

## JBL JBLT720BTBLUAM

# JBL Tune 720BT Wireless Over-Ear Headphones User Manual

Model: JBLT720BTBLUAM | Brand: JBL

## INTRODUCTION

---

This manual provides comprehensive instructions for the use and maintenance of your JBL Tune 720BT Wireless Over-Ear Headphones. Designed for superior audio experience, these headphones feature JBL Pure Bass sound and advanced Bluetooth 5.3 technology. With an extended battery life and convenient controls, they are built for comfort and portability.

## PRODUCT OVERVIEW

---

The JBL Tune 720BT headphones offer a range of features to enhance your listening experience:

- **JBL Pure Bass Sound:** Experience powerful and clear audio, characteristic of JBL's renowned sound technology.
- **Wireless Bluetooth 5.3 Technology:** Enjoy seamless, high-quality audio streaming from your smartphone or other Bluetooth-enabled devices without the need for cables.
- **Customizable Listening Experience:** Utilize the free JBL Headphones App to personalize your sound settings through the equalizer (EQ) and receive helpful voice prompts.
- **Extended Battery Life & Speed Charge:** Benefit from up to 76 hours of wireless playback. A quick 5-minute charge via the Type-C USB cable provides an additional 3 hours of music.
- **Hands-Free Calls with Voice Aware:** Manage calls directly from the earcup controls. Voice Aware feature allows you to hear your own voice during calls for a more natural conversation.
- **Multi-Device Connectivity:** Seamlessly switch between two Bluetooth devices, ensuring you don't miss calls while watching videos on another device.
- **Lightweight and Foldable Design:** Designed for comfort during long listening sessions and easy portability, folding flat for storage.

- > **JBL PURE BASS SOUND**
- > **WIRELESS BLUETOOTH 5.3 TECHNOLOGY**
- > **CUSTOMIZE YOUR SOUND WITH THE APP**
- > **UP TO 76H BATTERY WITH SPEED CHARGE (5MIN = 3H)**
- > **HANDS-FREE CALLS WITH VOICE AWARE**
- > **CONNECTS TO MULTIPLE DEVICES SIMULTANEOUSLY**
- > **LIGHTWEIGHT AND FOLDABLE DESIGN**

## WHAT'S IN THE BOX

---

Upon unboxing your JBL Tune 720BT headphones, you should find the following items:

- JBL Tune 720BT Headphones
- USB-C Charging Cable
- User Manual

## SETUP

---

### 1. Charging the Headphones

Before initial use, fully charge your JBL Tune 720BT headphones. Connect the supplied USB-C charging cable to the charging port on the earcup and plug the other end into a compatible USB power source. The LED indicator will show

charging status and turn off when fully charged. A full charge takes approximately 2 hours, providing up to 76 hours of playback. For quick use, a 5-minute charge can provide 3 additional hours of music.

## 2. Powering On and Bluetooth Pairing

To power on the headphones, press and hold the power button located on the earcup until the LED indicator lights up. The headphones will automatically enter pairing mode when powered on for the first time or if no paired device is found. The LED will flash blue.

1. On your device (smartphone, tablet, computer), enable Bluetooth.
2. Search for "JBL Tune 720BT" in the list of available Bluetooth devices.
3. Select the headphones to connect. The LED indicator will turn solid blue once successfully paired.

### 3. Installing the JBL Headphones App

For enhanced control and customization, download the free JBL Headphones App from your device's app store (Google Play Store for Android or Apple App Store for iOS). The app allows you to:

- Adjust the equalizer (EQ) settings to tailor the sound to your preference.
- Receive voice prompts that guide you through various headphone features and settings.
- Access additional features and updates for your headphones.

## OPERATING INSTRUCTIONS

---

### Wearing the Headphones

The JBL Tune 720BT headphones are designed for over-ear comfort. Ensure the earcups fully enclose your ears for optimal sound isolation and comfort. The headband is adjustable to fit various head sizes.

## Controls on the Earcup

The right earcup features intuitive buttons for managing your audio and calls:

- **Power Button:** Press and hold to power on/off.
- **Volume Up/Down:** Adjust playback volume.
- **Multi-function Button:**
  - Press once to Play/Pause music or Answer/End a call.
  - Press twice to Skip to the next track.
  - Press three times to Skip to the previous track.
  - Press and hold to activate Voice Assistant (Siri, Google Assistant, Alexa).
- **Voice Aware:** During calls, this feature allows you to hear your own voice through the headphones, preventing you from speaking too loudly.

## Multi-Point Connection

The JBL Tune 720BT supports multi-point connection, allowing you to pair with two Bluetooth devices simultaneously. For example, you can be connected to your smartphone and your laptop. If a call comes in on your phone while you are watching a video on your laptop, the headphones will seamlessly switch to your phone, ensuring you don't miss the call. After the call, they will switch back to the laptop.

## Foldable Design

The headphones feature a foldable design, making them easy to store and transport. The earcups can be folded flat and inward towards the headband, reducing their footprint for travel or storage in a backpack.

# COMFORTABLE FOLDABLE 5.3 BT WIRELESS

## MAINTENANCE

---

- **Cleaning:** Use a soft, dry cloth to clean the earcups and headband. Avoid using harsh chemicals or abrasive materials.
- **Storage:** When not in use, store the headphones in a cool, dry place, ideally in their folded position to protect them from damage.
- **Battery Care:** To prolong battery life, avoid fully discharging the headphones frequently. Charge them regularly, even if not in constant use.
- **Avoid Extreme Conditions:** Do not expose the headphones to extreme temperatures, humidity, or direct sunlight.

## TROUBLESHOOTING

---

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Headphones do not power on.	Low or no battery.	Charge the headphones fully using the supplied USB-C cable.
Cannot pair with Bluetooth device.	Bluetooth is off on device; headphones not in pairing mode; too far from device.	Ensure Bluetooth is enabled on your device. Put headphones in pairing mode (LED flashing blue). Move headphones closer to the device.
No sound or low sound.	Volume too low; incorrect audio output selected; headphones not connected.	Increase volume on headphones and device. Check audio output settings on your device. Re-pair the headphones.
Sound quality is poor.	Interference; low battery; EQ settings.	Move away from other wireless devices. Charge headphones. Adjust EQ settings in the JBL Headphones App.
