› HITHOS 69-inch Tall Bookshelf with Drawers (White Gold) - Instruction Manual

HITHOS B0CS62HVPG

HITHOS 69-inch Tall Bookshelf with Drawers (White Gold)

Instruction Manual

INTRODUCTION

Thank you for purchasing the HITHOS 69-inch Tall Bookshelf with Wooden Drawers and Ladder Shelves. This manual provides essential information for the safe assembly, proper use, and maintenance of your new storage unit. Please read these instructions carefully before beginning assembly and retain them for future reference.

Safety Information

- Always assemble the unit on a soft, clean surface to prevent scratches.
- Ensure all parts are present and undamaged before assembly. Do not proceed if any parts are missing or broken.
- Do not overtighten screws during assembly to avoid damaging the material.
- Install the included anti-tip device to prevent accidental tipping, especially in households with children or pets.
- Do not exceed the maximum weight capacities specified for each shelf and drawer.
- Keep small parts and packaging materials away from children.

SETUP AND ASSEMBLY

Assembly of this bookshelf is required. Please follow the step-by-step instructions and use the numbered parts provided in the package. It is recommended to have two people for assembly.

Included Components

- High Bookshelf Unit (various panels and metal frame parts)
- Hardware Bag (screws, dowels, connectors, drawer slides, handles)
- Anti-tip Device
- Step-by-step Instruction Manual (separate document)

Tools Required (Not Included)

- Phillips Head Screwdriver
- Hammer (for dowels, if applicable)
- Drill (optional, for anti-tip device installation)

Assembly Steps

1. Unpack all components and verify against the parts list in the included instruction manual.
2. Assemble the metal frame structure according to the diagrams.
3. Attach the wooden shelves and panels to the frame.
4. Assemble the wooden drawers and install the drawer slides.
5. Install the cabinet door and its adjustable shelf.
6. Secure the anti-tip device to the top of the bookshelf and to a wall stud using appropriate hardware. This step is crucial for stability and safety.
7. Ensure all connections are secure and the unit is stable before placing items on it.

OPERATING INSTRUCTIONS

This bookshelf is designed for organized storage and display in various rooms such as offices, kitchens, or living areas.

Using the Open Shelves

The four open display shelves are suitable for books, decorative items, framed photos, or small potted plants. Distribute weight evenly across the shelves. Each open shelf has a maximum weight capacity of 78 lbs.

Using the Wooden Drawers

The three deep wooden drawers provide concealed storage for smaller items, helping to reduce clutter. Each drawer has a maximum weight capacity of 18 lbs.

Figure 3: Detail of the wooden drawers.

Using the Storage Cabinet

The lower cabinet features a door and an adjustable shelf, ideal for storing larger items or those you wish to keep out of sight. The adjustable shelf allows for customization of storage space. The cabinet shelf has a maximum weight capacity of 45 lbs.

MAINTENANCE

Proper care will extend the life and appearance of your HITHOS bookshelf.

Cleaning

- Wipe surfaces with a soft, damp cloth.
- Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- Dry immediately with a clean, soft cloth to prevent water spots.

Regular Checks

- Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- Verify that the anti-tip device is securely attached to both the unit and the wall.

TROUBLESHOOTING

If you encounter any issues with your bookshelf, refer to the following common solutions:

Unit is Wobbly

- Ensure all screws are fully tightened.
- Verify that the unit is placed on a level surface.
- Confirm the anti-tip device is correctly installed and secured to the wall.

Drawers Do Not Slide Smoothly

- Check that the drawer slides are installed correctly and are aligned.
- Ensure no obstructions are in the drawer tracks.
- Verify that the drawer contents do not exceed the maximum weight capacity.

If problems persist, please contact customer support.
