## SKKTKT B-White2

# SKKTKT Full Length Mirror with Jewelry Storage Instruction Manual

Model: B-White2

## PRODUCT OVERVIEW

---

The SKKTKT Full Length Mirror with Jewelry Storage is a versatile 4-in-1 unit designed to organize jewelry, cosmetics, and accessories while providing a full-length mirror and a vanity makeup mirror. It features 360-degree rotation with rollers for easy movement and positioning, and built-in 3-color LED lights for enhanced visibility during makeup application or jewelry selection. The cabinet is constructed from premium MDF and glass, ensuring durability and security with a lockable design.

## KEY FEATURES

- **Extensive Storage Capacity:** Includes 108 earring slots, 18 necklace hooks, 60 ring slots, a foldable makeup tray, 2 bangle/bracelet rods, 3 brush holders, multiple lipstick racks, 4-tier storage shelves, 3 storage pockets, and 3 rear storage shelves.
- **360-Degree Rotation:** Equipped with 4 rollers for flexible positioning and easy access to all sides of the cabinet.
- **Integrated LED Lighting:** Features a built-in LED light strip with 3 color options (White, Warm, Blue) for optimal

illumination. Lights automatically activate when the door opens. (Requires 3 AA batteries, not included).

- **Multi-functional Design:** Serves as a jewelry organizer, full-length mirror, vanity makeup mirror, and a large storage unit.
- **Durable and Secure Construction:** Made from premium MDF and glass, with a high-quality lock to secure contents.

# 64" (162 cm) Tall, Large Capacity

With a reasonable layout, ease of use

## SETUP AND ASSEMBLY

---

The main body of the SKKTKT Full Length Mirror with Jewelry Storage comes pre-assembled. Only the base and stand require attachment. Follow these steps for quick and easy setup:

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify that all components listed in the packing list are present.
2. **Attach the Base:** Securely attach the base to the bottom of the main cabinet body using the provided screws and tools. Ensure the base is oriented correctly to allow for 360-degree rotation.
3. **Install the Stand:** Connect the stand to the main cabinet and the base as per the diagrams in the included assembly guide. Tighten all fasteners to ensure stability.
4. **Insert Batteries for LED Lights:** Locate the battery compartment for the LED lights. Insert 3 AA batteries (not included) into the compartment, ensuring correct polarity.
5. **Position the Cabinet:** Place the assembled cabinet in your desired location. The 360-degree rotating wheels allow for easy repositioning. Lock the wheels once the cabinet is in place.

# Foldable Makeup Shelf

Designed to hold brushes, foundations, lipsticks, etc. during make-up application, for maximum convenience.

## OPERATING INSTRUCTIONS

- **Accessing Storage:** Open the mirrored door to reveal the internal jewelry and cosmetic storage compartments.
- **Using LED Lights:** The LED lights automatically turn on when the door is opened. To change the light color (White, Warm, Blue), gently touch the designated switch located near the mirror.

- **Utilizing the Foldable Makeup Tray:** The internal makeup tray can be folded down for use during makeup application, providing a convenient surface for brushes, foundations, and lipsticks. Fold it back up when not in use to save space.
- **Rotating the Cabinet:** To rotate the cabinet, unlock the wheels at the base. Gently push or pull the cabinet to rotate it 360 degrees to your desired position. Lock the wheels again to secure it.
- **Locking the Cabinet:** Use the provided key to lock the cabinet door, ensuring the security of your valuables.

## MAINTENANCE AND CARE

- **Cleaning the Mirror:** Use a soft, lint-free cloth and a glass cleaner to wipe the mirror surface. Avoid abrasive cleaners that may scratch the glass.
- **Cleaning the Cabinet:** Wipe the exterior and interior surfaces of the cabinet with a soft, damp cloth. For stubborn

spots, a mild soap solution can be used, followed by drying with a clean cloth.

- **Dusting:** Regularly dust all surfaces to prevent buildup.
- **Battery Replacement:** Replace the 3 AA batteries for the LED lights when they dim or stop working.
- **Avoid Overloading:** Do not overload the storage compartments or shelves beyond their capacity to prevent damage or instability.
- **Protect from Moisture:** Keep the cabinet away from excessive moisture or direct sunlight to preserve the wood finish and internal materials.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
LED lights do not turn on.	Batteries are dead or incorrectly installed. Door sensor malfunction.	Check and replace the 3 AA batteries, ensuring correct polarity. Ensure the door is fully closed and then opened to trigger the sensor. If problem persists, contact customer support.
Cabinet is unstable or wobbles.	Loose assembly screws. Wheels are not locked. Uneven floor surface.	Retighten all assembly screws, especially those connecting the base and stand. Ensure all 4 wheels are in the locked position. Move the cabinet to a level surface or use shims to stabilize.
Door does not close properly.	Obstruction inside the cabinet. Misaligned hinges.	Remove any items blocking the door's path. Check hinge alignment and tighten screws if loose.

## PRODUCT SPECIFICATIONS
