PetsCosset GF03

PetsCosset Wooden Sandbox with Lid and Adjustable Canopy

MODEL: GF03

Thank you for choosing PetsCosset. This manual provides essential information for the safe assembly, operation, and maintenance of your new wooden sandbox.

1. Product Overview

The PetsCosset Wooden Sandbox (Model GF03) is designed for outdoor play, offering a safe and engaging environment for children. It features a durable wooden construction, an adjustable and rotatable canopy for sun protection, and foldable bench seats that convert into a protective lid.

Image Description: A young child is seated inside the PetsCosset wooden sandbox, playing with sand toys. The sandbox features a light grey canopy providing shade and two foldable wooden bench seats on either side. Additional sand toys are scattered around the sandbox.

2. Safety Information

- **Adult Supervision Required:** Always supervise children during play.
- **Assembly by Adults:** This product contains small parts and requires assembly by an adult. Keep small parts away from children before and during assembly.
- **Weight Limit:** The bench seats have a maximum load-bearing capacity of 200 lbs.
- **Recommended Age:** Suitable for children aged 3 months and up.
- **Placement:** Place the sandbox on a level, stable surface. Ensure adequate clearance around the sandbox.
- **Maintenance:** Regularly inspect the sandbox for loose parts, splinters, or damage. Repair or replace as necessary.

3. Parts List

Before assembly, ensure all components listed below are present. Refer to the included hardware pack for screws and other small parts.

- Wooden side panels (various sizes)
- Wooden bench seats with backrests
- Canopy frame components
- UV-resistant and waterproof canopy fabric
- Adjustable height knobs
- Hinges for benches
- Eco-friendly ground liner
- Hardware pack (screws, bolts, etc.)

Image Description: An illustrative diagram showing all the individual wooden components and the canopy fabric laid out, indicating the various parts included in the sandbox kit.

4. Setup and Assembly

Assembly typically takes approximately 30 minutes with a standard screwdriver. Follow these steps carefully.

1. **Prepare the Base:** Choose a level outdoor area. Lay down the eco-friendly ground liner to prevent sand from mixing with soil and to aid drainage.
2. **Assemble the Sandbox Frame:** Connect the wooden side panels using the provided screws and hardware. Ensure all connections are secure.
3. **Attach Bench Seats:** Secure the foldable bench seats to the sides of the sandbox using the hinges. Ensure they can pivot smoothly.
4. **Install Canopy Posts:** Attach the vertical posts for the canopy to the sandbox frame.
5. **Assemble and Attach Canopy:** Assemble the canopy frame and secure the UV-resistant fabric. Attach the assembled canopy to the vertical posts, ensuring the adjustable height mechanisms are correctly installed.

For a visual guide on assembly, please refer to the video below:

Video Description: An official PetsCosset video demonstrating the assembly process of the wooden sandbox, highlighting key steps and features like the adjustable canopy and foldable benches.

Image Description: A close-up view of various wooden planks and screws, illustrating the initial components required for assembling the sandbox frame.

Image Description: A partially assembled wooden sandbox frame with the four vertical posts for the canopy already attached, demonstrating the structural base.

5. Operating Instructions

5.1. Adjustable and Rotatable Canopy

The canopy can be adjusted in height and rotated 180 degrees to provide optimal shade throughout the day. Use the side adjusters to raise or lower the canopy. Rotate the canopy by gently pushing it to the desired angle.

180° ROTATABLE CANOPY

Made of premium oxford fabric provides good durability properties.

Uv protection

High waterproof

Thick Oxford Fabric

Image Description: A diagram illustrating the 180-degree rotatable canopy feature of the sandbox, showing how it can be adjusted to block UV rays from different directions.

ADJUSTABLE HEIGHT

The canopy can be adjusted up and down, adjust the canopy to the lowest height when not in use, and closed to keep out animals.

