Itaar B0CSD12KRV

Itaar Convertible 5-Tier Bookshelf Instruction Manual

Brand: Itaar | Model: B0CSD12KRV

INTRODUCTION

Thank you for choosing the Itaar Convertible 5-Tier Bookshelf. This versatile furniture piece is designed to adapt to your space, functioning as either a corner bookshelf or a straight bookcase. It features five spacious tiers, integrated LED lighting, a practical pegboard with hooks, and a convenient storage bag to help organize your belongings. Crafted from durable materials, this bookshelf offers both stability and aesthetic appeal for various rooms in your home.

SETUP AND ASSEMBLY

Assembly of your Itaar Bookshelf is designed to be straightforward. Please ensure all parts are present and undamaged before beginning. Refer to the included detailed instructions and numbered parts for guidance.

5 shelves bookshelf

Image: Bookshelf dimensions and two installation options (parallel and corner setup).

The bookshelf can be configured in two primary ways: a parallel (straight) installation or a corner (L-shaped) installation. Choose the configuration that best suits your space before starting assembly.

Anti-Tip Kit Installation

For safety, it is crucial to secure the bookshelf to the wall using the included anti-tip kit. This prevents accidental tipping, especially important in households with children or pets. Follow the anti-tip kit instructions carefully to ensure proper installation.

OPERATING INSTRUCTIONS

LED Light Functionality

Image: Bookshelf illuminated by LED lights, showing remote and app control options.

The integrated RGB LED light strip can be controlled via a remote or a dedicated mobile application. It offers multiple colors and 29 flashing modes to customize your ambiance. Utilize the music sync function, with its built-in sensitivity-adjustable microphone, to make the light color change with the rhythm of sound and music.

Pegboard and Storage Bag

Ample Storage Capacity

Image: Close-up of the pegboard with hooks and the fabric storage bag attached to the bookshelf.

The pegboard provides a customizable display area for small items using the included hooks. The large fabric storage bag can be installed on either side of the bookshelf to offer additional storage for magazines, books, or other essentials, helping to keep your space tidy.

Convertible Design

Fits the corner perfectly

Space Saving and Large Storage Capacity

Image: The bookshelf configured as a corner unit, demonstrating its space-saving design.

The Itaar Bookshelf is designed for flexible placement. It can be assembled as a straight, linear unit or as a corner unit to fit snugly into room corners, optimizing space utilization in bedrooms, living rooms, or home offices.

MAINTENANCE

Cleaning

To clean the bookshelf, simply wipe it with a dry cloth. Avoid using harsh chemicals or abrasive cleaners, as these may damage the finish.

General Care

Regularly check all screws and fittings to ensure they remain tight. Re-tighten if necessary to maintain stability. Avoid placing excessively heavy items on the shelves to prevent damage or warping. The adjustable feet can be used to stabilize the bookshelf on uneven surfaces.

TROUBLESHOOTING

Stability Issues

If the bookshelf feels wobbly, ensure all assembly screws are securely tightened. Verify that the adjustable feet are properly configured to compensate for any unevenness in the floor.

LED Light Malfunction

Check if the LED light strip is correctly plugged into the USB port. Ensure the remote control batteries are functional. If issues persist, refer to the LED light's specific user guide or contact customer support.

Missing or Damaged Parts

If your item arrives damaged, scratched, or with missing parts, please contact customer service immediately for a free replacement or partial refund.

SPECIFICATIONS

Feature	Detail
Brand	Itaar
Model Number	BOCSD12KRV
Product Dimensions	11.7"D x 63"W x 63"H
Item Weight	70.5 Pounds
