockable swivel casters for mobility and adjustable feet for stability on uneven surfaces.

## Mobility and Stability

Equipped with lockable swivel wheels, the organizer can be easily moved to different locations in your garage, shed, or garden. For stationary use, engage the wheel locks to secure the unit in place. Adjustable feet are also provided to ensure stability on uneven ground.

# USE IT ANYWHERE

Garden

Tool Room

Garage

Image: Examples of the organizer being used in a garden, a tool room, and a garage, demonstrating its versatility.

## MAINTENANCE

- **Cleaning:** Wipe down the carbon steel frame and shelves with a damp cloth and mild detergent as needed. Dry thoroughly to prevent rust.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.
- **Wheel Care:** Keep the wheels free of debris to ensure smooth movement. Lubricate axles if they become stiff.
- **Storage:** If storing outdoors, consider covering the organizer during prolonged periods of harsh weather to extend its lifespan, despite its powder-coated finish.

## TROUBLESHOOTING

- **Organizer is unstable:** Ensure the organizer is on a level surface. Adjust the leveling feet if necessary. Distribute tools evenly to balance the weight.
- **Wheels do not roll smoothly:** Check for debris caught in the wheels. Clean and lubricate the wheel axles if needed.

Ensure wheel locks are disengaged.

- **Difficulty with assembly:** Review the assembly instructions carefully. Ensure all parts are correctly oriented and hardware is used in the designated locations. Do not force parts together.

## WARRANTY AND SUPPORT

---

For warranty information or technical support, please refer to the purchase documentation or contact VEVOR customer service directly. Contact details can typically be found on the VEVOR official website or through your retailer.

*Please have your model number (RF-RY-029) and purchase date available when contacting support.*