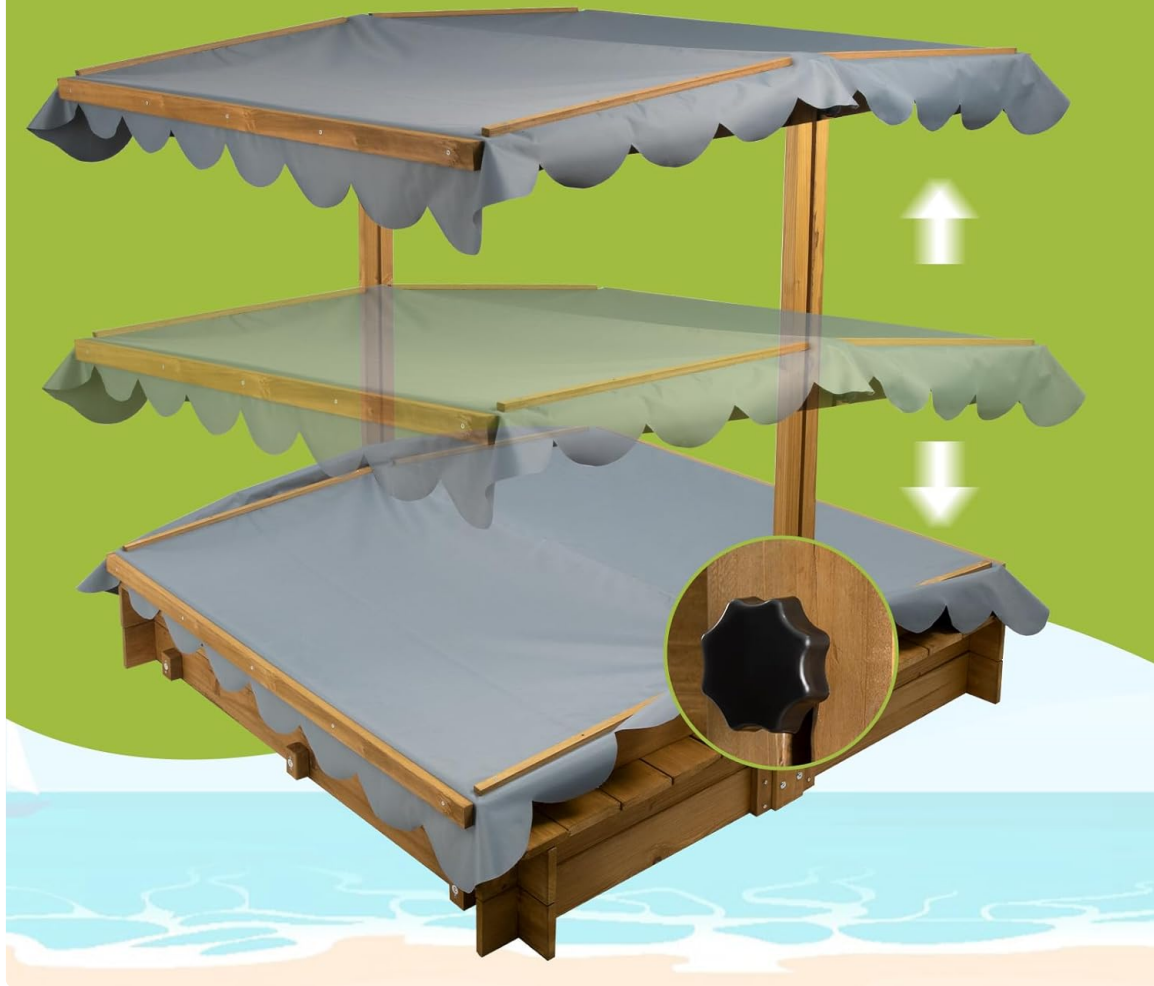

Image Description: A diagram demonstrating the adjustable height feature of the sandbox canopy, showing it can be moved up and down to cover the sandbox completely when not in use.

5.2. Foldable Bench Seats / Lid

The sandbox features two bench seats that can be folded inwards to create a protective lid. This helps to keep the sand clean from debris, animals, and rain when not in use.

SEATS CONVERT TO COVER Fold

Image Description: A split image showing the sandbox with benches open for play (top) and with benches folded inward to form a flat, protective cover (bottom), demonstrating its dual functionality.

6. Maintenance

- **Wood Care:** The sandbox is constructed from solid fir wood. To prolong its lifespan, consider applying a weather-resistant sealant annually.
- **Canopy Care:** Clean the canopy fabric with mild soap and water. Ensure it is dry before folding down for storage to prevent mildew.
- **Sand Maintenance:** Regularly rake the sand to remove debris. Replace sand as needed to maintain hygiene and play quality.
- **Hardware:** Periodically check all screws and bolts to ensure they are tight. Tighten if necessary.

7. Troubleshooting

- **Canopy difficult to adjust:** Ensure the adjustable knobs are sufficiently loosened before attempting to change height or rotation. If wood is swollen due to moisture, allow it to dry.

- **Benches not folding smoothly:** Check hinges for debris or rust. Lubricate if necessary. Ensure no sand or objects are obstructing the folding mechanism.
- **Sand escaping from bottom:** Verify the ground liner is correctly positioned and extends slightly beyond the sandbox edges. Consider securing the liner to the sandbox frame with staples for a tighter seal.

8. Specifications

Feature	Detail
Product Dimensions	47 x 47 x 47 inches (L x W x H)
Item Weight	50.6 pounds
Model Number	GF03
Recommended Age	3 months and up
Material	Solid Fir Wood, Oxford Fabric Canopy

PRODUCT SIZE

Suitable Age: 2-8 Years

Image Description: A detailed diagram illustrating the overall dimensions of the PetsCosset wooden sandbox, including length, width, and height, as well as internal measurements.
