VTech KidiZoom Smartwatch DX4 Instruction Manual

Model: 80-575210

INTRODUCTION

The VTech KidiZoom Smartwatch DX4 is a full-function smartwatch designed for children aged 4 to 12 years. This device combines fun and learning with its dual cameras, customizable clock faces, interactive games, and activity challenges. It features a high-resolution screen, a durable splash-proof metal body, and a fashionable watchband, making it an ideal tech accessory for young users.

WHAT'S IN THE BOX

- KidiZoom Smartwatch DX4
- Micro-USB Cable
- Quick Start Guide

SETUP

1. Charging the Smartwatch

Before first use, fully charge the KidiZoom Smartwatch DX4. Connect the included micro-USB cable to the watch's charging port and plug the other end into a computer or a compatible USB power adapter. Ensure to use only the provided micro-USB cable for charging and avoid third-party adapters to prevent damage.

2. Powering On and Language Selection

Press and hold the Power button to turn on the smartwatch. Follow the on-screen prompts to select your preferred language (English, Spanish, or French) and set the date and time.

OPERATING INSTRUCTIONS

1. Navigating the Interface

The smartwatch features a touch-sensitive screen. Swipe left or right to browse through the different applications and features. Tap an icon to open an application.

2. Using the Cameras

The KidiZoom Smartwatch DX4 is equipped with dual cameras: a front-facing camera for selfies and a top-facing camera for capturing photos and videos of your surroundings. Open the Camera app to switch between cameras, apply fun effects and filters, and record videos.

3. Customizing Clock Faces

Choose from over 50 built-in clock faces to personalize your smartwatch. You can also download additional clock faces from the Learning Lodge. To hear the time aloud, simply shake the watch.

Activities, Music & Games

Image: The VTech KidiZoom Smartwatch DX4 showcasing multiple customizable clock faces, including a unicorn design and a digital time display with balloons.

4. Playing Games and Activities

The smartwatch includes a variety of exciting activities, challenges, and reaction games. Explore augmented reality (AR) games to find virtual monsters in the real world, compose music using different instruments and sound effects, and engage in movement games that track your steps.

Front & Selfie Cameras

5. Music Player

Use the built-in music player to enjoy pre-loaded songs or transfer your own audio files to the device via the micro-USB cable.

6. Pedometer

The smartwatch features a pedometer that tracks your steps, encouraging active play and movement throughout the day.

7. Alarms and Timers

Set alarms and timers for various activities, helping children manage their time and routines effectively.

MAINTENANCE

1. Cleaning

Wipe the smartwatch with a soft, damp cloth. Do not use harsh chemicals or abrasive cleaners. The device is splash-proof, but not waterproof; do not submerge it in water.

2. Charging Precautions

Always use the provided micro-USB cable for charging. Avoid using third-party adapters, as they may damage the device or pose a safety risk.

TROUBLESHOOTING

1. Device Not Turning On

Ensure the battery is charged. Connect the smartwatch to the charger and allow it to charge for at least 30 minutes before attempting to power it on again.

2. Screen Unresponsive

Try restarting the device by holding down the Power button. If the issue persists, ensure the screen is clean and free from debris.

3. Charging Issues

Verify that the micro-USB cable is securely connected to both the smartwatch and the power source. Ensure the power source is functional. If charging is still not successful, try a different USB port or power adapter (if compatible and VTech-approved).

SPECIFICATIONS

Feature	Detail
Product Dimensions	8.86 x 1.65 x 0.63 inches
Item Weight	3.36 ounces
Item Model Number	80-575210
Manufacturer Recommended Age	4 - 12 years
Batteries	1 Lithium Ion battery required (included)
Manufacturer	VTech
Release Date	January 15, 2024

SAFETY INFORMATION

Choking Hazard - Small Parts: This product contains small parts and is not suitable for children under 3 years of age. Adult supervision is recommended during use.
