PACKAGE CONTENTS

Before starting assembly, verify that all components are present. The kit includes:

- 362 building pieces (ABS plastic)
- Instruction booklet
- Exquisite gift box (packaging)

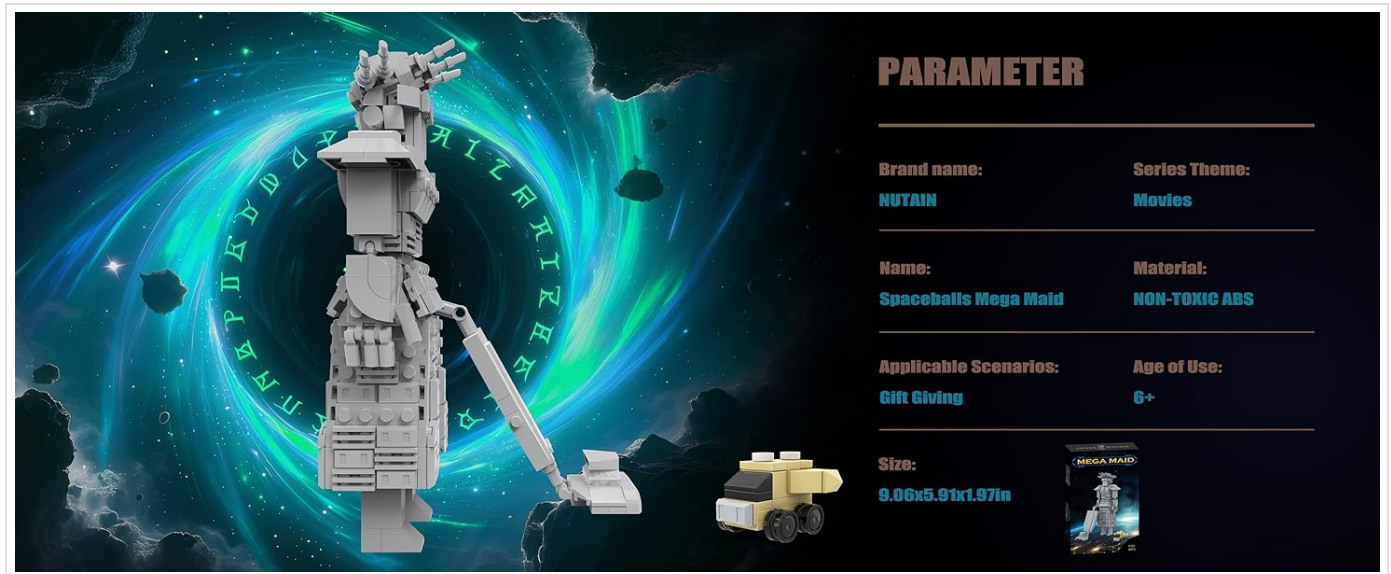

Image: Overview of product parameters, including material (Non-Toxic ABS), age of use (6+), and number of pieces (362).

ASSEMBLY INSTRUCTIONS

Follow the step-by-step instructions provided in the included booklet. It is recommended to sort pieces by type or color before beginning to facilitate the building process.

General Assembly Tips:

- Ensure a clean, flat workspace.
- Refer to the instruction booklet for each step.
- Apply gentle, firm pressure to connect pieces.
- If a piece does not fit easily, double-check the instructions and piece orientation.

OPERATING THE MODEL

Once assembled, the Mega Maid model features several movable parts for display and interaction:

- **Head Rotation:** The head of the Mega Maid figure can be rotated to adjust its gaze.
- **Movable Arms:** The arms are designed with articulation points, allowing for various poses.
- **Vacuum Cleaner Attachment:** The vacuum cleaner accessory can be positioned with the figure.
- **Small Vehicle:** The accompanying small vehicle has wheels that roll, allowing it to be moved across surfaces.

MAINTENANCE AND CARE

To ensure the longevity and appearance of your building kit, follow these care guidelines:

- **Cleaning:** Dust the model regularly with a soft, dry cloth. For deeper cleaning, use a slightly damp cloth and mild soap, then dry thoroughly. Avoid harsh chemicals.
- **Storage:** Store the assembled model or loose pieces in a cool, dry place away from direct sunlight to prevent discoloration or warping of the plastic.
- **Handling:** Handle the model with care to avoid accidental disassembly or damage to delicate parts.

TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Pieces do not fit together.	Incorrect piece orientation or wrong piece selected.	Refer to the instruction booklet to verify the correct piece and its orientation. Ensure pieces are aligned properly before applying pressure.
Model is unstable or falls apart.	Pieces not fully connected or a step was missed.	Review previous assembly steps to ensure all connections are secure. Apply firm pressure to fully engage studs.
Missing pieces.	Packaging error or pieces misplaced during assembly.	Carefully check the packaging and workspace for any overlooked pieces. If pieces are genuinely missing, contact customer support.

SPECIFICATIONS

- **Model Number:** M0659-23
- **Brand:** Generic
- **Material:** High-quality ABS Plastic
- **Number of Pieces:** 362
- **Assembled Dimensions:** Approximately 6 x 3.9 x 9.4 inches (L x W x H)
- **Recommended Age:** 6 years and up
- **Theme:** Spaceballs

WARRANTY AND SUPPORT

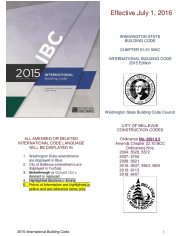

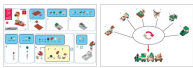

For any quality problems or dissatisfaction within 3 months of purchase, replacements or a full refund may be available. For questions regarding the building kit or to report missing pieces, please contact customer service. Your feedback is valuable for product improvement.

Contact information for customer support is typically found on the product packaging or through the retailer where the item was purchased.
