PARGRILL PA23004

PARGRILL 4-Piece Heavy Duty Stainless Steel BBQ Tool Set

Model: PA23004 - Instruction Manual

PRODUCT OVERVIEW

The PARGRILL 4-Piece Heavy Duty Stainless Steel BBQ Tool Set provides essential utensils for grilling. This set includes a spatula, fork, basting brush, and tongs, all crafted from food-grade stainless steel with comfortable, heat-resistant handles.

Image: The PARGRILL 4-Piece BBQ Tool Set, showcasing the spatula, fork, basting brush, and tongs, both in their product packaging and individually displayed.

COMPONENTS INCLUDED

- **Spatula:** Slotted design for draining excess grease. Features a beveled edge and a soft TPR handle.
- **Fork:** Long and reinforced for secure handling of meat. Equipped with a comfortable non-slip TPR grip.
- **Basting Brush:** Silicone bristles for even application of marinades. Features a durable handle.
- **Tongs:** Lockable design with adjustable jaw size for various grabbing needs. Includes heat-resistant grips.

LONG AND THICK

SETUP AND FIRST USE

1. **Unpacking:** Carefully remove all tools from the packaging.
2. **Initial Cleaning:** Before first use, wash all tools thoroughly with warm soapy water. Rinse completely and dry immediately to prevent water spots.
3. **Inspection:** Inspect each tool for any manufacturing defects or damage. Contact customer support if any issues are found.

OPERATING INSTRUCTIONS

Using the Spatula

The slotted spatula is designed for flipping and serving grilled items. The slots allow excess oils and liquids to drain away. Its beveled edge assists in easily sliding under food.

Image: A close-up of the slotted spatula in use, flipping a burger on a charcoal grill, demonstrating its functionality.

Using the Fork

The long fork is ideal for piercing and turning larger cuts of meat. Its length helps maintain a safe distance from the heat source.

SILICONE BASTING BRUSH

Even Application

Image: A person using the long grilling fork to turn a large piece of meat over an open flame on a grill, highlighting its reach and utility.

Using the Basting Brush

The silicone basting brush is used to apply marinades, sauces, or glazes evenly onto food during grilling. The silicone bristles are heat-resistant and easy to clean.

LONG & ENFORCED FORK

No More Signed Arm Hair

Cozy Non-Slip Grip
Heat-Against

Image: A hand holding the silicone basting brush, applying sauce to various grilled items on a barbecue, illustrating even coverage.

Using the Tongs

The lockable tongs provide a secure grip for turning, moving, and serving food. Pull the tab at the end to lock them closed for compact storage. Push the tab in to release and open the tongs.

POWER TONGS

The lockable tongs feature suitable grips and easy storage

MAINTENANCE AND CARE

- **Cleaning:** All tools are dishwasher safe. For best results and to maintain shine, hand wash with warm soapy water immediately after use. Avoid abrasive cleaners or scouring pads that could scratch the stainless steel.
- **Drying:** Dry all tools thoroughly after washing to prevent water spots and maintain their appearance.
- **Storage:** Store tools in a dry place. The tongs feature a locking mechanism for compact storage, and all tools have large hanging loops for convenient storage on grill hooks.

PREMIUM STAINLESS STEEL

Food Safe Grade

1.5mm Thicker

Polished Surface

Image: A close-up of the spatula being cleaned under running water in a kitchen sink, emphasizing its easy-to-clean polished stainless steel surface.

EASY TO STORE

Image: The BBQ tools neatly hanging on hooks, demonstrating convenient storage options both outdoors near a grill and indoors in a kitchen setting.

TROUBLESHOOTING

- **Rusting:** While made of stainless steel, prolonged exposure to moisture or harsh chemicals can cause discoloration or surface rust. Ensure tools are dried thoroughly after washing and stored in a dry environment. If rust appears, it can often be removed with a stainless steel cleaner.
- **Stains/Discoloration:** For stubborn food stains, soak the tools in warm soapy water before cleaning. For discoloration, a paste of baking soda and water can be applied, left for a few minutes, then scrubbed gently and rinsed.
- **Tongs not locking/unlocking:** Ensure the pull-tab mechanism is free of debris. Clean and dry the mechanism. If the issue persists, gently apply a small amount of food-grade lubricant.

SPECIFICATIONS

Feature	Detail
Brand	PARGRILL
Model Number	PA23004
Included Components	Spatula, Fork, Brush, BBQ Tongs
Number of Pieces	4
Material	Food Grade Stainless Steel
Handle Material	No-slip TPR
Is Dishwasher Safe	Yes
Product Dimensions (L x W x H)	9 x 3 x 16.5 inches
Item Weight	2.42 pounds (1.1 Kilograms)
Grill Compatibility	All grill types (gas, charcoal, infrared, electric, propane, rotisserie)
