## BarberPub 3571

# BarberPub Beauty Chair Model 3571 User Manual

Adjustable 360° Rotating Lifting Facial Beauty Spa Chair

## 1. INTRODUCTION

This manual provides essential information for the safe and effective use of your BarberPub Beauty Chair Model 3571. Please read these instructions carefully before assembly, operation, or maintenance to ensure proper function and longevity of the product. This chair is designed for professional use in salons, spas, tattoo studios, and esthetician practices.

## 2. PRODUCT FEATURES

- **Versatile Application:** Suitable for various settings including salons, beauty shops, and tattoo studios, accommodating facial treatments, eyebrow tattooing, eyelash implantation, and more.
- **Ergonomic Design:** Features linkage armrests with high-density sponge for elbow support and wrist strength. A retractable leg rest enhances overall comfort and adaptability. The upholstery can be flipped and stored under the seat to save space.
- **High Practicability:** The chair offers 360-degree rotation and reclines up to 170 degrees. Height is adjustable by up to 3.1 inches. Note: When the backrest exceeds 150 degrees, the chair must be lowered to its lowest height for stability.
- **Quality Construction:** Equipped with a large 26.7-inch base for strong stability, supporting up to 440 lbs (200 kg). The faux leather material is easy to clean, while the fabric option provides a soft and comfortable touch.
- **Enhanced Comfort:** Filled with fluffy, soft cotton and high-density sponge, providing a gentle embrace sensation for comprehensive comfort and security. An adjustable pillow can be used as a lumbar or headrest for optimal support.

## 3. SPECIFICATIONS

Specification	Detail

## 4. SETUP AND ASSEMBLY

The BarberPub Beauty Chair Model 3571 typically arrives partially assembled. Follow the instructions provided in the packaging for specific assembly steps. Ensure all components are present and undamaged before beginning assembly.

- **Base Attachment:** Securely attach the chair's main body to the circular base. Ensure the gas lift cylinder is correctly seated.
- **Cushion Placement:** Place the seat and backrest cushions as intended. The adjustable pillow can be positioned for head or lumbar support.
- **Footrest Integration:** Confirm the retractable footrest mechanism operates smoothly.

## 5. OPERATING INSTRUCTIONS

Familiarize yourself with the chair's adjustment mechanisms for optimal client comfort and service efficiency.

### 5.1. Height Adjustment

To adjust the chair's height, locate the 'LIFT' lever, typically found on the side beneath the seat. Pull the lever upwards while applying or releasing weight from the seat to move the chair up or down. Release the lever to lock the height.

### 5.2. Recline Adjustment

The chair's backrest can recline up to 170 degrees. Locate the 'RECL' lever, usually next to the height adjustment lever. Pull the lever to release the backrest lock, then lean back to recline or forward to bring the backrest upright. Release the lever to lock the backrest in position. **Important:** For stability, ensure the chair is at its lowest height when reclining beyond 150 degrees.

The facial beauty chair is suitable for **beauty salon, nail salon, spa and massage center, etc**

Backrest can be tilted up to **170 degrees** for greater comfort

Figure 3: The chair's recline capability, ranging from 99 to 170 degrees.

### 5.3. 360° Rotation

The chair is designed to rotate 360 degrees on its base, allowing for easy positioning and access during treatments. Simply swivel the chair to the desired orientation.

### 5.4. Retractable Footrest

The footrest can be extended or retracted to provide leg support for clients. Gently pull the footrest outwards to extend it, and push it inwards to retract. The upholstery can be flipped and placed under the seat when not in use to save space.

## Retractable Footrest

## 6. MAINTENANCE

Regular maintenance ensures the longevity and hygienic condition of your beauty chair.

- **Cleaning Faux Leather:** Wipe surfaces with a soft, damp cloth and mild soap. Avoid harsh chemicals or abrasive cleaners that can damage the material. Dry thoroughly after cleaning.
- **Cleaning Fabric:** For fabric models, spot clean with a suitable upholstery cleaner. Test on an inconspicuous area first.

- **Mechanism Check:** Periodically check all moving parts, levers, and the base for any signs of wear or looseness. Tighten any loose screws or bolts as needed.
- **Weight Capacity:** Do not exceed the maximum weight capacity of 440 lbs (200 kg) to prevent damage and ensure safety.

## 7. TROUBLESHOOTING

---

If you encounter issues with your BarberPub Beauty Chair, refer to the following common problems and solutions:

- **Chair Not Adjusting Height:** Ensure the 'LIFT' lever is fully engaged and the gas lift cylinder is functioning correctly. Check for any obstructions.
- **Backrest Not Reclining/Locking:** Verify the 'RECL' lever is fully engaged or disengaged as required. Check for any foreign objects obstructing the mechanism.
- **Chair Feels Unstable/Wobbly:** Ensure all assembly bolts are securely tightened. Check that the base is on a flat, even surface. Do not exceed the maximum weight capacity.
- **Footrest Not Operating Smoothly:** Inspect the footrest mechanism for any obstructions or damage. Lubricate moving parts if necessary with a silicone-based spray.

For persistent issues not resolved by these steps, please contact customer support.

## 8. WARRANTY AND SUPPORT

---

For warranty information, product support, or to purchase replacement parts, please refer to the documentation included with your purchase or visit the official BarberPub website. Keep your purchase receipt as proof of purchase for warranty claims.

**Contact Information:** Please refer to the manufacturer's official website or your retailer for the most current contact details for customer service and technical support.
