## Cuddo Baby 4-in-1 Baby Bouncer

# CuddoBaby 4-in-1 Baby Bouncer Instruction Manual

Model: 4-in-1 Baby Bouncer

## INTRODUCTION

---

Thank you for choosing the CuddoBaby 4-in-1 Baby Bouncer. This versatile product is designed to provide a safe and engaging environment for your child, adapting from infancy to toddlerhood. Please read this manual thoroughly before assembly and use to ensure proper function and safety.

## SAFETY INFORMATION

Your child's safety is paramount. Adhere to all warnings and instructions to prevent injury.

- **Weight and Age Limits:** This bouncer is suitable for infants and toddlers up to 29 lbs (13 kg) or approximately 2 years of age. Discontinue use if your child exceeds these limits.
- **Supervision:** Always keep your child under direct supervision while they are in the bouncer. Never leave a child unattended.
- **Assembly:** Ensure all components are securely fastened before use. When adjusting the bouncer height, firmly insert the steel bar until you hear a distinct "click" to confirm it is locked into place.
- **Battery Safety:** The music and light functions of the piano toy bar require 6 AA batteries (not included). Ensure batteries are inserted correctly and replace them when needed. Do not mix old and new batteries or different types of batteries.
- **Placement:** Do not place the bouncer on elevated surfaces. Always use on a flat, stable, and level floor.
- **Compliance:** This product is compliant with ASTM and CPSIA baby seat regulations.

## PRODUCT COMPONENTS

Verify that all the following components are present before beginning assembly:

- Bouncer Frame (with H-shaped stainless steel pipes)
- Fabric Seat (mesh and polyester)
- Detachable Piano Toy Bar
- Detachable Feeding Tray
- Universal Wheels (4 with brakes)
- Kick-n-Play Piano (integrated into base)

## SETUP AND ASSEMBLY

---

The CuddoBaby bouncer features a screw-free design for easy setup.

1. **Unfold the Frame:** Carefully unfold the main bouncer frame until it locks into an upright position.
2. **Attach the Fabric Seat:** Secure the fabric seat to the frame according to the designated attachment points. Ensure all straps and buckles are correctly aligned and fastened.
3. **Install Wheels:** Insert the four universal wheels into the designated slots on the base of the bouncer. Ensure they click into place. Engage the brakes for stability during stationary use.
4. **Attach Piano Toy Bar:** Align the piano toy bar with the slots on the bouncer frame and press down until it securely locks.
5. **Attach Feeding Tray:** If desired, attach the feeding tray to the designated slots on the bouncer frame.

## OPERATING INSTRUCTIONS

---

### Adjusting the Incline

The bouncer offers three adjustable incline levels to suit your child's activity and developmental stage:

- **Lowest Level:** Ideal for relaxation and gentle bouncing.
- **Medium Position:** Suitable for playtime and interactive activities.
- **Highest Level:** Recommended for feeding or when your child is sitting up.

To adjust the incline, locate the adjustment mechanism on the side of the frame. Firmly insert the steel bar into the desired position until it clicks, ensuring it is fully engaged for safety.

Figure 3: Illustration of the 3-level incline adjustment and the bouncer in a folded state.

## Using the Piano Toy Bar and Kick-n-Play Piano

The bouncer includes a detachable piano toy bar and an integrated kick-n-play piano to engage your child's senses.

- **Battery Installation:** The detachable piano toy bar requires 6 AA batteries for its music and light functions. Open the battery compartment, insert batteries with correct polarity, and close securely.
- **Operation:** The piano toy bar offers multiple modes. Encourage your child to touch the keys for musical exploration and observe the colorful lights. The kick-n-play piano at the base responds to foot movements, promoting cause-and-effect understanding and motor skills.
- **Detachment:** The piano toy bar can be easily detached for snack time or when not in use.

Figure 4: Demonstrating various modes of use: Take Along, Snack Time, Kick & Play, and Sit & Play.

## Using the Feeding Tray

The detachable feeding tray provides a safe surface for snacks.

- **Attachment:** Securely attach the tray to the bouncer frame.
- **Material:** The tray is made from food-grade material.
- **Cleaning:** The tray is dishwasher safe for easy cleaning.

## Mobility and Storage

The bouncer is designed for easy movement and compact storage.

- **Moving the Bouncer:** The silent universal rollers allow for effortless and quiet movement between rooms.
- **Securing the Bouncer:** Engage the stopper brakes on the wheels to keep the bouncer stationary and secure.
- **Folding for Storage:** The bouncer folds flat for convenient storage in limited spaces or for transport. Detach the toy bar and tray before folding.

Figure 5: Detachable wheels provide mobility, with 360° smooth rolling and effective stopper brakes.

## MAINTENANCE

Proper maintenance ensures the longevity and hygiene of your bouncer.

- **Fabric Seat:** The fabric seat is machine washable. Refer to the care label for specific washing instructions.
- **Feeding Tray:** The feeding tray is dishwasher safe. Wipe and clean regularly.
- **Frame:** Wipe the bouncer frame with a damp cloth and mild soap as needed. Avoid abrasive cleaners.
- **Mesh Material:** The bouncer features a large mesh area for breathability, which helps keep your child cool. Ensure it remains clean and unobstructed.

Figure 6: Features for easy maintenance and durability: breathable mesh, dishwasher-friendly tray, and thick stainless steel pipes for stability.

## TROUBLESHOOTING

If you encounter any issues with your CuddoBaby bouncer, refer to the following common solutions:

- **Piano Toy Bar Not Working:** Check if the 6 AA batteries are correctly installed and have sufficient charge. Replace batteries if necessary.
- **Bouncer Not Stable:** Ensure all frame connections are securely clicked into place. Verify that the steel bar for incline adjustment is fully engaged. Engage the brakes on all four wheels.
- **Difficulty Folding:** Ensure all detachable accessories (toy bar, tray) are removed. Check for any obstructions preventing the frame from folding flat.

For issues not resolved by these steps, please contact Cuddo Baby customer support.

## SPECIFICATIONS

Feature	Detail
Product Dimensions	31.8 x 4.5 x 16.1 inches (80.77 x 11.43 x 40.89 cm)
Item Weight	7.92 pounds (3.6 kg)
