Safety Information

- Assembly is recommended with two people to ensure safety and ease of construction.
- Use only the specified tools provided or recommended in the assembly guide.
- The maximum weight recommendation for this desk is 350 pounds. Do not exceed this limit.
- For cleaning, use a dry or damp cloth. Avoid harsh chemicals or abrasive cleaners.

Package Contents

Please verify that all components are present before beginning assembly. The desk and cabinet may ship separately and arrive at different times.

- Desktop Panels (Main and L-extension)
- File Cabinet Unit (with drawers and shelves)
- Metal Frame Components
- Assembly Hardware (screws, bolts, connectors)
- Assembly Tools (screwdriver, wrench)
- Instruction Manual

Setup and Assembly

Follow the included assembly guide carefully. All parts are numbered, and necessary tools are provided. It is highly recommended to have two people for assembly to ensure stability and prevent damage.

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Identify all numbered parts and hardware according to the assembly guide.
3. Begin by assembling the main desk frame, ensuring all connections are secure but not overtightened initially.
4. Assemble the file cabinet unit, paying close attention to drawer slide installation.
5. Attach the desktop panels to the assembled frames. The desk can be configured in an L-shape or as a straight desk with a separate cabinet.
6. Once fully assembled, gently tighten all screws and bolts. Avoid using power drills as this may damage the material.

Operating and Usage

The Tribesigns Executive Desk is designed for optimal functionality and comfort. Its large desktop provides ample space for multiple monitors, laptops, and other work essentials. The integrated file cabinet and shelves offer convenient storage solutions.

- **Spacious Workspace:** The 63-inch L-shaped desktop (or straight configuration) accommodates various work setups, allowing for comfortable multitasking.
- **File Storage:** The file drawer is designed to hold letter/A4 sized documents, keeping important papers organized and easily accessible.
- **Open Shelves:** Utilize the open shelves for books, office supplies, decorative items, or small electronic devices.
- **Ample Legroom:** The desk's height of 29.5 inches provides sufficient legroom for extended periods of work,

gaming, or writing.

Care and Maintenance

To maintain the appearance and longevity of your Tribesigns Executive Desk, follow these simple care instructions:

- **Cleaning:** Wipe the surface with a dry cloth for daily dusting. For deeper cleaning, use a slightly damp cloth. Ensure the surface is dried immediately after using a damp cloth.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, strong solvents, or polishes that may damage the laminate finish.
- **Protect Surface:** Use coasters for drinks and desk pads for writing or computer equipment to prevent scratches and stains.
- **Weight Distribution:** Distribute weight evenly across the desktop and shelves to prevent stress on the structure.

Troubleshooting

If you encounter any issues during assembly or use, please refer to the following common solutions:

Problem	Possible Cause	Solution
Parts do not fit together	Incorrect orientation or mismatched parts.	Double-check the part numbers and illustrations in the assembly guide. Ensure components are oriented correctly.
Desk feels wobbly	Loose connections or uneven floor.	Ensure all screws and bolts are securely tightened. Use the adjustable feet on the cabinet (if applicable) to level the desk on uneven surfaces.
Missing hardware or parts	Packaging error.	Contact Tribesigns customer service with your product model and a list of missing items.
Drawers do not slide smoothly	Improper installation of drawer slides or obstruction.	Verify that drawer slides are installed correctly and aligned. Check for any obstructions in the drawer tracks.

For issues not covered here, please contact Tribesigns customer support.
