IRONCK HK-JC-03

IRONCK 360° Swivel Mirrored Jewelry Cabinet User Manual

Model: HK-JC-03 | Brand: IRONCK

1. INTRODUCTION AND OVERVIEW

The IRONCK 360° Swivel Mirrored Jewelry Cabinet is a multi-functional furniture piece designed to organize jewelry and accessories while providing a full-length mirror. It features a unique 5-in-1 design, integrating a full-length mirror, a spacious jewelry storage area, a light makeup mirror, a coat rack, and rear storage shelves. This cabinet is equipped with a charging station and LED lights for enhanced convenience and utility.

2. PRODUCT FEATURES

- **5-in-1 Design:** Combines a full-length mirror, jewelry storage, light makeup mirror, coat rack, and rear storage shelves.
- **Large Storage Capacity:** Includes 1 large ring cushion, 3 bracelet rods, 2 acrylic bottom drawers, 3 makeup storage boxes, 2 plastic bags, 4 shelves, 40 necklace hooks, 48 stud earring holes, and 90 earring slots.
- **Integrated Charging Station:** Features 2 standard plug sockets and 2 USB ports for convenient device charging.
- **LED Interior Mirror:** Built-in small makeup mirror with adjustable LED lighting and a foldable makeup rack.
- **Stable and Secure:** Equipped with a sturdy base for stability and a locking mechanism with two keys for security.
- **360° Swivel Base:** Allows for easy rotation to access all sides of the cabinet.

3. SETUP AND ASSEMBLY

The IRONCK Jewelry Cabinet requires some assembly. Please follow these instructions carefully to ensure proper setup and stability.

3.1 Package Contents

Before beginning assembly, verify that all parts listed in the packing list are present and undamaged. Refer to the assembly diagram provided in the packaging for a complete list of components.

3.2 Tools Required

- Phillips head screwdriver (not included)
- Allen wrench (usually included)

3.3 Assembly Steps

1. **Unpack and Inspect:** Carefully remove all components from the packaging. Lay them out on a soft, clean surface to prevent scratches.
2. **Assemble the Base:** Attach the main support column to the circular swivel base using the provided hardware. Ensure all screws are tightened securely.

3. **Attach the Main Cabinet Body:** Carefully align and attach the main mirrored cabinet body to the assembled base. This step may require two people for stability and ease of alignment.
4. **Install Rear Shelves and Hooks:** Secure the rear storage shelves and coat rack hooks to the back of the cabinet as indicated in the assembly diagram.
5. **Connect Power Cord:** Route the power cord from the charging station through the designated opening and plug it into a standard wall outlet.
6. **Insert Batteries for LED Lights:** Open the battery compartment for the interior LED lights (typically located near the makeup mirror) and insert the required batteries (e.g., AA batteries, refer to specific instructions in your package).
7. **Final Check:** Ensure all connections are secure and the cabinet stands stably. Test the swivel mechanism and the lock.

4. OPERATING INSTRUCTIONS

4.1 Using the 360° Swivel Feature

The cabinet is designed with a smooth 360-degree swivel base. To rotate the cabinet, gently push or pull the unit from any side. Ensure there is sufficient clear space around the cabinet to allow for full rotation

without obstruction.

Figure 4: Rear view showcasing the swivel base and charging station.

4.2 Accessing Jewelry Storage

To access the jewelry storage, gently open the mirrored door. The interior is organized with various compartments for different types of jewelry:

- **Earrings:** Utilize the stud earring holes and earring slots on the inner door and main compartment.
- **Necklaces:** Hang necklaces on the designated hooks to prevent tangling.
- **Rings:** Store rings in the ring cushion.
- **Bracelets:** Use the bracelet rods for organized storage.
- **Other Accessories:** Use the acrylic bottom drawers, plastic bags, and makeup storage boxes for other items.

4.3 Using the Charging Station

The charging station is located on one of the rear shelves. Plug your devices into the 2 standard plug sockets or 2 USB ports. Ensure the cabinet's main power cord is plugged into a live wall outlet for the charging station to function.

4.4 Interior LED Light and Makeup Mirror

The interior features a small makeup mirror with integrated LED lights. To activate the lights, locate the switch (usually a touch sensor) near the mirror. The light intensity may be adjustable. A foldable makeup rack is also available for convenience during makeup application.

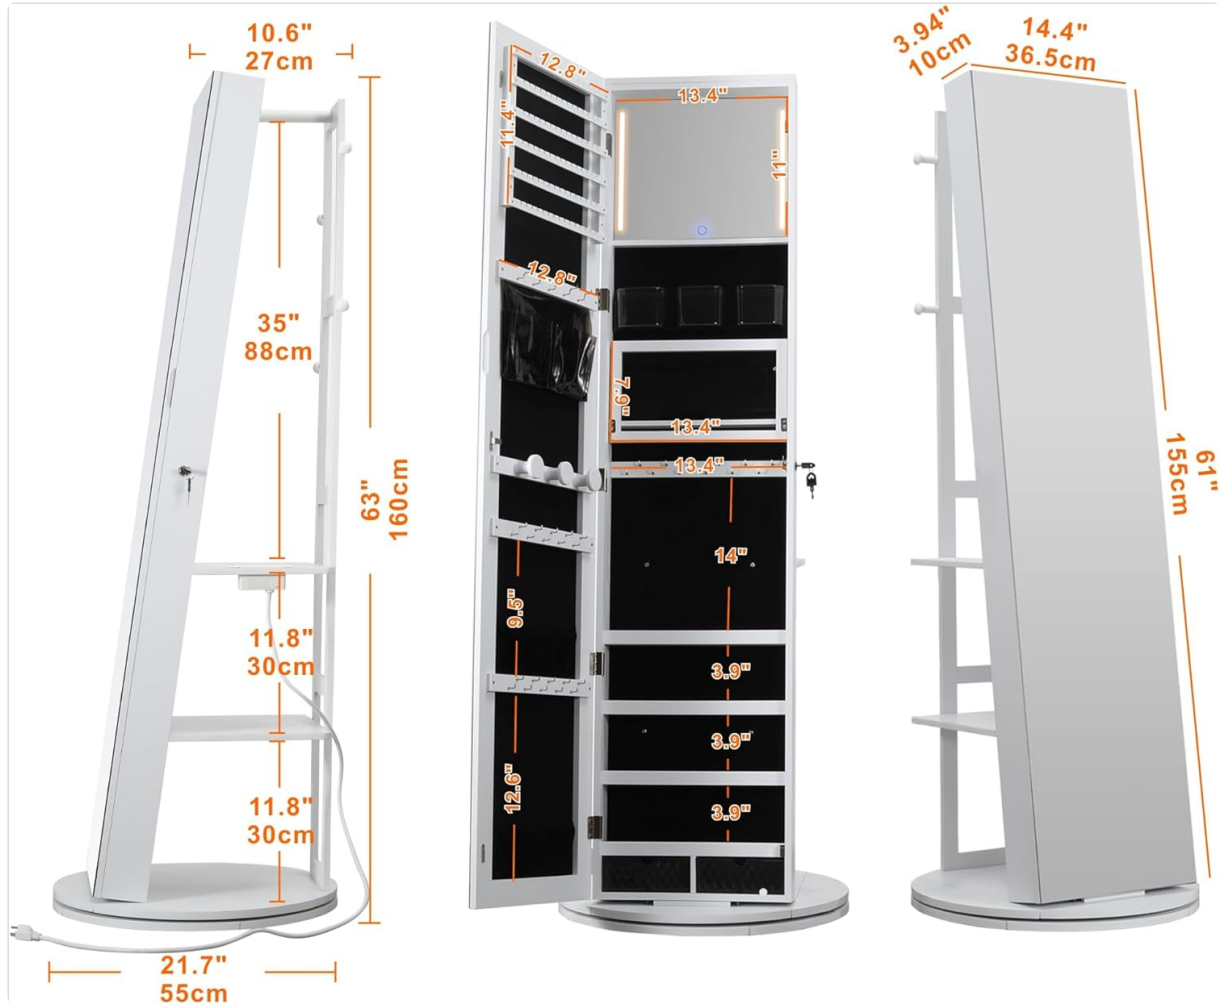

Figure 5: Using the interior makeup mirror with LED lighting.

4.5 Locking Mechanism

The cabinet is equipped with a lock to secure your valuables. Insert one of the provided keys into the lock on the side of the cabinet and turn to lock or unlock the door. Keep the spare key in a safe place.

5. MAINTENANCE

- **Cleaning the Mirror:** Use a soft, lint-free cloth and a glass cleaner to wipe the full-length and interior mirrors. Avoid abrasive cleaners that may scratch the surface.
- **Cleaning the Cabinet:** Wipe the engineered wood surfaces with a soft, damp cloth. Avoid excessive moisture. Do not use harsh chemicals or abrasive materials.
- **Jewelry Compartments:** Periodically remove jewelry and gently wipe down the velvet lining with a dry, soft cloth to remove dust.
- **LED Lights:** If the LED lights dim or stop working, replace the batteries in the designated compartment. Ensure correct battery type and polarity.

6. TROUBLESHOOTING

6.1 Cabinet Wobbles or is Unstable

- Ensure all assembly screws are fully tightened.
- Verify that the cabinet is placed on a flat, level surface.
- Check if the base is correctly assembled and securely attached to the main body.

6.2 LED Lights Not Working

- Check if batteries are installed correctly with the correct polarity.
- Replace old batteries with new ones.
- Ensure the light switch/sensor is clean and functioning.

6.3 Charging Station Not Functioning

- Verify that the cabinet's main power cord is securely plugged into a working wall outlet.
- Check the wall outlet with another device to ensure it has power.

7. SPECIFICATIONS
